## A Bill

### Intituled

### **An Ordinance to Enable the Victoria Nyanza Sugar Company, Limited, to Construct and Maintain a Tramway, to be Worked by Steam or other Power, connecting the Company's Farms with Kibos Railway Station and for other Purposes.**

#### Preamble

WHEREAS the Victoria Nyanza Sugar Company, Limited, being a Company incorporated in the Commonwealth of Australia under the Companies Act, 1915, is desirous of constructing and maintaining a tramway to be worked by steam or other power connecting the Company's land, Land Office No 4399 (in this Ordinance referred to as "the Farm") with Kibos Railway Station, and running along a public road And whereas the Company is also desirous of constructing and maintaining subsidiary trolley lines running through private lands to connect with the tramway for the purpose of transporting sugar cane from neighbouring farms to the Company's factory And whereas it is expedient that the Company should be authorised to construct and maintain the tramway and subsidiary trolley lines, and should be granted the powers, authorities and concessions by this Ordinance conferred upon the Company And whereas a plan showing the approximate alignment of the tramway line and subsidiary trolley lines was deposited with the Public Works Department on the 23rd day of October, 1922, and is hereafter referred to as "the deposited plan" And whereas the objects of this Ordinance cannot be attained without legislative enactment Be it therefore enacted by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof —

#### Short title

1 This Ordinance may be cited as "The Victoria Nyanza Sugar Company's Tramways Ordinance, 1922"

#### Interpretation

2 In this Ordinance save where there is something in the context inconsistent therewith, the following terms shall have and include the meanings set against them respectively —

"The Company" shall mean the Victoria Nyanza Sugar Company, Limited, its successors and assigns the owner or owners for the time being of the Farm

The Tramway and 'Subsidiary Trolley Lines' shall mean the tramway and the subsidiary trolley lines authorised by this Ordinance to be constructed and maintained

"Road Authority" means the Director of Public Works, or other authority for the time being having control of the public roads affected by the exercise of the powers authorised by this Ordinance

'Public Road' shall mean a public road as defined in the Public Travel and Access Roads Ordinance, 1920

#### Authority to construct tramway and subsidiary trolley lines

3 (1) It shall be lawful for the Company to make, construct and maintain a tramway commencing on the farm of the Company situate in the Kisumu District of the Nyanza Province, and running thence in a direction along the line of public travel dedicated as such by Order of the Governor, dated the 1st day of August, 1922, and published in the "Official Gazette" of the 2nd day of August, 1922, pursuant to the provisions of Section 8 (1) of the Public Travel and Access Roads Ordinance, 1920 and terminating at Kibos Railway Station and also from time to time to make, construct, maintain, remove and replace subsidiary trolley lines running through private lands along the approximate alignments

shewn by green lines on the deposited plan to connect with the tramway shewn by a red line on the said plan for the purpose of transporting sugar cane from neighbouring farms to the Company's factory

Provided that the tramway and the subsidiary trolley lines shall not exceed in any part thereof a greater space in breadth than fifteen feet, including the supports, abutments and foundations of such tramway and subsidiary trolley lines and shall follow such alignments as the Road Authority shall approve

(2) It shall be lawful for the Company to work such tramway and subsidiary trolley lines by steam or other power

4 (1) Wherever the tramway or any subsidiary trolley line runs along any public road it shall, unless the Road Authority shall otherwise approve, be so constructed that the surface of the rails thereof shall, as near as possible, be on the same level as the adjacent portion of the road

Rails to be on same level as road

(2) Wherever the tramway or any subsidiary trolley line crosses any public road at present in existence or hereafter to be established, it shall, unless the Road Authority otherwise approve, be provided with guard rails and filling or other approved device, laid and maintained, so as to permit smooth passage of road traffic to the satisfaction of the Road Authority

5 Whenever the Company shall open or break up any public road or part thereof for the purposes authorised by this Ordinance the Company shall, with all convenient speed, and in all cases within four weeks at the most (unless the Road Authority otherwise consents in writing) complete the work on account of which the Company opened or broke up the same, and fill in the ground and make good the surface, and, to the satisfaction of the Road Authority, restore the said road or part thereof to as good condition as that in which it was before it was opened or broken up, and clear all surplus material and rubbish occasioned thereby, and shall in the meantime cause the place where the road is opened or broken up to be watched and properly lighted at night, and shall bear and pay all reasonable expenses of the repair of the road or part thereof for six months after the same is restored, as far as those expenses are increased by the opening and breaking up

Completion of works and reinstatement of road

6 The Company shall at its own expense, and at all times maintain and keep in good condition and repair, with such materials and in such manner as the Road Authority shall direct and to the satisfaction of the Road Authority, so much of any public road whereon the tramway or any subsidiary trolley line belonging to the Company is laid as lies between the rails of such tramway or subsidiary trolley line, and in every case so much of the road as extends eighteen inches beyond the rails of and on each side of the tramway or any subsidiary trolley line. If at any time the Company abandons its undertaking and takes up the tramway or any subsidiary trolley line, or any part thereof, the Company shall with all convenient speed, and in all cases within six weeks at the most (unless the Road Authority otherwise consent in writing) fill in the ground and make good the surface, and to the satisfaction of the Road Authority, restore that portion of the public road upon which such tramway or any subsidiary trolley line was laid to as good a condition and with the same class of surface and construction as the adjacent portions of the said public road, and clear away all surplus materials or rubbish occasioned by such work, and leave the area in a tidy and serviceable state to the satisfaction of the Road Authority, and the Company shall in the meantime cause the place where the road is opened or broken up to be watched and properly lighted at night

Repair of part of public road where tram way and subsidiary trolley lines are laid

7 If the Company fail to comply with the provisions of the last two preceding sections, the Road Authority, if they think fit, may at any time after seven days notice to the Company, open and break up the roads affected and do the works necessary for the repair and maintenance or restoration of such roads, to the extent in the two preceding sections above mentioned, and the expenses incurred by the Road Authority in so doing shall be repaid by the Company on demand by the Road Authority or be recoverable summarily as a civil debt

Power of road authority to do work and recover expenses

Compensation  
for use of  
land and  
damage done

8 All persons whose lands may be used by the Company its officers, agents or workmen under the provisions of this Ordinance and who shall sustain any loss or damage whatever in the execution of this Ordinance shall be entitled to reasonable compensation for the loss or damage sustained by them and such compensation shall be ascertained, assessed or awarded as hereinafter mentioned Provided that such compensation shall be claimed within the period of six months of the loss or damage complained of

Mode of  
affixing  
compensation

9 In all cases in which compensation is claimed it shall be competent to the Company to agree with the claimant for the payment of such sum as the Company may think reasonable and proper and upon such agreement being made the sum so agreed upon shall be paid accordingly and in case the Company and claimant shall not agree as aforesaid the amount to be paid shall be determined by arbitration pursuant to the provisions of the Arbitration Ordinance, 1913

Saving the  
rights of His  
Majesty and  
other persons  
not mentioned  
in this  
Ordinance

10 Provided always and be it enacted that nothing in this Ordinance contained shall be deemed to affect or apply to any right, title or interest of His Majesty, his heirs or successors or of any body or bodies politic or corporate or of any person or persons except such bodies politic or corporate and other persons as are mentioned in this Ordinance and those claiming by from or under them
