# EAST AFRICA PROTECTORATE.

## AT THE COURT AT BUCKINGHAM PALACE,

The 15th day of February, 1909.

PRESENT,

THE KING'S MOST EXCELLENT MAJESTY.

ARCHBISHOP OF YORK.

LORD NORTHCOTE.

LORD PRESIDENT.

MR. SECRETARY GLADSTONE.

LORD CHAMBERLAIN.

MR. HARCOURT.

LORD SANDHURST.

SIR J. E. BIGHAM.

WHEREAS by Treaty, grant, usage, sufferance, and other lawful means, His Majesty has power and jurisdiction within the East Africa, Uganda and Nyasaland Protectorates (in this Order referred to as "the said Protectorates")

AND WHEREAS by an Order in Council bearing even date with this Order provision has been made for appeals from His Majesty's Courts in the said Protectorates to His Majesty's Court of Appeal for Eastern Africa.

AND WHEREAS, it is expedient that further provision should be made for regulating appeals from His Majesty's Court of Appeal for Eastern Africa to His Majesty in Council;

NOW THEREFORE, His Majesty, by virtue and in exercise of the powers in this behalf by "The Foreign Jurisdiction Act, 1890," or otherwise in his Majesty vested, is pleased, by and with the advice of His Privy Council, to Order, and it is hereby Ordered as follows:—

1. This Order may be cited as the "Eastern African Protectorates (Appeal to Privy Council) Order in Council 1909."

2. In this Order, unless the context otherwise requires:—

"Appeal" means Appeal to His Majesty in Council;

"His Majesty" includes His Majesty's heirs and successors;

"Judgment" includes decree, order, sentence, or decision;

"Court" means either the Full Court or one or more Judges of His Majesty's Court of Appeal for Eastern Africa according as the matter in question is one which under the Rules and Practice of His Majesty's Court of Appeal for Eastern Africa, properly appertains to a Full Court or to one or more Judges.

"Record" means the aggregate of papers relating to an Appeal (including the pleadings, proceedings, evidence and judgments) proper to be laid before His Majesty in Council on the hearing of the Appeal.

"Registrar" means the Registrar or other proper Officer having the custody of the Records in the Court appealed from;

"Month" means calendar month;

Words in the singular include the plural, and words in the plural include the singular.

3. Subject to the provisions of this Order, an appeal shall lie—

(a) as of right, from any final judgment of the Court, where the matter in dispute on the Appeal amounts to or is of the value of £650 sterling or upwards, or where the Appeal involves directly or indirectly, some claim or question to or respecting property or some civil right amounting to or of the value of Rupees 10,000 or upward; and

