#### An Ordinance to Amend the Law relating to Divorce and Matrimonial Causes in the cases of Mohammedan Marriages and relating to Intestate Succession in certain cases

1 This Ordinance may be cited as The Mohammedan Short title  
Marriage Divorce and Succession Ordinance, 1920 '

2 In this Ordinance the following expressions shall, unless Interpretation  
the context otherwise requires, have the following meanings —

5 The expression ' Mohammedan marriage ' means any marriage  
contracted in accordance with, and recognised as valid by Moham-  
medan law

The expression ' Matrimonial cause or suit ' means all causes  
or suits relative to the validity of a marriage according to Moham-  
10 median law and all causes and suits relative to or claiming any  
species of relief, whether by way of divorce or otherwise, in respect  
of Mohammedan marriages, recognised or given by Mohammedan  
law

3 (1) From and after the coming into operation of this Mohammedan law  
15 Ordinance Mohammedan marriages whether contracted prior or relation to marriage  
subsequently to the commencement of this Ordinance shall be and divorce to apply  
deemed to be valid marriages throughout the Colony of Kenya and  
the East Africa Protectorate and the parties thereto shall subject  
to the provisions of this Ordinance be entitled to any relief by way  
20 of divorce or otherwise which can be had granted, or obtained  
according to Mohammedan law and such law shall apply  
accordingly

(2) From and after the commencement of this Ordinance the Jurisdiction of the High  
25 High Court and every Judge thereof shall, subject to the provisos Court in all matrimonial  
hereinafter contained and to the other provisions of this Ordinance causes or suits in respect  
and any Rules issued thereunder, have jurisdiction to hear and of Mohammedan  
determine all matrimonial causes and suits arising out of Moham marriages  
median marriages wherever contracted at the suit of either party  
to such marriages, whether such marriages shall have been con-  
30 tracted either prior or subsequently to the commencement of this  
Ordinance Provided always the High Court shall not exercise  
any such jurisdiction as is hereby conferred unless both parties  
to the marriage are domiciled in the Colony of Kenya and the  
East Africa Protectorate at the time of the institution of such  
35 matrimonial cause or suit as aforesaid

(3) In all such matrimonial causes or suits as are mentioned  
in sub section (1) hereof, the High Court shall exercise its jurisdic-  
tion and act and give relief upon the principles of Mohammedan  
law applicable to the same respectively and not otherwise

40 (4) In any such matrimonial causes or suits as aforesaid the  
onus of proof of the principles of Mohammedan law shall be on the  
parties alleging the same respectively

(5) Provided that nothing herein contained shall bridge pre-  
judice or in anywise affect the jurisdiction of any Court of Qadi  
as by law established

Distribution of the property of a party to a Mohammedan marriage, or of the issue thereof, dying after the commencement of this Ordinance

4 Where any person contracts a marriage or, being a male, contracts marriages, in accordance with Mohammedan law, whether such marriage or marriages shall have been contracted either prior or subsequently to the commencement of this Ordinance, and such person dies after the commencement of this Ordinance and where the issue of any such marriage or marriages dies after the commencement of this Ordinance the law of succession applicable to the property both movable and immovable of any such person shall be in accordance with the principles of Mohammedan law, any provision of any Ordinance or rule of law to the contrary notwithstanding. Provided that where in any sect of Mohammedans to which the deceased belonged the law of succession differs from the ordinary law of succession in accordance with the ordinary principles of Mohammedan law then the law of succession applicable to such sect shall apply

Power of Chief Justice to make Rules of Court

5 The Chief Justice shall have power to make Rules of Court for the better carrying of the provisions of this Ordinance into effect, and, in particular, for regulating the exercise of the jurisdiction by this Ordinance conferred assimilating, if he shall deem fit, as far as may be, the existing practice under the Divorce Ordinance, 1904, to all or any of the matrimonial causes or suits under this Ordinance

## GOVERNMENT NOTICE No 268

## THE INDIAN PETROLEUM ACT 1899

## RULES

IN EXERCISE of the powers conferred upon him by the Indian Petroleum Act, 1899 as applied to the Protectorate, His Excellency the Governor in Council has been pleased to make the following Rules —

