GENERAL NOTICE No 565]

IMPORTATION OF COFFEE INTO THE UNITED KINGDOM.

WITH reference to the embargo placed on the importation of Coffee into the United Kingdom, and to the shipping restrictions which have been imposed, the Acting Governor has been informed by the Secretary of State for the Colonies that the Board of Trade now agree that all East Africa Protectorate and Uganda Coffee which had left the estates on February 23rd *en route* for port of shipment may be admitted into the United Kingdom without limitation of amount, and also that, if in the case of any exporter this does not represent 50 per cent of his export in the previous year, a licence may be granted for importation up to that amount. These concessions are, however, on the understanding that the total amount concerned will not be much in excess of 3,000 tons.

Applications from planters who are now producing Coffee for export for the first time will be considered, but no undertaking will be given that they can be granted in full.

These arrangements have been communicated to the local shipping companies.

The Secretary of State has not yet succeeded in obtaining definite arrangements as to the shipment of Coffee, which must be subordinated to that of commodities required in the United Kingdom, but the Shipping Controller will make every effort to move East Africa Protectorate and Uganda Coffee without promising steady or permanent supply of space.