- (b) at the discretion of the Court, from any other judgment of the Court, whether final or interlocutory, if, in the opinion of the Court, the question involved in the Appeal is one which, by reason of its great general or public importance or otherwise, ought to be submitted to His Majesty in Council for decision.
4. Where in any action or other proceeding no final judgment can be duly given in consequence of a difference of opinion between the Judges, the final judgment may be entered *pro forma* on the application of any party to such action or other proceeding according to the opinion of the Senior Member of the Court or in his absence, of the Member of the Court next in seniority, but such judgment shall only be deemed final for purposes of an appeal therefrom, and not for any other purpose.
5. Applications to the Court for leave to appeal shall be made by motion or petition within 21 days in the case of applications from East Africa or Uganda and within three months in the case of applications from Nyasaland from the date of judgment to be appealed from, and the Applicant shall give the opposite party notice of his intended application.
6. Leave to appeal under Article 3 shall only be granted by the Court in the first instance:—
- (a) upon condition of the Appellant, within a period to be fixed by the Court but not exceeding three months from the date of the hearing of the application for leave to appeal, entering into good and sufficient security, to the satisfaction of the Court, in a sum not exceeding Rs. 5,000, for the due prosecution of the Appeal, and the payment of all such costs as may become payable to the Respondent in the event of the Appellant not obtaining an order granting him final leave to appeal, or of the Appeal being dismissed for non-prosecution, or of His Majesty in Council ordering the Appellant to pay the Respondent's costs of the Appeal (as the case may be); and
- (b) upon such other conditions (if any) as to the time or times within which the Appellant shall take the necessary steps for the purpose of procuring the preparation of the Record and the dispatch thereof to England as the Court, having regard to all the circumstances of the case, may think it reasonable to impose.
7. Where the Judgment appealed from requires the Appellant to pay money or perform a duty, the Court shall have power, when granting leave to appeal, either to direct that the judgment shall be carried into execution or that the execution thereof shall be suspended pending the Appeal, as to the Court shall seem just, and in case the Court shall direct the said judgment to be carried into execution, the person in whose favour it was given shall, before the execution thereof, enter into good and sufficient security, to the satisfaction of the Court, for the due performance of such order as His Majesty in Council shall think fit to make thereon.
8. The preparation of the Record shall be subject to the supervision of the Court, and the parties may submit any disputed question arising in connection therewith to the decision of the Court, and the Court shall give such directions thereon as the justice of the case may require.
9. The Registrar, as well as the parties and their legal Agents, shall endeavour to exclude from the Record all documents (more particularly such as are merely formal) that are not relevant to the subject matter of the Appeal, and, generally, to reduce the bulk of the record as far as practicable, taking special care to avoid the duplication of documents and the unnecessary repetition of headings and other merely formal parts of documents; but the documents omitted to be copied or printed shall be enumerated in a list to be placed after the index or at the end of the Record.
10. Where in the course of the preparation of a Record one party objects to the inclusion of a document on the ground that it is unnecessary or irrelevant, and the other party nevertheless insists upon its being included, the Record, as finally printed (whether in any of the said Protectorates, or in England), shall, with a view to the subsequent adjustment of the costs of and incidental to such document, indicate in the index of papers, or otherwise, the fact that, and the party by whom, the inclusion of the document was objected to.
11. The Record shall be printed in accordance with the Rules set forth in the Schedule hereto. It may be so printed either in any of the said Protectorates or in England.
12. Where the Record is printed in any of the said Protectorates the Registrar shall at the expense of the Appellant, transmit to the Registrar of the Privy Council 40 copies of such Record, one of which copies he shall certify to be correct by signing his name on, or initialling, every eighth page thereof and by affixing thereto the seal of the Court.
13. Where the Record is to be printed in England the Registrar shall, at the expense of the Appellant, transmit to the Registrar of the Privy Council one certified copy of such Record, together with an index of all the papers and exhibits in the case. No other certified copies of the Record shall be transmitted to the Agents in England by or on behalf of the parties to the Appeal.

14. Where part of the Record is printed in any of the said Protectorates and part is to be printed in England, Articles 12 and 13 shall, as far as practicable, apply to such parts as are printed in the said Protectorate and such as are to be printed in England respectively.

15. The reasons given by the Judge, or any of the Judges, for or against any judgment pronounced in the course of the proceedings out of which the Appeal arises shall by such Judge or Judges be communicated in writing to the Registrar, and shall by him be transmitted to the Registrar of the Privy Council at the same time when the Record is transmitted.

16. Where there are two or more applications for leave to appeal arising out of the same matter, and the Court is of opinion that it would be for the convenience of the Lords of the Judicial Committee and all parties concerned that the Appeals should be consolidated, the Court may direct the Appeals to be consolidated and grant leave to appeal by a single order.

17. An Appellant who has obtained an order granting him conditional leave to appeal may at any time prior to the making of an order granting him final leave to appeal withdraw his Appeal on such terms as to costs and otherwise as the Court may direct.

18. Where an Appellant, having obtained an order granting him conditional leave to appeal, and having complied with the conditions imposed on him by such order, fails thereafter to apply with due diligence to the Court for an order granting him final leave to appeal the Court may, on an application in that behalf made by the Respondent, rescind the order granting conditional leave to appeal, notwithstanding the Appellant's compliance with the conditions imposed by such order, and may give such directions as to the costs of the Appeal and the security entered into by the Appellant as the Court shall think fit, or make such further or other order in the premises as, in the opinion of the Court, the justice of the case requires.

19. On an application for final leave to appeal, the Court may enquire whether notice, or sufficient notice, of the application has been given by the Appellant to all parties concerned, and, if not satisfied as to the notices given, may defer the granting of the final leave to appeal, or may give such other directions in the matter as, in the opinion of the Court, the justice of the case requires.

20. An Appellant who has obtained final leave to appeal shall prosecute his Appeal in accordance with the Rules for the time being regulating the general practice and procedure in Appeals to His Majesty in Council.