*Short title*

1 These Rules may be cited as 'The Petroleum Import Rules 1920'

*Interpretation*

2 In these Rules—

*The Act*

(1) The Act means the Indian Petroleum Act, 1899, as applied to the Protectorate

*Petroleum declared dangerous*

(2) Petroleum declared dangerous'' means petroleum which the master of a ship has declared under Rule 5 to be dangerous petroleum

*Certificated petroleum*

(3) 'Certificated petroleum'' means petroleum certified to be non-dangerous petroleum by a certificate of such description as the Governor in Council, from time to time, may prescribe, has been granted, at the port of shipment,

*Uncertificated petroleum*

(4) 'Uncertificated petroleum' means petroleum which is neither petroleum declared dangerous nor certificated petroleum,

*Petroleum reported dangerous  
and petroleum reported not  
dangerous*

(5) 'Petroleum reported dangerous' and 'petroleum reported not dangerous' mean petroleum which the Testing Officer has certified in a report under Rule 22 to be, respectively, dangerous or not dangerous,

*Chief Customs Officer*

(6) "The Chief Customs Officer" means the Chief Executive Officer of Customs for any port to which these rules apply,

*Testing Officer*

(7) 'The Testing Officer' means the Testing Officer appointed by the Governor-in-Council under Section 10 of the Act and

*Words and expression defined  
in the Petroleum Act*

(8) Words and expressions defined in the Act have the same meanings as in the Act

*Importation from Foreign  
Ports*

3 Petroleum from any port beyond the limits of the Protectorate may be imported at any port of the Protectorate approved by the Governor for the purpose

*Petroleum from Ports in the  
Protectorate*

4 Petroleum from any port in the Protectorate approved in Rule 3 may be imported into any other port of the Protectorate subject as to dangerous petroleum to the provisions of Sections 5 and 6 of the Act

Provided as follows, namely,—

(a) If such petroleum be dangerous petroleum it shall be subject to the provisions of Sections 5 and 6 of the Act

(b) If such petroleum be not dangerous it must have been so certified at the port of shipment by an authorised authority or by a Testing Officer appointed by the Governor under Section 10 of the Act and the words "not dangerous" must be noted on the shipping bill and on the export manifest

*Declaration to be made  
by Master of ship carrying  
Petroleum or by ship's  
Agent*

5 Except as is hereinafter otherwise provided the master of every ship, carrying petroleum, shall deliver to the Port Captain or where there is no Port Captain, to the Chief Customs Officer, on entering the port, a written declaration under his signature stating —

(a) What quantity of petroleum the ship is carrying,

(b) Whether any, and if so, what part of it is dangerous petroleum,

(c) Whether any, and if so, what part of it is certificated petroleum, and

(d) Whether any, and if so, what part of it is oil intended exclusively for lubricating purposes and having a flashing point above 150 degrees of Fahrenheit's thermometer,

Provided that if, in anticipation of a ship's arrival, the agent of such ship delivers to the Port Captain a written declaration as aforesaid under his signature, no such declaration shall be necessary by the master of the ship

If the master or agent declares that any petroleum is certificated petroleum, he shall deliver to the Port Captain, along with his declaration, the certificate relating to such petroleum

Every such certificate and declaration delivered and all certificates to the Port Captain shall, with as convenient despatch be forwarded by him to the Chief or other proper officer of Customs

*When a ship carrying  
petroleum may anchor  
at ordinary anchorage*

6 A ship may proceed to the usual anchorage in the port and there discharge the petroleum

(a) If it is petroleum which has been certified not to be dangerous under Section 10 of the Act, and is a part or general cargo, and the quantity does not exceed five thousand gallons,

(b) Or, if it is certificated petroleum not exceeding five thousand gallons in quantity, and the master produces the certificate to the Port office,

(c) Or, if it is petroleum which is ordinarily used for lubricating purposes and which has a flashing point above 150 degrees of Fahrenheit's thermometer,

Provided that the officer whose duty it is under Rule 20 to select samples of petroleum on board may if instructed to do so at any time take a sample of any such petroleum or oil for the purpose of having it tested

*When a ship carrying  
petroleum must anchor  
at a special anchorage*

7 Every other ship having petroleum on board shall be anchored at such anchorage as the Port Captain shall appoint in this behalf, and shall not leave such anchorage until such petroleum has been discharged

