## NOTICE.

### Under the Diseases of Animals Ordinance, 1906

Instructions to Issuers of Permits, published for Genfral Information

### NO CATTLE MAY BE MOVED WITHOUT A PERMIT

CATTLE MOVEMENT WITH REGARD TO EAST COAST FEVER —Issuers of Permits shall not issue permits for the movement of cattle into or within any area other than the area for which they are appointed Issuers of Permits

WITHIN THE BOUNDARIES OF CLEAN AREAS —Movement under permit granted by any issuer

of permits

From a Clean area to a clean area through an infected area —Movement by 121 under

permit granted by the Chief Veterinary Officer

From a clean area to an infected area —Movement under permit granted by Veterinary Officers, Stock Inspectors, and District Commissioners—Cattle entering Nyanza Province or Meru District to be branded with a special brand before leaving the clean area

Within the boundaries of infected areas —Movement under permit gianted by Veterinary Officers, Stock Inspectors and Issuers of Permits, provided no permit shall be issued to allow cattle from the Southern Masar Reserved to enter the Nyanza Province, except by the Chief Veterinary Officer

From an infected area to an infected area through a Clean area — Movement under permit granted by Chief Veterinary Officer, provided all cattle are taken direct by rail

Into Clean areas —

- (a) Movement of adult cattle from the endemic areas of Nyanza Province and Meru under permit granted by Veterinary Officers, Stock Inspectors, District Commissioners of Meru and the Nyanza Province—In the case of cattle from Meru, these cattle must be obtained in the Meru district and be branded by the District Commissioner before leaving
  - All cattle from endemic areas entering clean areas shall be branded with a distinctive brand
- (b) Novement of healthy cattle from infected areas under permit granted by the Chief Veterinary Officer provided an officer can be spared and land is available to put them through a temperature boma in the clean area. The owner to pay all expenses

Immune Oxen—Cattle which have passed the immunising test and which are accompanied by certificates to that effect may move throughout the Protectorate on permit by Veterinary Officers, Stock Inspectors and District Commissioners—The permit form used for these cattle must be a special one issued for the purpose, having the word "IMMUNE" printed in large letters diagonally across the face of the permit

Within the boundaries of the infected areas of Fort Hall, Nyeri, Kyambu, Nairobi and Machakos, and between clean and infected areas, all cattle used for to and fro transport along

a road, shall have passed the immunising test

On leaving the testing bomas immune cattle will have a distinguishing mark placed on them and the owner will be furnished with a certificate. This certificate shall accompany the animal referred to when travelling

### Defined Boundaries

Movement of cattle into clean areas from the East—No cattle except cattle iom Limoiu (which may be taken by fail) or cattle which have passed through the immunising test, or cattle which have been bought in the Meiu district and have been branded by the District Commissioner, Meiu, may cross a line bounded on the North and West by the boundary between Jubaland and Tanaland commencing at Ras Kiamboni (Dick's Head) thence in a North Westerly direction to the Lorian Swamp

Movement of cattle into Linoru area—No cattle except cattle which have passed through the immunising test or adult cattle from Meru or the Nyanza Province of cattle from clean areas (which may be brought by rail) may enter that area of Limora bounded on the North by the Kamiti River, from the North East corner of Farm No 39a (L126) along the Kamiti River towards its source as far as Farm No 81a (L240) then in a Northerly direction along the Eastern boundaries of Farms Nos 81a (L241) and 80a (L241) thence along the Northern boundary of Farm No 80a (L241) thence along the Western boundaries of Farms Nos 80a (L241) and 81a (L240) to the Uganda Railway at Mile 353 On the West by the Uganda Railway line from mile 353 to near mile 340. On the South and East by the Southern boundary of the block of Limoru tarms from the Southern corner of Farm No 3a (L171) to the North East corner of Farm No 39a (L126)

MOVEMENT OF CATTLE WESTWARD, FROM THE SOUTHERN MASAI RESERVE —No cattle except cattle which have passed through the immunising test may proceed westwards from the Southern Masai Reserve except on a permit issued by the Chief Veterinary Officer

From an infected area to an infected area through a clean area —Movement of cattle by permit granted by Chief Veterinary Officer provided all cattle are taken direct by rail

### Movement of stock Generally

CATILIT FROM UGANDA —Cattle shall be accompanied by a certificate from a Veterinary Officer Uganda to the effect that they are drawn from an endemic East Coast Fever area and that they have been inoculated against rinderpest immediately before leaving Uganda By order of the Veterinary Officer, Uganda, cattle will be innoculated at Kampala

Those travelling by road shall proceed with all reasonable speed to Kisumu by such road as the District Commissioner, Mumias, may consider most suitable. On the arrival of the cattle at Kisumu they shall be under the same conditions as Kisumu cattle. Provided cattle travel by steamer from Entebbe or Kampala to Kisumu and thence without delay by rail to a station East of Lumbwa, they must be inoculated once either in Uganda or at Kisumu.

