OBITUARY.

His Excellency deeply regrets to announce the death of the Hon Harry Augustus Frederick Currie, c M c, Manager of the Uganda Railway and Member of the Executive and

Legislative Councils, which took place at Leeds on Tuesday 2nd July

The sad event, of which no details have yet been received, deprives the Protectorate of one of its most gifted and distinguished officers, whose exceptional capacity and unremitting industry have been largely instrumental in promoting the success of the important Department, which he administered for close on nine years. His talents were of the highest order and his loss to the service is wellnigh irreparable.

In private life his absolute sincerity of purpose and his great generosity both in public and private matters endeared him to everyone and his death will be deeply mourned by all classes of the community. The various charitable institutions which he was always ready to assist with advice or with more substantial aid will find his place almost impossible to fill

In him has passed away a truly conscientious official, an open handed and public spirited

citizen, and a deeply loved friend