21. Where an Appellant, having obtained final leave to appeal, desires, prior to the dispatch of the Record to England, to withdraw his Appeal, the Court may, upon an application in that behalf made by the Appellant, grant him a certificate to the effect that the Appeal has been withdrawn, and the Appeal shall thereupon be deemed, as from the date of such certificate, to stand dismissed without express Order of His Majesty in Council, and the costs of the Appeal and the security entered into by the Appellant shall be dealt with in such manner as the Court may think fit to direct.

22. Where an Appellant, having obtained final leave to appeal, fails to show due diligence in taking all necessary steps for the purpose of procuring the dispatch of the Record to England, the Respondent may, after giving the Appellant due notice of his intended application, apply to the Court for a certificate that the Appeal has not been effectually prosecuted by the Appellant, and if the Court sees fit to grant such a certificate the Appeal shall be deemed, as from the date of such certificate, to stand dismissed for non-prosecution without express Order of His Majesty in Council, and the costs of the Appeal and the security entered into by the Appellant shall be dealt with in such manner as the Court may think fit to direct.

23. Where at any time between the order granting final leave to appeal and the dispatch of the Record to England, the Record becomes defective by reason of the death, or change of status, of a party to the Appeal, the Court may, notwithstanding the order granting final leave to appeal on an application in that behalf made by any person interested, grant a certificate showing who, in the opinion of the Court, is the proper person to be submitted or entered on the Record in place of, or in addition to, the party who has died, or undergone a change of status, and the name of such person shall thereupon be deemed to be so substituted or entered on the Record as aforesaid without express Order of His Majesty in Council.

24. Where the Record subsequently to its dispatch to England becomes defective by reason of the death or change of status, of a party to the Appeal, the Court shall, upon an application in that behalf made by any person interested, cause a certificate to be transmitted to the Registrar of the Privy Council showing who, in the opinion of the Court, is the proper person to be substituted, or entered, on the Record, in place of, or in addition to, the party who has died or undergone a change of status.

25. The case of each party to the Appeal may be printed either in any of the said Protectorates or in England and shall, in either event, be printed in accordance with the Rules set forth in the Schedule hereto, every tenth line thereof being numbered in the margin, and shall be signed by at least one of the Counsel who attends at the hearing of the Appeal, or by the party himself if he conducts his Appeal in person.

26. The case shall consist of paragraphs numbered consecutively and shall state, as concisely as possible, the circumstances out of which the Appeal arises, the contentions to be urged by the party lodging the same, and the reasons of Appeal. Reference by page and line to the relevant portion of the Record as printed shall, as far as practicable, be printed in the margin, and care shall be taken to avoid, as far as possible, the reprinting in the Case of long extracts from the Record. The taxing officer, in taxing the costs of the Appeal, shall, either of his own motion, or at the instance of the opposite party, inquire into any unnecessary prolixity in the Case, and shall disallow the costs occasioned thereby.

27. Where the Judicial Committee directs a party to bear the costs of an Appeal incurred in any of the said Protectorates such costs shall be taxed by the proper officer of the Court in accordance with the rules for the time being regulating taxation in the Court.

28. The Court shall conform with, and execute, any Order which His Majesty in Council may think fit to make on an appeal from a judgment of the Court in like manner as any original judgment of the Court should or might have been executed.

29. Nothing in this Order contained shall be deemed to interfere with the right of His Majesty upon the humble Petition of any person aggrieved by any judgment of the Court, to admit his Appeal therefrom upon such conditions as His Majesty in Council shall think fit to impose.

30. This Order shall commence and have effect on such day as may be fixed by notification in the London Gazette by one of His Majesty's Principal Secretaries of State.

And the Earl of Crewe, K.G., one of His Majesty's Principal Secretaries of State, is to give the necessary directions herein accordingly.

A. W. FITZROY.

### SCHEDULE.

I. Records and Cases in Appeals to His Majesty in Council shall be printed in the form known as Demy Quarto (*i.e.*, 54 ems in length and 42 in width).

II. The size of the paper used shall be such that the sheet, when folded and trimmed, will be 11 inches in height and 8½ inches in width.

III. The type to be used in the text shall be Pica type, but Long Primer shall be used in printing accounts, tabular matter, and notes.

IV. The number of lines in each page of Pica type shall be 47 or thereabouts, and every tenth line shall be numbered in the margin.
