POST OFFICE NOTICE.

It is hereby notified for the general information that in order to effect a saving in time a direct exchange of Money Orders between the German East Africa Post Offices on Lake Victoria and Offices in British East Africa and Uganda has been arranged and will commence from the 1st of June 1908. The Offices of Exchange will be Mwanza and Kisumu respectively

J. GOSLING
Postmaster General,
East Africa and Uganda Protectorates.

The following extracts from an Order duly sanctioned by His Excellency the Governor in the Public Works Department are published for general information :—

PUBLIC ROADS.

Public Roads in this Protectorate will be classified as follows :—

- Class I. P. W. D. Cartroads.
 - A. Bridged and metalled throughout.
 - B. Partially bridged and metalled.
 - C. Partially bridged and surfaced with moorum or sand.
- Class II. District Cartroads. Unmetalled.
- Class III. Bridle paths.

Roads of Class I will usually be those connecting Province with Province, Head Quarters of important Districts with each other, or with the Uganda Railway; also main roads in Municipal or Township areas. All roads of this Class will invariably be constructed and maintained by the Public Works Department.

Roads of Class II will usually be either Feeders to the Uganda Railway or to Class I Roads; or they will be made to connect up distant Territories with more civilized parts, or for communication between a series of Settlers' Estates.

Any proposal for constructing a public Road, whether it be made by an Official or Non-official, must be sent to the Provincial Commissioner in the first instance.

The Advisory Provincial Road Boards will sit as often as the Provincial Commissioner desires to consider proposals for New Roads, or for raising or lowering them in class, and their reports and recommendations will be forwarded by the Provincial Commissioner (with his covering remarks) to the Commissioner of Public Works who will place them before Government for orders.

The reports of these Boards should contain Lists of the Roads of various classes required during the next five years in the order of urgency viz: "Very Urgent" "Urgent" "Advisable" and a short description of the proposed alignment of each road, together with a rough estimate of the cost based on a mileage rate, and accompanied by a Map of the Province showing the termini of each road (also any traffic statistics which are available) should be forwarded with these reports to the Commissioner of Public Works.
