Bill No. 26 of 1998

VOCATIONAL TRAINING BILL, 1998

(Published on 18th September, 1998)

MEMORANDUM

A draft of the above Bill, which it is proposed to present to the National Assembly, is set out below.

The object of the Bill is to provide a legal framework for the implementation of the National Policy on Vocational Training adopted by Parliament in December, 1997 which seeks to enhance the status of vocational training in Botswana by —

- (a) providing for an integrated system of vocational training;
- (b) setting new training standards;
- (c) establishing mechanisms for determining the equivalences of vocational qualifications;
- (d) reviewing the vocational training curricula; and
- (e) mobilising additional financial resources from outside Government.

The Bill establishes the Botswana Training Authority under clause 3 and the Board under clause 5. The meetings and proceedings of the Board are provided for under clauses 10 to 15. Clause 16 makes provision for an appointment of a Chief Executive Officer, other officers and employees. The functions and powers of the Botswana Training Authority to be exercised by the Board are listed under clause 17. The Botswana Training Authority is required by clause 20 to establish the National Vocational Qualifications Framework for purposes of registering and accrediting vocational training institutions as well as certifying and evaluating qualifications within and outside Botswana. The Minister may, under clause 21, establish a Vocational Training Fund in order to promote training. Furthermore, the Minister may, under clause 24, impose a training levy which shall be paid into the Vocational Training Fund. Clause 33 repeals the Apprenticeship and Industrial Training Act. The Bill, however, retains some of the provisions of the repealed Act with regard to imposition of levy and employment of apprentices or trainees.
