## THE EAST AFRICA TOWNSHIPS ORDINANCE, 1903.

### RULES.

IN EXERCISE of the powers conferred upon him by the East Africa Townships Ordinance, 1903, His Excellency the Governor has been pleased to make the following Rules:—

1. These Rules shall apply to the Township of Mombasa, and may be cited as "The Mombasa Township Vehicle Rules, 1923."

2. For the purpose of these Rules the following words and expressions shall have the following meanings hereby assigned to them unless there be something in the subject or context repugnant to such construction, that is to say:—

(a) The word "vehicle" shall include any motor-car, motor-cycle, bicycle, tricycle, carriage, cart, lorry, buggy, or rickshaw.

(b) The words "public vehicle" shall mean any vehicle plying for hire.

(c) The words "driver" or "rickshaw boy" shall apply to any person in charge of or engaged in setting any vehicle in motion.

(d) The words "Inspector of Vehicles" shall mean the Resident Commissioner or any person duly authorised by him to inspect vehicles.

3. No vehicle shall be used within the Township of Mombasa, hereinafter referred to as "the Township," unless such vehicle be registered or licensed as required by these Rules.

4. Application for the registration or licensing of a vehicle shall be made by the owner or possessor thereof to the Resident Commissioner who may require such vehicle to be brought to his office for inspection. The bringing of a vehicle for such inspection shall not be deemed to be the using of a vehicle for the purposes of the preceding Rule.

5. Vehicles, the property of the Government, shall be registered or licensed free of charge.

6. All bicycles and tricycles shall be registered.

The Resident Commissioner shall keep a register of such cycles as are presented for registration, in which shall be entered full particulars of the trade number, the name of the maker, and the name and residence of the owner or possessor thereof. When such cycle has been registered the Resident Commissioner shall grant to the person so registering a certificate on which a registration number together with the aforesaid particulars shall be endorsed. The person so registering a cycle shall pay the fee prescribed in Schedule 3 hereto in respect thereof.

7. Every bicycle or tricycle, which has been registered under the preceding Rule, shall carry a metal ticket which shall be attached thereto, so as to be wholly visible, at such place thereon as may be approved by the Resident Commissioner. Such metal ticket shall exhibit thereon the registration number of such cycle in figures not less than two inches in height and also thereunder the year of registration in white figures not more than three-quarters of an inch in height, and on the reverse side thereof there shall be stamped into the metal the trade and registration numbers of such cycle. The Resident Commissioner shall issue such ticket to the person registering such cycle who shall pay the fee prescribed in Schedule 3 hereto in respect thereof.

8. When the ownership or possession of a bicycle or tricycle registered under Rule 6 shall be transferred, the transferee shall, within fourteen days of such transfer, apply to the Resident Commissioner for the re-registration thereof. When such cycle has been so re-registered the fee prescribed in Schedule 3 hereto shall be paid by the transferee in respect thereof.

9. All vehicles, other than bicycles and tricycles and other vehicles which require to be licensed under the Motor Traffic Ordinance, 1915, shall be licensed.

The Resident Commissioner shall keep a list of such vehicles as are presented for licensing, in which shall be entered such particulars as he may consider necessary. The Resident Commissioner shall thereupon grant a licence in respect of such vehicle. Such licence shall be numbered, and shall set forth

therein the name and residence of the owner or possessor thereof, the maximum number of passengers or weight of goods to be carried therein or thereon, as the case may be, and the minimum number of persons or animals by which such vehicle shall be drawn or otherwise set in motion when loaded up to the maximum amount for which it is licensed. The person to whom such licence is granted shall pay the fee prescribed in Schedule 3 hereto in respect thereof.

10. When the ownership or possession of a vehicle licensed under the preceding Rule shall be transferred, the transferee shall, within fourteen days of such transfer, apply to the Resident Commissioner for the endorsement thereof to him. When such licence has been so endorsed the fee prescribed in Schedule 3 hereto shall be paid by the transferee in respect thereof.

11. Notwithstanding anything hereinbefore provided the Resident Commissioner may, if he so think fit, refuse to register any bicycle or tricycle or to licence any other vehicle. He may also suspend or cancel any registration certificate or licence which may have been granted by him, and thereupon the person to whom such certificate or licence has been granted shall deliver up the same to the Resident Commissioner.

12. Every registration certificate or licence granted under these Rules shall be valid only till the 31st day of December of the year for which it shall have been granted.

13. Every public vehicle, licensed under Rule 9 or under the Motor Traffic Ordinance, 1915, shall carry a metal ticket which shall be attached thereto, so as to be wholly visible, at such place thereon as may be approved by the Resident Commissioner. Such metal ticket shall exhibit thereon the licence number of such vehicle and the particulars of the maximum load which it is licensed to carry. The Resident Commissioner shall issue such ticket, free of cost, to the person to whom the licence for such vehicle shall have been granted. The person in charge of such vehicle shall keep on his person the licence which has been granted in respect thereof.