*Petroleum only to be  
landed at appointed  
landing places*

8 Petroleum shall be landed only at such landing places as shall be prescribed by the Chief of Customs

*Petroleum referred to in  
Rule 7 not to be landed  
until it has been tested*

9 Except as is otherwise provided in Rules 10 and 11, no petroleum on board any ship referred to in Rule 7 shall be landed until the Testing Officer's report in respect thereof has been received in the office of the Chief of Customs, should it be deemed necessary to test the consignment

*Exception in respect of  
petroleum declared dangerous  
which is not in excess of forty  
gallons or is covered by an  
Import Licence*

10 (a) If the quantity of petroleum declared dangerous on board a ship does not exceed forty gallons and there is no other petroleum on board or the aggregate quantity of petroleum on board, including petroleum declared dangerous, does not exceed forty gallons the said petroleum may be forthwith landed

(b) If the quantity of petroleum declared dangerous exceeds forty gallons or if it does not exceed forty gallons but the aggregate quantity of petroleum on board exceeds the amount, the whole or any portion thereof may be at once landed, if the whole amount of the petroleum on board is covered by an import licence under Section 5 of the Act provided that dangerous petroleum so imported shall be stored only in such premises as fulfil the conditions specified in Rule 4 of the Petroleum Possession and Transport Rules, 1920

*Exception in respect of  
certificated petroleum  
exceeding five thousand  
gallons*

11 The Chief or other proper officer of Customs may, if it has been deemed necessary to call for Testing Officer's report, allow the consignee of any certificated petroleum exceeding five thousand gallons in quantity to discharge the same into boats or to land it before such report has been received

Such permission shall be subject to the condition that the boats into which the petroleum is discharged shall remain at such place as may be directed by the Chief or other proper officer of Customs, or that the petroleum shall be landed at a landing place prescribed under Rule 8, and be stored in a public warehouse built according to any Rules in force for the storage of petroleum and set apart for the storage of certificated petroleum which has been reported not dangerous, or within such limits as may be approved for purpose by the Chief of Customs

Before removal to such warehouse the petroleum must be entered inwards and duty paid under the Customs Ordinance

*Testing Officer's report to  
be final as to the nature  
of the petroleum tested*

12 If it has been deemed necessary to call for a Testing Officer's report the petroleum to which the same relates shall be deemed to be dangerous or not dangerous in accordance with the said report, and any petroleum reported dangerous which has not been so declared shall at once be subject to the provisions relating to dangerous petroleum

*Landing of petroleum  
reported not  
dangerous*

13 Petroleum reported not dangerous may be landed forthwith

*Dangerous petroleum in  
excess of forty gallons*

14 If the petroleum reported dangerous together with the petroleum declared dangerous if any, exceeds forty gallons in quantity and the same has not been already landed under the provisions of Rule 10 (b) no part of it shall be landed without production of an Import Licence under Section 5 of the Act covering the whole amount thereof

*Import Licences how  
obtainable*

15 Applications for import licences under the said section shall be submitted to the Chief of Customs

If the application is granted a licence signed by the Chief of Customs will be forwarded to the applicant

*Petroleum to be landed, etc.,  
only in the day time*

16 Petroleum shall not be discharged, landed or transhipped at any time between sunset and sunrise Provided that in cases of urgency and where electric light is exclusively used night working may be permitted by the Chief of Customs under such conditions as he may specify in writing

*Smoking and fire, etc., on  
Cargo-boats prohibited*

17 Smoking or the use of any fire or light on any boat which is being used for landing or transhipping, petroleum, or inside any installation or storage shed is prohibited

*Petroleum not to be  
stacked on or near  
landing places*

18 (1) Petroleum shall not be stacked on or near any landing place, but shall be removed with the least possible delay to its proper destination

All operations within installation or storage shed shall be conducted under the control of a responsible supervisor or agent

The ground in the interior of an installation shall be kept clean and free from goods of a combustible nature, vegetation or rubbish

A supply of sand or dry earth shall always be kept in an installation for the purpose of extinguishing fire

2 When petroleum is imported in bulk its removal shall be effected between sunrise and sunset, either directly from the ship to the shore, by means of a hose or wrought-iron pipe, or in barges duly certified as under Rule 13 (b) of the Petroleum Possession and Transport Rules, 1920

