**MEMORANDUM**

A draft of the above Bill, which it is proposed to present to the National Assembly, is set out below.

2. The principal object of the Bill is to amend the Local Government (District Councils) Act (Cap. 40:01) in order to make the law governing the manner in which District Councils are required to enter into certain contracts more flexible.

3. Section 39 of the principal Act at present provides that a District Council shall not enter into certain contracts if the Council's liability under the contract is to exceed P1 000, except after calling for tenders in the prescribed manner.

4. The contracts in question are contracts for the supply of any goods or materials or the execution of any works or the provision of any services, other than professional services, for or to a Council.

5. It is proposed to substitute a new section 39 of the principal Act simply forbidding a District Council to enter into such a contract except in the prescribed manner.

6. At the same time, it is proposed to amend section 56 of the principal Act so that the President's powers to make regulations would be given instead to Minister for the time being responsible for local government.