Cattle from Nyanza Province —Shall leave via Fort Ternan or the Amala country Adult cattle travelling by road Eastwards beyond Lumbwa shall be moculated against rinder-pest at a charge Rs 2/- per head for two moculations. The first moculation shall take place at Kisumu, Kibigori, Kericho or Fort Ternan. The second moculation shall take place ten days later at Fort Ternan, after which all cattle showing the first two permanent incisor teeth shall, after being branded with a distinctive brand, be allowed to move to any part of the Protectorate provided they are moved within 14 days after moculation

Cattle of Nyanza Province proceeding East of Lumbwa by rail shall not be entrained within ten days of a single inoculation

Cattle of any age, provided they are inoculated against rinderpest at Kericho, Kibigori, Kisumu or Fort Ternan, can be moved direct into the Southern Masai Reserve through the Trans-Amala country, provided they are moved within 14 days after inoculation

Mumias District -No licences will be issued for cattle trading in the Mumias district

Nandi District.—No licences will be issued for cattle trading in the Nandi District. Cattle purchased at Kapsabit and Kapiet must proceed via Kibigori under the same conditions as other cattle from the Nyanza Province—Transport oxen which are immune to East Coast Fever may move from the Uasin Gishu to Kapsabit

Cattle from the Northern Frontier and Jubaland —Shall cross the Uaso Nyho into Kenia Piovince at the junction of the Engare Ndaie and the Uaso Nyho Rivers, thence direct to near the junction of the Uaso Nyhro and the Uaso Naiok Rivers, where they will be inspected and if considered necessary by the Veterinary Officer they will be inoculated against rinderpest at a charge of Rs 2/- per head for two inoculations

(Before allival at the Uaso Nyllo, post notice must be given to the District Commissioners, Nyerl and Rumuluti, giving the probable date of arrival at the junction of the Uaso Nylro and the Uaso Nalok Rivers )

They shall then proceed up the Uaso Narok to the observation camp near Rumuruti If necessary they shall be inoculated against rinderpest before leaving the observation camp or at Rumuruti When released they will be under the same conditions as cattle in the East Coast Fever clean areas

Movement under permit will be allowed in and between the Southern Masar Reserve and the districts of Kyambu, Nairobi. Fort Hall, Embu, Meru, Kitui, Machakos and part of Nyeri district and the Provinces of Seyidie and Tanaland

Sheep and Goats from the Northern Frontier District and Jubaland —Shall enter Naivasha Province via Rumuruti where they shall be dipped

Shefp and Goats —Moving from West to East of Nakuru shall be dipped at Nakuru

Sheep and Goats —Moving Westwards through Naivasha shall be dipped at Naivasha

TRANSPORT CAMELS FROM JUBALAND AND THE NORTHERN FRONTIER DISTRICT —Such as do not show evidence of surra may proceed via Rumuruti as far as Gilgil They shall not remain at Gilgil longer than 7 days

Horses from the Northern Frontier District and Jubaland —Shall enter via Rumuruti or Nyeri where they shall be inspected and tested with Mallein at one of those places

b) over 20 miles, three calendar months f and Sundays

### Return Tickets for Passengers Travelling Over-sea

1 Persons purchasing return tickets (ordinary or concession, but not excursion) from Stations not less than 100 miles from Mombasa or Kilindini, or from Lake Ports, with the object of proceeding over-sea to Europe, India and South Africa (Chinde and Ports South thereof) are allowed eight months within which to complete the return journey, provided, however, that prior to commencing the return journey by rail they present at the Booking Office a certificate from the Steamship Company on whose Ships they travelled to the effect that they have actually just completed a voyage from the Countries above set forth

Persons visiting East Africa from Europe, India and South Africa, (Chinde and Ports South thereof) purchasing return tickets (ordinary or concession but not excursion) at Mombasa or Kilindini, for Stations distance 100 miles or over therefrom are allowed eight months to complete the return journey, provided, however, they produce a certificate from the Steamship Company by whose Ships they have travelled to the effect that they have come from the

Countries above set forth and hold return tickets thereto

### Extension of Availability of Tickets

Ordinary single tickets which may be out of date on account of the journey having been broken en route may under special circumstances be extended to enable the journey to be completed, provided application for such extension is made to the Traffic Manager before the journey is resumed

Ordinary return tickets which may be out of date, and which have been used on the forward journey only, may on application to the Traffic Manager have the availability extended for a period not exceed 12 months from date of issue, on payment of the difference between return and single fares between Stations for which the return ticket was originally issued

#### General

1 No consideration will be accorded under these rules on tickets which have been issued over a period of 12 months

These rules do not affect the period of availability of Coupon Tourist Tickets issued under special arrangement by the Administration's authorised over-sea Agents, or of excursion or other similar tickets which are subject to the special regulations notified by Public Poster, in the Press or in Notices issued at Railway Stations

Traffic Manager's Office, Nanobi, 3rd March, 1912 By Order,

A E CRUICKSHANK,

Traffic Manager

## UGANDA RAILWAY

### Easter Holidays.