Petroleum so landed unless in portable tanks, or in portable receptacles, shall be pumped into storage tanks, and when the ship or barge has finished discharging, the pipes shall immediately be emptied by means of a supplementary pump on shore. Provided that if the ship or barge has not finished discharging at sunset, arrangements shall be made by means of a valve for preventing the escape of any of the oil left in the pipe. And provided that in cases where of urgency and electric light is exclusively used the Chief of Customs may permit the removal of petroleum in bulk during such other hours and under such conditions as he may specify in writing

19 Any Police Officer may enter any boat or premises used for the storage of petroleum in order to see that the conditions of Rules 16, 17 and 18 are being duly complied with and in general it shall be the duty of all Police Officers to see that the foregoing regulations are duly enforced

*Transshipment of  
petroleum*

20 Subject to the conditions of Rules 16 and 17, the transshipment of certificated petroleum or of petroleum which has been certified not to be dangerous under Section 10 of the Act, for any other port shall not be subject to any restriction other than that imposed by any rules under the Customs Ordinance

*Selection of  
samples*

21 When a ship is brought to anchor at the anchorage appointed under Rule, 7, any Customs Officer acting under the orders of the Chief of Customs may proceed on board and select, samples of every variety of petroleum other than petroleum declared dangerous

*Delivery of samples  
by Master*

The Master shall deliver to the said officer without charge such samples as he shall select

The said officer shall forthwith seal each sample so obtained and affix to each the name of the ship, the name of the consignee of the petroleum and such other particulars or distinguishing marks as he thinks fit, and forward them to the Testing Officer for report

*Number of samples to  
be selected*

22 The number of samples to be selected of each brand or quality contained in the cargo shall be as follows —

## (1) CERTIFICATED PETROLEUM

(a) *In cases*

One sample of every 15,000 cases, or fraction of 15,000 cases

(b) (1) *In bulk or in tanks, or*(2) *In hogsheads, casks or drums and declared to be of uniform quality*

One sample of every 120,000 gallons, or part of 120,000 gallons, whether contained in a single compartment or tank, or in a number of compartments, tanks, hogsheads, casks, or drums forming a single consignment of the same brand or quality

## (2) UNCERTIFICATED PETROLEUM

(a) *In cases*

One sample for every 10,000 cases or fraction of 10,000 cases

(b) (1) *In bulk or in tanks, or*(2) *In hogsheads, casks or drums and declared to be of uniform quality*

One sample for every 80,000 gallons or part of 80,000 gallons whether contained in a single compartment or tank, or in a number of compartments, tanks, hogsheads, casks, or drums forming a single consignment of the same brand or quality. In taking a sample from tanks the sample should be taken from the centre of the tank as nearly as possible

*Report by Testing Officer*

23 The Testing Officer on completing his tests, shall, as soon as practicable and ordinarily within twenty-four hours after the receipt of the samples, sign a report certifying to the Chief of Customs that the samples are, or are not dangerous petroleum

*Averaging results of tests*

24 If more than one sample of any one brand or quality forming the cargo or a portion of the cargo of a ship is sent to the Testing Officer for report that officer shall test each sample separately and strike an average of the results of testing the several samples. If the average flashing point is not lower than 73 degrees of Fahrenheit's thermometer and no one test gives a flashing point below 70 degrees of that thermometer the whole of the petroleum represented by the samples shall be reported as not dangerous

*Procedure when tests show dangerous want of uniformity*

25 When the results of the testing of samples raise a doubt as to the uniformity of the quality of the petroleum in any consignment stated to be of one uniform quality, the Testing Officer, if he considers that further tests are necessary shall so inform the Chief of Customs

When the consignment is imported in cases, the Chief of Customs shall cause such petroleum to be landed and stacked in lots of one thousand cases each or to be discharged into boats and the officer appointed under Rule 20 shall select and deliver to the Testing Officer one sample from each lot. The result of the testing of each of these samples shall determine the quality of the lot which such sample represents

When the consignment is imported in bulk, and the Testing Officer considers a further test necessary, the Chief of Customs shall forward a second sample after the petroleum has been pumped into the storage tank

