Duties.—A Staff Training Officer (Technical) is normally required to teach and train Artisans, Leading Artisans, Supervisory Tradesmen and Junior Foremen, who attend training courses at the Institute of Technical Supervision, in civil and mechanical engineering trades. The duties generally involve both theoretical instruction in the classroom and practical training at various industrial sites. Extra-curricular, administrative and supervisory duties which may become necessary from time to time in a boarding institution may also be assigned to him.

Qualifications.—Candidates, who should be in a grade not lower than that of Foreman, must:

- (a) possess either the Final or Advanced City and Guilds Certificate or Ordinary National Certificate or General Certificate of Education (Ordinary Level) with basic training in either civil or mechanical engineering practice. Such candidates must have served at least three years in supervisory grades (i.e. Junior Foreman and Foreman). Other candidates without any of the qualifications mentioned must have served five years in supervisory grades (i.e. Junior Foreman and Foreman);
- (b) have completed satisfactorily the senior supervisory training course held at the Institute of Technical Supervision at Weija or its equivalent;
- (c) be between 30 and 40 years of age. Experience in general administration as well as aptitude for training duties will be an advantage.

Application forms may be obtained from the Secretary, Public Services Commission, P.O. Box 1618, Accra, to whom completed application forms should be returned not later than 30th April, 1976.

Public Servants should forward their completed application forms through their Heads of Departments.
