PUBLIC NOTICES

Civil and Building Works

"The Botswana Meat Commission (BMC) is proposing to construct a New Abattoir and Cannery to international standards near Francistown. This project and the facility will have a capacity to slaughter 600/800 head of cattle per 8 hours working day. Together with all ancillary plants and services.

The project requires: —

Civil and Building works (from virgin scrub land)

Roads, railway spur and sidings

Water and effluent services

Mechanical and Electrical services

Ice plant, refrigeration and chilling

The BMC is seeking the services of an Engineering Organisation to execute the detail design and draughting, and possibly to supervise the construction and accept full project management responsibility for the successful completion and commissioning of the project within the agreed budget and time scale. The time scale for this project will be approximately from Mid November 1980 to completed complex mid 1983. These responsibilities will include programme development and co-ordination, cost and planning, engineering quality assurance, procurement covering international purchasing inspection and expediting all project accountings, administration and commissioning.

Firms who wish to participate in the consultancy should register their interest by telex no later than 1200 hours on 31st August 1980 at following address: Chief Engineer, Botswana Meat Commission, Private Bag 4, Lobatse, further details concerning a firm's experience and background may be requested at a later date for BMC to draw up a short list which will be issued with terms of reference for the submission of technical and fee proposals."
