S 19758

The following enactment of the Imperial Parliament is published for general information in pursuance of directions received from the Secretary of State for the Colonies —

[12 Geo 5]

Kenya Divorces (Validity) Act, 1922

|CH **10** |

An Act to make provision with respect to the validity of Decrees AD 1922 granted in the Kenya Colony and Protectorate for the dissolution of the mairiage of persons domiciled in the United Kingdom [12th April, 1922]

BE it enacted by the King's most Excellent Majesty, by and with the advice and consent of the Loids Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows —

Any decree granted or made absolute by a court of Validity of competent jurisdiction in the Kenya Colony and Protectorate, under the provisions of the ordinance of that Colony and Protectorate known as the Divorce Ordinance, 1904, for the East Africa dissolution of a marriage the parties to which were at the time of the commencement of the proceedings domiciled in the United Kingdom, and any order made by any such court in relation to any such decree, shall, if the proceedings were commenced before the passing of this Act, be as valid and be deemed always to have been as valid in all respects as though the parties to the marriage had been domiciled in the said Colony and Protector ite

This Act may be cited as the Kenya Divoices (Valid IV) Short title Act, 1922

General Notice No 323

NOTICE

TENDER FOR BAMBOO CUTIING RIGHTS FOR THE MANUFACTURE OF PAPER PULP

AS a result of experiments conducted with the East African Bamboo (Arundinaria alpina) to ascertain its value for the manufacture of paperpulp and paper, the Government have decided to ofter for tender two areas of bamboo forest on the Kikuyu and Mau Escarpments respectively and more particularly described in the schedule hereto

Tenders for the areas are invited, the basis of tender to be a royalty payment per ton of an-dry pulp and no tenders of less than two shillings a ton will be accepted

The successful tenderers will be granted licences under the Forest Ordinance, 1911 for periods of 20 years with the options for recewal for further periods of 20 years on terms to be agreed between the Conservator of Forests and the licensees. Such option to be exercised by notice in writing six calcular months before the expiration of first-nientioned licences.

The following main conditions will be embodied in each of the licences

- 1 The Licensee will be given the exclusive right for twenty years to cut bamboos for the manutacture of proce-pulp over an area to be selected by him in conjunction with the Conservator of Forests within five years of the date of the licence and in the event of dispute the Conservator of Forests' lecision shall be final. The respective areas are estimated to be capable it yielding 40,000 tons and 20,000 tons respectively of paper pulp annually
- 2 No loyalty will be charged on any bamboo ut for the purposes of pulp manufacture for a period of 5 years from the date of the licence, thereafter a loyalty per ton of air-dry unbleached pulp, as tende ed
- 3 An annual licence fee of £100 in respect of each area shall be paid for the first five years, the list payment to be made on the issue of the icence, and thereafter for each succeeding year in advance on the corresponding date, and thereafter a licence fee of £500 to be paid as aforesaid in espect of the sixth and seventh years, £1,000 to be paid as aforesaid in respect of the eighth and ninth vears, and £2,000 to be paid as aforesaid for each succeeding year provided that the Licensee shall be entitled to set off against the licence fee paid in any one year the royalties payable for the same year but in no case shall a less sum than the licence fee be paid to the Government
- 4 The Licensee shall elect and complete a tactory and subsidiary buildings for the manufacture of paper-pulp within two years from the date of the licence and such factory shall thereafter be worked for not less than 120 days in each year in the manufacture of paper-pulp. From and after the expiration of five years from the date of the licence the Licensee shall produce an annual outluin from the said factory of at least 10 000 tons of paper pulp and from and after the expiration of ten years from the same date an annual out turn of at least 20,000 tons of paper pulp
- The Government if so required by the Licensee shall lease to the Licensee a suitable site to be selected by the Licensee out of such sites as he at the disposal of the Conservator of Forests within or without the area the subject of the licence for the election of factories store houses, sheds depots, houses, offices and other buildings of a like rature bona hade required for the purpose of the husiness connected with the manufacture of paper pulp such lease to be root free and for a term co term mous with that of the licence and subject to an outron for renewal on terms to be agreed upon between the Conservator of Forests and the licensee
- 6 Subject to such restrictions as may from time to time be imposed by the Conservator of Forest the Licensee shall during the continuous of the licensee have the right to reasonal lands, roads or the mis outside the area the subject of the license which are under the control of the Forest Department for the juriose of having free ingress and exist to and from the area the subject of the license and also the lite right to use ill such lands roads or streams within the men the subject of the license.
- The Corservator of Forests will under the to reserve for the use of the licensee an area of forest as conveniently near to the site of the foctory possible, sufficient to supply such reasonable or antity of wood fucles may be required for the factory. Royalty will be payable on all fuel at the rate of two shillings per hundred stacked cubic feet during the currency of the licence, in the event of the licence being renewed for a further period the royalty on fuel will be based on the market rates current at the time of such renewal