Should the report of the second sample prove unsatisfactory, the Chief of Customs shall treat as dangerous the whole contents of such tank

*Control of lighters containing petroleum*

27 (a) No petroleum in excess of 20 gallons shall be loaded into wooden lighters or boats

(b) No lighter containing petroleum shall be loaded above the hatches or coamings

Every open lighter containing petroleum shall between the completion of the loading and the commencement of the discharge, be properly covered by tarpauling duly secured, and covered lights containing petroleum shall have the covers or hatches securely battened down between such times

(c) If the loading or discharge of a lighter containing petroleum is not completed by 6 0 p m, such lighters shall forthwith be moved in such position as the Port Captain may direct and any further directions given by the Port Captain shall be duly observed

(d) Provided that the Port Captain may issue general directions specifying the place at which and the conditions under which lighters containing petroleum may be moved between the hours of 6 0 p m, and 6 0 a m

(e) No lighter containing petroleum shall contain any other cargo

(f) No petroleum shall be loaded in or discharged from any lighter between the hours of 6 0 p m and 6 0 a m, and subject to the provisions of Section (c) no lighter containing petroleum shall be moved between the hours of 6 0 p m, and 6 0 a m, without a written permit from the Port Captain. Such permit shall specify the place to which the lighter may be moved

*Fees*

27 The following fees shall be charged for sampling and testing petroleum —

## (1) Under Rules 21 and 24—

For each sample selected—one rupee,

For each sample tested—one rupee,

*Petroleum comprised in*

*ship's stores in reasonable quantity not subject to these Rules*

25 Nothing in these Rules applies to petroleum other than dangerous petroleum comprised in a ship's stores and manifested as such if the quantity thereof is not, in the opinion of the Chief of Customs unreasonably large

If, in the opinion of the said officer the quantity of petroleum is unreasonably large the provisions of these Rules shall be applicable to the excess over and above the quantity which he deems reasonable

*Note*—For rates of rent on petroleum stored in a public warehouse see the Customs General Management Order

## GOVERNMENT NOTICE No. 269

## THE INDIAN PETROLEUM ACT, 1899

## RULES

IN EXERCISE of the powers conferred on him by the Indian Petroleum Act, 1899, as applied to the Protectorate, His Excellency the Governor-in-Council has been pleased to make the following Rules —

1 These Rules may be cited as "The Petroleum Possession and Transport Rules, 1920"

*Interpretation**The Act*

In these Rules —

(1) The Act" means the Indian Petroleum Act, 1899

*Words and expressions defined in the Petroleum Act*

(2) Words and expressions defined in the Act have the same meaning as in the Act

*Petroleum in bulk*

(3) Petroleum in bulk" means petroleum in any vessel or receptacle having the capacity of five hundred gallons and upwards

*Local extent*

2 These Rules shall extend to such portions of the Protectorate, as shall be notified from time to time by the Governor-in-Council

3 A maximum of 40 gallons of dangerous petroleum may be kept on unlicensed premises provided that a permit is obtained from the Provincial Commissioner and that the applicant is the licensed owner of a motor car, motor cycle or an engine for which dangerous petroleum is required for motor power. Such permit shall be deemed to be a licence under Section 6 of the Act

*Licences for possession not to be granted unless the premises on which petroleum is to be stored fulfil certain conditions*

4 Licences for keeping petroleum exceeding eighty gallons in quantity or dangerous petroleum exceeding 40 gallons shall ordinarily be granted only when the premises intended to be used for the storage of such petroleum are separated by a clear open space of not less than twenty feet on every side from any other building, and when they also fulfil the following conditions, namely —

(a) In any Municipality or Township the building in which the petroleum is to be stored shall be constructed of masonry with terraced or non roof, and with tiled paved or earthen floors, and the doorways and openings of the building shall be built up to a height of not less than two feet above the level of the road or street or where the floor is sunk shall be at least two feet below the level of the road or street, so that petroleum cannot flow out of the building in the event of fire,

(b) Outside any Municipality or Township the building in which the petroleum is to be stored shall conform to the conditions specified in Clause (a) or in default thereof shall be built of brick or earth and no inflammable material shall be used in the construction of any portion thereof except the doors or windows, and such building shall be surrounded by a wall or earthen embankment not less than four feet high with a trench between

such wall or embankment and the building, close to and completely surrounding the building and of sufficient capacity to hold all the petroleum stored and to prevent its escape beyond the limits of the trench in the event of fire,

