**DECLARATION OF ASSETS AND LIABILITIES OF  
MEMBERS OF PARLIAMENT BILL, 1998**

*(Published on 18th December, 1998)*

**MEMORANDUM**

A draft of the above Bill, which it is proposed to present to the National Assembly, is set out below.

On 22nd March, 1996, Parliament passed a resolution to the effect that all Members of Parliament shall, in future, declare their business and financial interests including farming interests and fixed assets.

The object of this Bill is, therefore, to give effect to that resolution passed by Parliament on 22nd March, 1996. And this is being done in the interests of transparency and accountability.

The Bill provides that every Member of Parliament shall make a written declaration of all his or her assets and liabilities and those of his or her spouse and dependent children. The written declaration is to be lodged with the Clerk of the National Assembly who shall be the Registrar of Members' Interests. On receipt of the written declaration, the Registrar is required to enter it into a register to be established as the Register of Members' Interests.

The declaration of assets and liabilities shall be made within 90 days of the coming into force of the Act and subsequently within 90 days of taking and subscribing the oath of allegiance on being elected as a Member of Parliament. Failure to declare or knowingly making false declaration would constitute contempt of Parliament.

The Bill also provides for the appointment by the Committee of Selection of Parliament of a Committee to be called the Committee of Members' Interests. The Registrar of Members' Interest will act as Secretary to the Committee. The Committee will be responsible for ensuring that Members of Parliament comply with the provisions of the Act. It is empowered to investigate any allegation of contravention of any provision of the Act. A contravention of any provision of the Act by a Member of Parliament shall constitute contempt of Parliament.

# **UNWROUGHT PRECIOUS METALS (AMENDMENT) BILL, 1998**

*(Published on 18th December, 1998)*

## **MEMORANDUM**

A draft of the above Bill, which it is intended to present to the National Assembly, is set out below.

The object of the Bill is to amend the Unwrought Precious Metals Act so as to facilitate the growth of the jewellery manufacturing and jewellery repairing industries and to transfer the President's powers under the Act to the Minister of Minerals, Energy and Water Affairs. The Bill also seeks to remove the provisions creating offences under the Act which are considered unnecessary because similar provisions exist under the Penal Code.

Clause 2 of the Bill seeks to remove the restriction on the amount of unwrought precious metal which a person may have in his possession by allowing jewellery manufacturers and jewellery repairers to be in possession of unwrought precious metal if they have been authorised to do so by the Minister. The clause also seeks to increase the fines which may be imposed for being in possession of any unwrought precious metal unlawfully.

Clause 3 of the Bill seeks to remove the prohibition under the Act against the delivery of unwrought precious metals in payment of a debt, as well as the prohibition against maliciously placing unwrought precious metal in the possession of another. The clause also seeks to remove the provisions regarding accessories after the fact to any offence and attempts to commit any offence.
