EAST AFRICA PROTECTORATE.

GOVERNMENT NOTICE No 245]

THE EAST AFRICA TOWNSHIPS ORDINANCE, 1903

RULES

IN EXERCISE of the powers conferred upon him by the East Africa Townships Ordinance, 1903, His Excellency the Acting Governor has been pleased to make the following Rules —

1 These Rules shall apply to the Township of Nairobi and shall be read together with the Nairobi Township Rules of 1917, (hereinafter called the Principal Rules), and may be cited as 'The Nairobi Township (Inflammable Erection) Rules, 1918'

2 If in the opinion of the Town Clerk any native hut or any shed or banda constructed of or covered wholly or partly with combustible materials and situated in any part thereof less than 4 feet from any part of any domestic building or building of the warehouse class, is a cause of danger by its proximity to such building the Town Clerk may serve a notice on the owner or occupier of such hut shed or banda calling on him to remove or destroy the same within the time specified in such notice, and if the owner or occupier fails to comply with any of the terms of the said notice he shall be guilty of an offence and the Municipal Committee may then undertake such removal or destruction, the cost of which shall be borne by the said owner or occupier in addition to any fine or imprisonment that may have been imposed

3 Any person guilty of an offence against these Rules shall be liable on conviction to the penalties prescribed in the principal Rules

By command of His Excellency the Acting Governor

GENERAL NOTICE No 831]

PUBLIC NOTICE.

OF AN

Application to be made for licences to authorize the generation and supply of Electrical Energy in Fort Hall and Thika Districts and to authorize the construction of a Generation Station

NOTICE is hereby given to all whom it may concern that on the 21st day of October, 1918, we, Swift Rutherford & Coy, Limited, of Punda Mahia in the district of Fort Hall, Planters, will make application to His Excellency the Governor in Council, for Licences to distribute or supply Electrical Energy for public or private purposes, in the areas hereafter described, and for a Licence to construct a Generating Station, and to Generate Electrical Energy, for the purposes of the first mentioned licences. The said purposes include the supplies required for industrial operations and such other supplies as may be required.

The areas within which it is proposed that these supplies of Electrical Energy shall be delivered comprise the Farms numbered 54, 3-8 Saba-Saba allotment, 34, 36, 37, 39, 40-1, 39-3, 43, 41, 42, 44, 39, 47, 48, 14, 61 and 58.

The routes on which it is proposed, subject to the provisions of the Electric Supply Line Ordinance, 1914, to instal Electric Supply Lines, are from the proposed Generating Station, situated as hereafter described, to farm No 42 of Messrs Kabuku Ltd, passing through Farms Nos 39, 40, 41, 37, 54 and 3-8 Saba Saba, and there to connect with the Electric Supply Lines from the Generating Station on the Thika River of Messrs Thika Sisal Coy, Ltd. From these principal or trunk Electric Supply Lines, branches will be installed on the approved shortest routes to the Farms Nos 34, 36, 39 3, 43, 42, 44, 39, 47, 48, 14, 61 and 58 respectively. If desired and duly authorized, Electric Supply Lines will be installed to give such other supplies as may be required, to the capacity of the licence granted to us. The installation of these Electric Supply Lines to be completed within six months of the delivery of the necessary materials.

Copies of the drafts of the Licences being applied for, and of the Licences when granted, will be deposited at the Office in Nairobi, of Messrs Gill & Johnson, and at the offices in the areas of supply of Messrs Swift Rutherford & Co, Ltd respectively. The land on which the Generating Station is proposed to be erected and constructed is the steeply sloping bank of the Maragua River at and adjacent to the site known as Bonsors Falls about one mile below the Nairobi-Fort Hall road bridge, and is partly in our occupation and partly in the Native Reserve. The power will be developed by means of water turbines connected to Electric Generators.

The Works of every description will be of types and be carried out in accordance with the Standards and Specifications of the Engineering Standards Committee of Great Britain, specified by the Governor in Council, or failing such a Standard or Specification on any matter, of a type and carried out in a manner as approved by the Governor in Council in granting the Licences. The machinery will be operated continuously or as may be necessary.

Machinery of a description similar to that proposed to be installed may be seen at the said works of Messrs Thika Sisal Co, Ltd, and at the Maragua River works of Messrs Sisal Ltd, and is also installed in Generating Stations for public and private supply, in England, America, and other places.

Any authority, company, person, or body of persons, desirous of making any representation on or objection to the application or to the grant of the Licences, or with respect to the proposed works, should do so by letter, addressed to the Governor in Council on or before the expiration of sixty days from the date of the application being made.

For the further information of the public, we have to state that having made ourselves acquainted with the provisions of the proposed legislation now before the Honourable Legislative Council we will undertake to accept the Licences being applied for, subject to these provisions or such legislation as may be enacted.
