Bill No. 12 of 1998

BIRTHS AND DEATHS REGISTRATION (AMENDMENT) BILL, 1998

(Published on 22nd May, 1998)

MEMORANDUM

A draft of the above Bill, which it is proposed to present to the National Assembly, is set out below.

The present births and deaths registration system provides for compulsory registration within four urban areas, namely, Lobatse, Gaborone, Selibe-Phikwe and Francistown and within eight villages, namely, Kanye, Molepolole, Mochudi, Serowe, Mahalapye, Maun, Gumare and Kasane. Voluntary registration covers the rest of the areas not mentioned here. There is shortage of manpower to carry out the collection of data even in areas covered by compulsory registration. The data collected is incomplete and is not reliable to be used for planning purposes.

The object of the Bill is to enhance the provisions of the existing births and deaths registration systems in order to ensure the collection and maintenance of an accurate and reliable official data for public record and for planning purposes. In order to facilitate that objective, the Bill proposes to amend the Act so as to provide -

1. in section 3, for the appointment of Registration Officers in addition to the District Registrars;
2. in section 4, for the Still-Birth Register in addition to the Births and Deaths Register;
3. in section 8, for compulsory registration to be applicable through out the country;
4. in section 24, that medical practitioners be required to give notification of the death of a patient under their care to the District Registrar or Registration Officer;
5. for matters incidental to and connected to the foregoing.

B.K. TEMANE,
*Minister of Labour and
Home Affairs.*