Provided that the Provincial Commissioner, with the approval of the Governor, may, for special reasons to be recorded by him in writing before granting of such licence dispense with any or all of the said conditions

*Licences for possession in place specially prepared for the storage of petroleum in bulk*

5 Notwithstanding anything in Rule 3, the Provincial Commissioner may, in his discretion and subject to such conditions as he may prescribe, grant a licence for the possession of any stated quantity of petroleum in a place specially prepared and approved of by the Governor or a Municipal or local authority for the storage of petroleum in bulk in accordance with plans and specifications approved by the Director of Public Works. The capacity in gallons shall be conspicuously marked on every storage tank or other receptacle in such place

*Special provisions as regards places for storage of petroleum in bulk*

6 Any tank or receptacle for the storage of petroleum in bulk that may be erected, with the written consent of the Director of Public Works and in accordance with plans and specifications approved by him, shall be deemed to be a place in respect of which a licence for the possession of petroleum has been granted under these Rules

*Petroleum in bulk to be landed at wharves notified under Customs Ordinance*

7 Petroleum in bulk shall be landed at such wharves only as may be notified in the "Official Gazette" as landing places for non-dangerous petroleum under the provisions of the Customs Ordinance, 1910

*Premises in respect of which licence for keeping petroleum has been granted to be subject to inspection*

8 The licensing officer or any officer deputed by him for the purpose or any police officer of or above the rank of Inspector may enter any premises in respect of which a licence for the possession of petroleum has been granted for the purpose of inspecting the same at any time between sunrise and sunset

*Licensee must be afforded facilities for examination and, if required, give samples of his petroleum*

9 The licensing officer or any officer deputed by him for the purpose or any police officer as aforesaid may, on such entry, require any Licensee to allow him and of the vessel in which any of the petroleum in his possession is stored or contained, to give him such assistance as he may require for examining the same and to deliver to him a sample from any vessel which he indicates for this purpose on payment of the value of such sample

The procedure prescribed in Section 13 of the Act shall be followed in respect of the testing of any sample so obtained in like manner as if the Licensee were a dealer in petroleum

*Transport in bulk of  
dangerous petroleum  
prohibited*

10 (1) The transport of dangerous petroleum in bulk is absolutely prohibited

*Special licence necessary for  
transport of dangerous  
petroleum*

(2) Except as provided in Section 6 of the Act, no dangerous petroleum shall be transported without a special licence

11 For the transport of petroleum other than dangerous in quantities exceeding 500 gallons licences, either general or special, may be granted

*Licences for transport of  
petroleum, whether  
dangerous or not, other-  
wise than in bulk*

12 Licences for the transport of petroleum whether dangerous or not, otherwise than in bulk shall be granted only if the petroleum to be transported is packed in air-tight tins or other vessels not easily broken, or is contained in bottles securely stopped and carefully packed so as avoid risk of breakage

*Licences for transport  
in bulk*

13 Licences may be granted for the transport in bulk of petroleum other than dangerous petroleum

(a) By rail, if the petroleum is contained in tank-wagons or portable tanks approved by the Railway Administration over whose line it is intended to transport it

(b) By steamer or barge, if the vessel is certified to be fit for the service by the Port Captain,

*Arrangements for  
freeing from gas*

(c) By carts, if the carts are certified to be fit for such transport by the licensing officer or any person he may appoint in this behalf, and if such arrangements as may be approved by him have been made for freeing from gas any tanks, railway wagons, steamers, barges and carts in which petroleum has been stored or carried in bulk

*General licences*

14 (a) General licences for a period of twelve months may be issued for the transport of petroleum, other than dangerous, by rail by road, or by water. Such licences shall authorise the holders to transport any petroleum being their own property without restriction as to destination or quantity

*Passes*

(b) The holder of general licence with each consignment of petroleum conveyed under cover thereof shall issue a pass in Form G appended to these Rules, which shall specify the places from and to which the petroleum is to be conveyed and the quantity of petroleum covered by the pass. Each pass shall be numbered and the number of the general licence shall be legibly marked on a conspicuous part of the rear case on the cart or in some other conspicuous manner

