The term “Native” means a Native of Africa, not being of European or Asiatic race or origin, and includes a Somali,

The term “produce” means agricultural produce and includes ostrich feathers,

The term “stock” means the male, female, or young or cross of an animal of any of the following kinds —horse, ass, kine, sheep, goat, swine or domesticated ostrich, and

The term “theft” includes every offence punishable under any of the sections following of the Indian Penal Code, and includes also an attempt to commit, and an abetment of, any such offences —

3 Whenever any Court shall convict any Native of the theft of stock or produce the Court shall, in addition to or in lieu of imposing any other punishment authorised by law, sentence the Native convicted to pay a fine which shall in no case be less than ten times the value of the stock or produce in respect of which the offence has been committed. Provided, however, when two or more Natives tried jointly are convicted of such offence as aforesaid, the Court shall sentence each Native convicted to pay a fine of such amount as the Court may deem proper, provided that the total fine payable by all the convicted Natives shall not be less than ten times the value of the stock or produce in respect of which the offence has been committed. And provided further no animal shall be valued for the purposes of this section at a higher value than 300 rupees

Minimum fine to be imposed on Natives convicted of theft of stock or produce

4 Whenever any Native shall be convicted of the theft of stock or produce and shall be sentenced to pay a fine the Court passing sentence shall, unless the amount of the fine shall be forthwith paid, issue a warrant for the levy of the amount of the fine by distress and sale of any moveable property of the offender or of the offender's family, sub-tribe or tribe or of any member of the offender's family, sub-tribe or tribe

Where warrant may be executed

6 (1) Whenever a warrant shall have been issued under Section 4, and no or insufficient moveable property of the offender shall be found to satisfy the fine, the warrant shall, subject to the provisions of sub-section (2) of this section, be executed against the moveable property, (1) of any member or members of the offender's family, (2) of any member or members of the sub-tribe to which the offender belongs, (3) of any member or members of the tribe to which the offender belongs, in the order set out above, until the amount of the fine is levied

A Provincial Commissioner shall, before endorsing any such warrant, satisfy himself that the circumstances of or in connection with the offence of which the offender has been convicted are such as to justify the levying of the fine or the balance of the fine, as the case may be, by the distress and sale of the property of the offender's family, sub-tribe or tribe, and a Provincial Commissioner may, if he should think fit, call upon the head of the family or the Headman or Headmen of the sub-tribe or tribe to show cause why the warrant should not be executed, or may hold such other enquiry as he may think proper

GENERAL NOTICE No 390]

UGANDA RAILWAY.**Steam Coal.**

Tenders are requested for the supply of good quality Natal or Transvaal steam Coal for use on the Uganda Railway

Consignments may be in quantities of —

Shipments of 3000 to 4000 tons of which there shall not be more than one shipment in any one month

Shipments of 1000 tons, of which there shall not be more than one shipment in any one fortnight

Shipments of 500 tons of which there shall not be more than one shipment in any one week

Delivery must be effected from lighters beached at a place to be appointed near the Kilindini Pier works

If possible delivery may also be made from lighters laying alongside Kilindini Pier

2 The Coal must be stacked at the places appointed, or loaded into trucks as the General Manager may consider to be most expedient

3 In the case of delivery alongside Kilindini Pier the Coal would have to be loaded into wagons

4 The total quantity that would be required will not exceed 10,000 tons under this Tender

5 Tenders should give alternative rates for the different methods of shipment and delivery, and must be the inclusive rate per ton for such delivery

6 Payment will be made either by actual weight as per wagons passed over the weigh-bridge, or by a method or measurement to be subsequently agreed upon

7 Tenders (which should be sealed) will be received up to noon, 28th July, 1913, and must give full information as to the quality and source of the Coal, and the proposed timing of Shipments under each system of delivery, and the time when the first delivery would be made

8 The Manager does not bind himself to accept each or any tender, neither does he bind himself to contract for the full quantity of 10,000 tons that are asked for in this Notice

Nairobi,

Dated May 28th, 1913

H B TAYLOR,

General Manager

GENERAL NOTICE No 391]

UGANDA RAILWAY.**Steam Coal**

Firms submitting tenders for the supply of Coal to the Uganda Railway are hereby advised that owing to the great difficulty experienced in handling consignments of Coal with cranes at the Wharf at Kilindini it has been decided to beach the lighters and discharge by hand, but in the event of any portion or the whole of a consignment being discharged by cranes the usual craneage charges will be levied

2 The coal will have to be stacked where convenient, say 20 to 30 yards from the fore-shore in stacks 200 to 300 feet long, 30 to 40 feet wide and 7 to 8 feet high

3 Bill of Lading weight will be accepted if certified by a Government Official at the Port of Embarkation
