Effect of
registration

12. The Minister may grant a certificate of naturalization to a person of full age and capacity who satisfies the Minister that he or she is qualified under section 13 for naturalization, and that person shall, on taking the oath of allegiance, be a citizen of Botswana by naturalization from the date on which the certificate is granted.

Naturalization

 - (f) he or she intends, in the event of a certificate of naturalization being granted, to reside in Botswana.
- (2) Where the Minister is of the opinion that special circumstances exist he may allow —
- (a) a continuous period of 12 months' residence in Botswana, ending not more than six months before the date of the application for a certificate of naturalization, to be reckoned for the purposes of subsection (1) (a) as if that period had immediately preceded that date;
 - (b) periods of residence earlier than 13 years immediately preceding the date of application for a certificate of naturalization to be reckoned for the purposes of subsection (1) (c).
- (3) Where an applicant has made an application for a certificate of naturalization under subsection (1), the Minister shall cause a notice of the application to be published in the Gazette and in a newspaper circulating in the district in which the applicant resides and the publication shall be displayed in such public offices and places as may be determined by the Minister.
- (4) Where a notice is published in accordance with subsection (3), any person who objects to the applicant being granted a certificate of naturalization shall, within 30 days immediately after publication of the notice, notify the Minister in writing of his or her objection and of the grounds therefor.
- (5) Before granting a certificate of naturalization under section 12 the Minister shall take into consideration any objection of which he has been notified in accordance with subsection (4).

Naturalization
of foreign
spouse

14. (1) The Minister may at any time grant a certificate of naturalization to a foreign spouse who is married to a citizen of Botswana and, has not since remarried and who satisfied the Minister that he or she is otherwise qualified under subsection (2) for naturalization in terms of this section, and that spouse shall, on taking the oath of allegiance, be a citizen of Botswana by naturalization from the date on which the certificate is granted.

(2) Subject to subsections (1) and (3), the qualifications for naturalization in terms of this section for any foreign spouse shall be that —

- (e) that spouse intends, in the event of a certificate of naturalization being granted, to reside in Botswana.

(3) The Minister may, in the special circumstances of any particular case, waive or accept a shorter period of the resident requirements mentioned in subsection (2) (a) and (b).

(4) Section 13(3), (4) and (5) shall apply, with such modifications as may be considered necessary in the case of an application for the grant of a certificate of naturalization under this section.

15. Any person who is a citizen of Botswana and also a citizen of another country shall, upon the attainment of the age of 21 years, cease to be a citizen of Botswana unless such person has, immediately before the attainment of the age of 21 years —

Dual
citizenship

- (a) renounced the citizenship of that other country;
- (b) taken the oath of allegiance; and
- (c) made such declaration of intentions concerning residence as may be prescribed.

16. If any citizen of Botswana of full age and capacity who is also a citizen of another country makes a declaration of renunciation of citizenship of Botswana, the Minister, if he is satisfied that the person is not ordinarily resident in Botswana shall, and in all other cases may, cause the declaration to be registered and, upon such registration, that person shall cease to be a citizen of Botswana:

Renunciation
of citizenship
by reason of
dual citizen-
ship or
nationality

Provided that the Minister may withhold registration of any such declaration if in his opinion it is contrary to public policy.

17. (1) A citizen by birth or descent who has ceased to be a citizen of Botswana by virtue of the provisions of section 15 or 16 may, at anytime thereafter, make a declaration in such form as may be prescribed that he or she wishes to resume citizenship of Botswana and upon the registration of the declaration in accordance with the provisions of subsection (2), he or she shall again become a citizen of Botswana.

Resumption of
citizenship

(2) The Minister may cause a declaration made under subsection (1) to be registered in such form as may be prescribed if he is satisfied that the person making the declaration —

- (b) is resident in Botswana on the date of making the declaration; and
- (c) such person intends, on the registration of the declaration, to reside in Botswana.

 - (i) obtained such registration or naturalization by means of fraud, false representation or concealment of any material fact, whether on his or her own part or on the part of some other person;
 - (ii) has failed, on being so required by the President or the Minister, as the case may be, to renounce, within a specified time, his or her citizenship of any other country;

 - (iv) during any hostilities in which Botswana was or is engaged, unlawfully traded or communicated with any enemy or was or is engaged in or associated with any business which was or is to his or her knowledge carried on in such a manner as to assist an enemy in those hostilities; or
 - (v) has been resident outside Botswana for a continuous period of seven years and during that period has not given notice in writing to the Minister of his or her intention to retain his or her citizenship of Botswana:

Provided however, that the seven year period may not be renewed more than twice unless it is proved to the satisfaction of the Minister that special circumstances exist for such further renewal after the second renewal and it is in the public interest to do so; or

- (c) being a citizen of Botswana by registration, has failed, on being so required by the President or the Minister, as the case may be, to take the oath of allegiance.

children

20. Any reference in this Act to the status or description of a parent of a person at the time of that person's birth shall, if such person was born after the death of that parent, be construed as a reference to the status or description of that person at the time of the parent's death.

21. The Minister may, on application made by or on behalf of any person with respect to whose citizenship of Botswana a doubt exists, whether on a question of fact or law, certify that the person is a citizen of Botswana; and a certificate issued under this section shall, unless it is proved that it was obtained by means of fraud, false representation or concealment of any material fact, be conclusive evidence that that person was a citizen on the date thereof, without prejudice to any evidence that such person was a citizen at an earlier date.

Certificate of
citizenship in
