THE INVENTIONS, DESIGNS AND TRADE MARKS (TEMPORARY RULES) ORDINANCE, 1915.

RULES

IN EXERCISE of the powers conferred upon him by the provisions of the Inventions, Designs and Trade Marks (Temporary Rules) Ordinance, 1915, His Excellency the Governor has been pleased to make the following Rules —

PATENTS

1 The Governor may, on the application of any person, and subject to such terms and conditions, if any, as he may think fit, order the avoidance or suspension of any Invention or Letters Patent or of all or any rights conferred by Letters Patent or the registration of any invention, the person entitled to the benefit whereof is a subject of any State at war with His Majesty within the meaning of section 4 of the Inventions, Designs and Trade Marks (Temporary Rules) Ordinance, 1915, or is a person resident and carrying on business in the territory of a State at war with His Majesty, and the Governor, before granting any such application, may require to be satisfied on the following heads —

- (a) That the person entitled to the benefit of any invention or letters patent is a subject of a State at war with His Majesty, or is a person resident and carrying on business in the territory of a State at war with His Majesty, as aforesaid,
- (b) That the person applying intends to manufacture, or cause to be manufactured, the invented or patented article, or to carry on, or cause to be carried on, the invented or patented process
- (c) That it is in the general interests of the country, or of a section of the community, or of a trade, that such article should be manufactured or such process carried on as aforesaid

The fee to be paid on any such application shall be that specified in the First Schedule to these Rules, and an application under this rule must be made in the form contained in the Second Schedule to these rules

The Governor may, at any time, in his absolute discretion, revoke any avoidance or suspension ordered under this rule

Upon application under this rule the Governor may take into consideration proceedings that have been commenced or decided for such purpose in the United Kingdom, and a certificate purporting to be issued by the Board of Trade or the Comptroller of Patents shall be sufficient evidence thereof until the contrary be proved

For the purpose of exercising in any case the powers of avoidance or suspension under this rule the Governor may appoint such person or persons as he shall think fit as a Tribunal to hold an enquiry and the Registrar of Patents and Designs for the time being shall be one of such persons and he shall preside over the Tribunal and have power to frame rules, with the Governor's approval, as to procedure, mode of application, fees, hearing, evidence on oath, right of audience, and the summoning of witnesses in respect of such enquiry

Any application to the Governor for avoidance or suspension under this rule may be referred for hearing and enquiry to the Tribunal, the members of which shall report to the Governor

Provided always that the Governor may, at any time, if in his absolute discretion, he deems it expedient in the public interest, order the avoidance or suspension under this rule upon such terms and conditions, if any, as he may think fit

2 The Registrar of Patents and Designs may, at any time during the continuance of these rules, avoid or suspend any proceedings on any application made under the Patents and Designs Ordinance, 1913, by a subject of any State at war with His Majesty or a person resident and carrying on business in the territory of a State at war with His Majesty, as aforesaid, and for this purpose may issue rules of procedure to be followed by him in this respect

3 The Registrar of Patents and Designs may also at any time during the continuance of these rules extend the time prescribed by the Indian Inventions and Designs Act, 1888, as applied to East Africa by Order of Secretary of State, No 1 of 1901, notified 11th February, 1901, or any rules made thereunder, or by any provisions amending or substituted therefor, for doing any act or filing any document, upon such terms and conditions as he may think fit in the following cases, namely:—

- (a) Where it is shewn to his satisfaction that the applicant, inventor, proprietor or holder, as the case may be, was prevented from doing the said act, or filing the said document, by reason of active service or enforced absence from this country, or any other circumstances arising from the present State of war, which, in the opinion of the Registrar of Patents and Designs, would justify such extension.
- (b) Where the doing of any act would, by reason of the circumstances arising from the present State of war, be prejudicial or injurious to the rights or interests of any applicant, inventor, proprietor or holder as aforesaid.
- (c) Where the doing of such act would by reason of the present State of war be prejudicial to the public interest.

And for this purpose the Registrar of Patents and Designs may issue rules of procedure to be followed by him in this respect.

4 The term "person" used in these rules, shall, in addition to the meaning given thereto by section 2 (23) of the Interpretation and General Clauses Ordinance, 1912, include any Government Department.

5 All things required or authorized to be done by or before the Governor may be done by or before the Chief Secretary, or any person authorized in that behalf by the Governor or Chief Secretary.

All documents purporting to be orders made by the Governor and to be sealed with the seal of the Governor or to be signed by the Chief Secretary or by any person authorized in that behalf by the Governor or Chief Secretary shall be received in evidence and shall be deemed to be such orders without further proof unless the contrary is shewn.

6 These rules may be cited as "The Patents and Designs (Temporary) Rules, 1917," and shall operate from the date of publication in the *Official Gazette*.

OBITUARY.

HIS EXCELLENCY the Governor announces with deep regret the death of Captain G A S MURE, Assistant District Commissioner, killed in action in German East Africa on the 3rd of January 1917

Captain Mure joined the Protectorate service in April, 1909, and had already made a name for himself by his capable handling of the Somali tribes in Jubaland. On the outbreak of war he applied for permission to join the forces but it was not until November, 1915, that arrangements could be made to release him. He was then granted a Commission in the Carrier Corps, and two months later was given the command of the Arab Rifles in succession to the late Major A J B Wavell, M C. He served with his unit in Jubaland until December, 1916, when it was transferred to German East Africa.

Captain Mure was an officer whose career was full of promise. Of a quiet and unassuming disposition he possessed in a marked degree a sense of duty, energy, and singleness of purpose. He was universally popular, and has left behind him many friends who deeply mourn his loss.