- 8 If possible a sufficient area of grass land will be included in the licence to provide grazing for cattle used in connection with the operations of the licence free of rent
- 9 The area the subject of the licence will be divided by the Constant the Licersee shall completely work over each block of one cutting series before he starts work in another block of the series. The evitem of the cutting series will be based on a 10 years rotation.

The order in which the said blocks shall be worked will be laid down by the Conservator of Forests in consultation with the Licensee in a plan of operations so that the whole area may be worked over systematically. The Licensee shall not be at liberty to deviate from the plan of operations so laid down without the previous sanction of the Conservator of Forests.

The Licensee shall supply maps showing the area cut over in each year to the Conservator of Forests on such date as the Conservator of Forests may fix

To prevent the culms of bamboos diminishing in size and deteriorating in quality the Licensee shall give each block which has been worked over a rest of ten years before he works over it again

- 10 The Licensee in conducting his operations on the area the subject of the licence shall not in any way interfere with the surface of the land save and so far as may be necessary for the immediate purpose of carrying on the necessary operations in connection with his said business
- 11 The Licensee shall keep full and true accounts of the number of bamboo culms brought into his factory, of the quantity of paper-pulp manufactured and in the process of manufacture and exported and of the quantity of fuel used and shall on the fifteenth day of each month send to the Conservator of Forests in such form as he may prescribe a true analysis thereof for the month immediately preceding

The loyalty appearing by such statement to be due in respect of the paper pulp manufactured and the fiel used each month shall be due and payable on or before the last day of the next succeeding month

- The licenses shall allow the officers dericted in that behalt by the Governor to have full inspection of all such accounts and account books and to take all such steps as in the opinion of such officers may be necessary for ascertaining by enquiries, inspection and measmement or weighment the conjections of the same and of the said analysis
- 12 Nothing contained in the licence shall be deemed to relieve the Licensee his agents and servants from the duty of complying with any Ordinary and rules thereunder for the time being in force applying to the locality in which the area the subject or tre licence is situated.
- 13 No lights of ic. thin those specified in the licence, shall be greated and more particularly the rights to all murs, minerals, mineral and precious stores within or under the premises will be reserved.
- 14 The licence small be absolutely null and rold in the erents following and subject to the conditions set out below, that is to say the tollowing conditions namely
 - (a) If the Licensee shall fail to commence and effect substantial operations in the terms of the licence within a period of 18 months from the date thereof such licence shall ipso facto be absolutely void and of no effect

- (b) Subject as aforesaid in the event of the breach by the licensee of any of the covenants, conditions, stipulations or provisions contained in the licence, including the provisions for the payment of licence fees and royalties then and in every such case the Conservator of Forests may give the Licensee notice of the breach complained of and call upon the Licensee to remedy the same, and in the event of the Licensee not doing so within six calendar months thereafter the Conservator of Forests may cancel and determine the little and all the Licensee's privileges and participanter
- 15 The Licensee shall not usign sublet or otherwise part with the benefits of the license or any part thereof without the previous consent of the Conservator of Forests in writing
- 16 The Licensee shall be at liberty to determine the licence by giving to the Conservator of Forests six months notice in writing so to do

Tenders must be forwarded to the Conservator of Forests, Nairobi, Kenya Colony, on or before the 1st April 1923 and should be marked on the outside of the envelope "Tender for Bamboo"

The highest of any tender will not necessarily be accepted

Tenders from Comparies must be accompanied by full information as to their constitution and directorate

In the event of a successful tenderer not taking up his licence within one year from the date of notice of acceptance all claims to or in respect thereof shall be deemed to have lapsed absolutely

A painphlet embodying the results of experiments conducted in England and of measurements in the bamboo forests, may be obtained at the offices of the Crown Agents for the Colonies, 4, Millbanl, London, SWI or at the offices of the Forests Deportment, Nairobi, Samples of the pulp and paper manufactured from the bamboo may be seen by air angement with the Director, Imperial Institute, South Kensington, London SW 7 or at the offices of the Forest Department, Nairobi

Nairobi, 5th April, 1922

E BATTISCOMBE,
Conservator of Firests
