Tenders shall be delivered in the envelope provided. Telegraphic, telephonic and telex tenders will not be considered.

Tenders will only be considered from contractors who are registered with the Central Tender Board in Category "2C to 2E".

Notwithstanding anything contained in the foregoing, the Government of the Republic of Botswana is not bound to accept the lowest or any tender nor to incur any expense in the preparation thereof.

K.K. SEMELAMELA,
Secretary, Central Tender Board.

Republic of Botswana — Tender No. TB 8/1/14/91—92

REVIEW OF THE SELF HELP-HOUSING PROGRAMME 1991

PROPOSALS ARE invited from suitable qualified consultants, with experience in socio economic and housing research, resident in Botswana, to undertake a review of the Self-Help Housing Agency Programme to establish whether the programme has met the original objectives of providing an efficient and equitable low cost housing option in urban areas based on a policy of self-help and self-reliance.

Detailed Terms of Reference may be obtained from office 241, Ministry of Local Government and Lands building from the date of this publication or call Telephone 354310. A briefing meeting will be arranged for prospective tenderers. Details of the meeting will be attached to the Terms of Reference.

Combined technical and fee proposals prepared in quadruplicate shall be submitted in a plain sealed envelope, marked "Tender No. TB 8/1/14/91—92—Review of SHHA Programme 1991" to The Secretary, Central Tender Board, Private Bag 0058, Gaborone (or by hand to the Secretary, Room 201, Ministry of Finance and Development Planning Building), to arrive not later than 1000 (10.00 a.m.) on Wednesday 18th September, 1991. Late proposals will not be accepted, tenderers are invited to attend.

Tenderers are advised that the Government of Botswana is not bound to accept the lowest or any tender received.

The study should be carried out between October and December, 1991. Four weeks will be set aside for all preparatory/field work before hand. Data analysis and the preparation of a preliminary report should be submitted four weeks after completion of field work. On receipt of comments from the reference groups the final report will be presented three weeks later.

K.K. SEMELAMELA,
Secretary, Central Tender Board.

Republic of Botswana — Stage 1 Prequalification Notice

Appendix 'A'

PROPOSED BLOCK 6 & 8 GOVERNMENT ENCLAVE GABORONE

1. INTRODUCTION

Registered 'E' Grade contractors are invited to register their interest in the first stage of prequalification to construct two ten storey office blocks with basement parking all comprising approximately 37,000 m² gross floor area in the Government enclave, Gaborone.

2. FORM OF PROCUREMENT

The Government of Botswana intends to use the 'Design and Build' form of procurement, using the JCT CD 81 Form of Contract.

3 DESCRIPTION OF WORKS

Each of the two blocks is ten storeys high offering a gross area of approximately 18,700 m², including basement, with 12,700 m² nett useable — (lettable) — area. The external sizes and internal layouts for the users have been designed and arising from this there will be little scope for the building tenderers to make changes in the overall envelope shape of the buildings. Each block is approximately 100 metres in length and 12.5 metres in width with a central core 20 metres wide.

4 LEVEL OF CONTRACTOR'S DESIGN

Tenderers finally prequalified will be required to design the building structure and facades down to and including all foundations.

A geological survey will be made available for convenience but tenderers will be required to take full responsibility for any information used within the report and any assumptions made thereafter.

Tenders will embody the 'Shell and Core' concept. Tenants 'Fit Out' will be handled either as a provisional sum in the main contract or as a direct contract let by the Department of Architecture & Building Services.

All mechanical and electrical services will be designed in accordance with the performance specification issued by the Department of Electrical and Mechanical Services.

5 EMPLOYER'S AGENT

The employers agent named in the contract will be Kille & Dannhauser in association with Widnell Project Management

6 PLANNING AND BUILDING REGULATION APPROVALS

The successful contractor will not be required to obtain planning permission; The Department of Architecture and Building Services will make the necessary submissions in this respect.

The successful contractor will, however, be required to obtain Building Regulation approval from the Gaborone City Council.

7 PREQUALIFICATION

Interested contractors may register their interest individually or in consortium but the structure of any consortium must be clearly identifiable at this stage.

At this preliminary Qualification Stage interested contractors are required to submit outline information as described in Section 9 below sufficient for preliminary screening of each applicant.

It is the Employer's intention to reduce the final tender List to not exceeding six contractors who will be required to produce a substantial "Tender Bond" prior to release of tender documents.

8 PRELIMINARY PROGRAMME

The preliminary programme for the project is as follows:

Submission of Preliminary Information by contractors	06 September, 1991
Issue of Standard Prequalification Form	13 — 20 September, 1991
Return of Standard Prequalification Form	16 October, 1991
Final Prequalification and Issue of Tender Documents	Early November, 1991
Return of Tender Documents	Late January, 1992
Commencement on Site	May, 1992
Completion and handover of works	May 1994 or earlier

9 AREAS OF INTEREST TO BE USED FOR EVALUATION IN PRELIMINARY PREQUALIFICATION AND SCREENING BY THE DEPARTMENT OF ARCHITECTURE AND BUILDING SERVICES

- (a) An organisation chart of the company structure indicating any affiliations to other companies or subsidiaries and company background.
- (b) Proven ability to finance the negative cash flow of a project of this size bearing in mind that no advance payments will be entertained. The company must be able to demonstrate its financial standing and accordingly give the value of construction work done over the last 5 years plus work in hand together with bank references.
- (c) Demonstrate the 'In House' design ability/resources in all disciplines or external design services offered if not 'In House.'
- (d) Size, qualifications and past experience of project team available.
- (e) Previous satisfactory experience of projects completed on a 'Design and Build' form of procurement and examples similar to this project for inspection.
- (f) Size and number of builder's premises including workshops.

- (g) Items of heavy plant owned by the tenderer.
- (h) List of clients available to contact for reference.
- (i) Current major project commitment.

10 CONCLUSION

Contractors interested in obtaining the Standard Form of Prequalification should notify their interest with the information as detailed above to The Director of Architecture and Building Services, Ministry of Works, Transport and Communications, Private Bag 0025, Gaborone, Tel (267) 351901, Fax (267) 374832 or to Kille & Dannhauser, P.O. Box 610, Gaborone Tel (267) 352492, Fax (267) 312676 not later than 10.00 hours Friday 6th September, 1991.

Any submission by facsimile must be followed by the original written submission within 7 (seven) days of the date stated above.

Any submission must include postal address, physical address, telephone number, facsimile number and telex number.

The contractors who are successful in the preliminary screening will be issued with the formal Prequalification Documents with instructions for submission or procedure.

The Government of Botswana is not bound to include any of the submissions either in the list selected to receive prequalification documents or in the final tender list nor to be liable for any reimbursement of expenditure/expense in the prequalification or tender exercise.

K.K. SEMELAMELA,
Secretary, Central Tender Board.
