GOVERNMENT NOTICE No. 366]

**EUROPEAN WAR.**

THE following message from the Secretary of State for the Colonies is published for general information —

November 16th—On the cessation of hostilities I desire on behalf of His Majesty's Government to convey to the Government and people of the East Africa Protectorate a message of cordial congratulation on the honourable part which the Protectorate has taken in the great contest. By its contributions of troops and carriers for the operations in German East Africa, by the unswerving loyalty which all sections of the community have displayed throughout, and by the unstinted manner in which all its resources have been placed at the disposal of the State, the East Africa Protectorate has materially assisted in bringing the long and arduous struggle to a victorious close.
