COLONIAL NURSING ASSOCIATION.**NOTICE**

THE following appeal for subscriptions to the Colonial Nursing Association is published for general information. The Managers of the National Bank of India Ltd, Nairobi, the Standard Bank of South Africa Ltd, Nairobi, and the National Bank of South Africa Ltd, Nairobi, have intimated that they will be pleased to open subscription lists for the above purpose —

CIRCULAR

DOWNING STREET,

3rd May, 1918

Sir,

At the request of the Executive Committee of the Colonial Nursing Association, I have the honour to enclose a letter which has been addressed to you by the Vice-President, on the subject of the appeal for subscriptions which the Association is making in the Colonies and Protectorates

2 You are aware of the valuable services rendered by the Association in connection with the engagement and maintenance of nurses throughout the Empire. Sir F M Hodgson's letter explains the need which exists for increased funds if the work of the Association is to be maintained and developed to meet the demand which undoubtedly exists for the services of trained nurses for both Government and private work

3 I shall be glad if you will take such steps as you may find possible to bring the appeal to the notice of the public

I have the honour to be,

Sir,

Your most obedient humble servant,

WALTER H LONG

The Officer Administering the Government

of the East Africa Protectorate

[Enclosure in Circular despatch of 3rd May, 1918]

THE COLONIAL NURSING ASSOCIATION,

IMPERIAL INSTITUTE, S W 7

16th April, 1918

Sir,

At the request of the Executive Committee of the Colonial Nursing Association, which is the Association employed by the Colonial Office in the work of selecting and sending out nurses for service in the Colonies of the British Empire, and which also engages and supplies nurses to other places where English Communities exist, and have applied for them, I have the honour to express the hope that your Excellency will do them the favour of bringing the claims of the Association for financial support to the notice of the members of the community in the East Africa Protectorate

The War has had the effect of lessening the annual subscriptions to the funds of the Association, on the maintenance of which the usefulness of the Association, and the extension of the area of its work so much depends. The Executive Committee trust that an appeal, in those Colonies and Protectorates in which nurses sent out by the Association are now serving and doing useful and efficient work, will be the means of eliciting either subscriptions or donations, and they trust that your Excellency will find it possible to assist them by making known the appeal, both through the Press and otherwise

The Association has been in existence for 23 years, and during that period has been instrumental in supplying Government and private nurses to all parts of the Empire, and to other places. The Executive Committee wish to be in a position not only to maintain efficiently its existing work, but, after the War, to meet the increased demand which will undoubtedly be made upon it. They desire also to find themselves able to arrange with some approved Assurance Company for the provision of retiring annuities to nurses, who have served long and faithfully in places where such allowances are not at present locally granted

The funds of the Association, it may be stated, are mainly used for passages, advances and other expenses to nurses, for outfits in certain cases, for grants-in-aid to local Associations towards the expenses of maintaining nursing arrangements, and for gratuities to nurses who, while in England, may be in ill-health, and without sufficient means of their own

I am to express the hope of the Executive Committee that your Excellency will assist them in this matter

I have the honour to be,

Sir,

Your Excellency's obedient servant,

F M HODGSON,

Vice-President, C N A

of the East Africa Protectorate
