**Pre-Qualification Notice — TB. 10/3/24/91—92****NORTH-SOUTH CARRIER PRE-IMPLEMENTATION CONSULTANCY**

THE GOVERNMENT OF BOTSWANA through the Department of Water Affairs is intending to commission a North-South Carrier (NSC) Pre-implementation Consultancy.

The proposed NSC is a major transfer pipeline mainly intended to link more northerly major water resources to the large, rapidly rising demand centres in the South-East of the country, in particular the Greater Gaborone Area. It is intended at present that the first phase of the NSC will consist of some 350 km of pipeline to a dam on the Motloutse River near Selebi-Phikwe. However, it is still possible that this first phase could be staged in two parts if large groundwater reserves are identified in the Mmamabula/Palla Road areas. Feasibility/preliminary design studies for the NSC have already been undertaken as part of the Lower Shashe Dam Study which was completed in 1990.

The objective of the NSC Pre-implementation Consultancy is to undertake the further work required to take the project to the construction tendering stage. The Consultancy will include a technical assessment and comparison of pipe materials, preliminary design review and the preparation of a detailed performance specification, preparation of proposals for the operation and maintenance of the pipeline including training requirements, provide assistance with financial issues including tariff structures, international interest and funding, preparation of an implementation strategy, assistance with the pre-qualification of contractors and pipe suppliers and the preparation of tender documents.

Consultants interested in being considered for short listing for this project are invited to submit pre-qualification documentation giving information on their capacity and experience of projects of a similar nature. Background information and instructions to Consultants wishing to submit pre-qualification documents should be obtained from the Department of Water Affairs.

Address: Private Bag 0029, Gaborone, Botswana  
Telephone: 352241, 3600215, 3600204  
Telex: 2557 Water BD  
Telefax: 374372  
Attention: Mr Isaac Muzila or Mr Stewart Child.

Pre-qualification documents which are not submitted in accordance with the instructions will not be considered. The closing date for submission of pre-qualification documentation will be the 26th February, 1992.
