ORDINANCE, 1921.**

NOTICE.

WITH a view to correcting any misunderstanding prevailing in the matter, it is notified for public information that the purchase price of farms granted under the Crown Lands (Discharged Soldiers Settlement) Ordinance, 1921, will be remitted when the development required to be performed within the first development period (*i.e.*, by 30th June, 1924, or within 3 years from date of allotment whichever be the later date) has been completed, and passed by Government.

2. No remission will be made until title has been issued, and stamp duty must be paid on the stand premium set forth in the grant.

3. Allottees in possession of their titles who have already completed the required development may apply for remission when arrangement will be made to value the improvements effected.

4. On remission of the stand premium, titles will be endorsed accordingly.

5. In the event of transfer being effected prior to remission payment in accordance with the provisions of Section 8, Sub-sections 8 and 9 of the above Ordinance must be made.

6. In the event of a grantee assigning, transferring, charging, leasing or sub-leasing his farm prior to remission, such assignee, transferee, chargee, lessee or sub-lessee as the case may be shall not benefit by this concession, the outstanding purchase price being payable on due date.

This in no way precludes a grantee from obtaining remission while a charge (mortgage) is registered against his title.

7. The Secretary of State for the Colonies directs that no refund of payments already made in respect of purchase price shall be granted.