*Special licences how  
long to be in force*

15 (1) Special licences for the transport of petroleum shall, unless earlier revoked by competent authority, be in force for such period not exceeding six months from the date of the grant thereof as shall be fixed by the licensing officer

*And what to contain*

(2) Every special licence for the transport of petroleum shall specify the places from and to which the petroleum is to be conveyed, the quantity of petroleum covered by the licence and the period for which the licence is in force

*Duty of Police to inspect  
petroleum in transit*

16 It shall be the duty of all police officers to see that petroleum which is being transported under a licence is conveyed only in the manner prescribed in the last preceding rule and by such route as is specified in the licence and in general to see that the foregoing rules are properly enforced and any such officer may stop and inspect any petroleum in transit and if necessary require the person in charge of the same to comply with these rules or with any of the conditions of the transport licence

*Licence for possession or  
transport how to be  
obtained*

17 All applications for licences to keep or transport dangerous or other petroleum shall be submitted to the Provincial Commissioner

If the application is granted, the licence signed by the Provincial Commissioner will be forwarded to the applicant

*Applications for licences  
how to be made*

18 (1) Applications for licences for keeping or transporting petroleum shall be in writing

(2) Application for licences for keeping petroleum shall specify —

(a) The description and quantity of petroleum which the applicant desires to keep,

(b) The name and position of the premises in which it is proposed to keep the petroleum, and whether the said premises fulfil conditions required by Rule 3,

(c) The purpose for which the applicant desires to keep the petroleum,

(d) The total amount of petroleum (in case a previous licence has been granted) to be kept in the same premises

(3) Applications for licences for transporting petroleum shall specify —

(a) The description and quantity of petroleum to be transported,

(b) The places from and to which the petroleum is to be transported,

(c) The route and means by which the petroleum is to be conveyed and if by rail, whether it is proposed to convey it by tank-wagon or by portable tanks approved by the Railway Administration over whose line the transport is intended, in which case a certificate of such approval shall be attached to the application,

(d) The kind of vessels in which the petroleum is to be contained

(4) In the case of applications for licences for the possession or transport of dangerous petroleum under Section 5 of the Act, the application shall also declare,

(a) The purpose for which the applicant believes that the petroleum will be used,

(b) That petroleum other than dangerous petroleum cannot be used for such purpose

*Quantity for which licence  
may be granted*

19 In dealing with any application under Section 6 or Section 11 of the Act, the licensing

officer may, in his discretion, grant a licence for the possession or transport of such quantity of petroleum as he thinks fit

*Period for which  
licences are to be in  
force*

20 Every licence for the possession of petroleum shall be in force for one year from the date of the grant thereof

*Applications for renewal  
of licences how to be made*

21 Every application for the renewal of a licence for the possession of petroleum shall be made in the same manner as an application for original licence. Every such application shall be made not less than fifteen days before the day on which the original licence expires

*Amounts of fees to  
be charged*

22 The following fees shall be charged for licences to keep or transport petroleum, whether original or renewed namely —

	Rs
(1) Licence for keeping dangerous petroleum exceeding forty gallons in quantity, for every forty gallons or fraction of forty gallons	5
(2) Licence for transport of ditto, for every forty gallons or fraction of forty gallons	1

PASSAGES FOR EX-SOLDIERS

THE following concessions have been approved by the Governor-in-Council and are substituted for those laid down in General Notice No 783, as published in the "Official Gazette" of the 14th July

2 Applications for passages must reach this office before the 30th September next. A list of all eligible applicants who have been unable to avail themselves of steamer accommodation by that date, will be prepared and passed to the Hon Treasurer who is empowered to grant passages to authorised individuals at any time up to the 30th September, 1921, after which date only very special cases will be considered

3 Cash equivalent in lieu of passage cannot be granted except in instances where the passage has been, or may be, more advantageously arranged by the individual himself to his port of destination. The equivalent to be given in such instances will not exceed the cost of passage to the individual's port of destination by the shortest route and in no case will be greater than the cost of a passage to England via the Suez Canal

4 Passages up to the 30th September, will be obtained in accordance with existing arrangements