14. When a public vehicle is found carrying a load in excess of the amount authorised by the licence relating thereto the person to whom such licence shall have been granted shall be deemed to be guilty of contravening Rule 13.

15. Every public motor vehicle shall also carry a distinctive mark or badge which shall be attached thereto at a conspicuous place and which shall intimate thereby that such vehicle is for hire. Such mark or badge shall be removed when such vehicle is actually engaged on hire. The Resident Commissioner shall issue such mark or badge to the person to whom a licence for such vehicle shall have been granted, and shall require such person to pay a deposit of two shillings for the same. On the return of such mark or badge the said deposit shall be refunded. Should such mark or badge be lost or materially damaged it shall be replaced on payment of the sum of two shillings.

16. Every person holding a certificate of competency to drive a motor vehicle under the Motor Traffic Ordinance, 1915, shall, when employed as the driver of a public motor vehicle, take out a Public Driver's Licence for which he shall pay the fee prescribed in Schedule 3 hereto in respect thereof. The Resident Commissioner shall thereupon issue a Public Driver's Badge, free of cost, to such person who shall wear such badge when in charge of a public motor vehicle.

17. All public rickshaw boys and all drivers of other public vehicles shall be registered. The Resident Commissioner may, if he so think fit, refuse, suspend or cancel any such registration.

18. No person to whom a licence has been granted in respect of a public vehicle shall employ any unregistered rickshaw boy or driver, as the case may be, to be in charge of a public vehicle.

19. No rickshaw shall be used unless:—

(a) The ends of the shafts are protected by a bar across the front securing them at each end, and the shafts do not project beyond such bar.

(b) A proper stay is placed at the back of every rickshaw to prevent accidents.

20. No person shall be registered as a public rickshaw boy unless he has been certified as fit for such employment by a Medical Officer.

21. Every public rickshaw boy shall, when in charge of a public rickshaw, wear a numbered badge on his right arm or in any other conspicuous place. The Resident Commissioner shall issue such badge to such boy and shall require him to pay a deposit of one shilling for the same. On the return of such badge the said deposit shall be refunded. Should such badge be lost or materially damaged it shall be replaced on payment of the sum of one shilling.

22. All public rickshaw boys shall be cleanly and decently clothed, and shall conduct themselves in a proper, civil and decorous manner. They shall not sit on the seats of the rickshaws of which they are in charge when such rickshaws are not actually engaged on hire.

23. At least two boys shall be employed in charge of a public rickshaw for the conveyance of more than one person, and no person shall engage any such rickshaw where less than two boys are so employed.

24. No vehicle, however drawn or otherwise set in motion, shall be used unless in charge of a responsible person.

25. Every vehicle, other than a rickshaw or other vehicle specially exempted by the Resident Commissioner (in which case a note of such exemption shall be endorsed on the licence relating thereto) shall be provided with a good and sufficient brake approved by the Resident Commissioner. Brakes in the form of skids or chains which stop a wheel from revolving shall not be used.

26. Every vehicle shall be provided with a bell or some kind of instrument of warning approved by the Resident Commissioner, and the person in charge of such vehicle shall cause, by striking it or otherwise, such bell or instrument to give notice of the approach of such vehicle when overtaking any other vehicle, horse or other animal, or foot passengers proceeding in the same direction, and shall also give such notice before turning such vehicle in any other direction.

27. Every vehicle, other than a bicycle or tricycle, when in or upon a public street or thoroughfare between the hours of 6-15 p.m. and 5-45 a.m., shall carry and exhibit in a conspicuous position two properly lighted lamps, one lamp to be on each side of such vehicle. In the case of a bicycle or tricycle one such lamp in front thereof shall be so carried and exhibited.

28. No person in charge of any vehicle drawn by oxen or camels shall drive such oxen or camels from behind but shall lead them from the front in a suitable manner.

29. The use of nose-rings for oxen and the beating of oxen, otherwise than with whips or thongs made of leather and not exceeding 1 inch in width, by the person in charge of any vehicle drawn by oxen is prohibited. The owner of such oxen shall also be deemed to be guilty of any contravention of this Rule.

30. Any vehicle drawn by four or more oxen shall be in charge of at least two persons, one of whom shall lead the oxen from the front of the leading ox or oxen. The owner of any vehicle, or the person to whom a licence shall have been granted in respect thereof in the case of a public vehicle, found driven otherwise than herein provided shall also be deemed to be guilty of any contravention of this Rule.

31. Any person having control of a vehicle in motion in or upon a public street or thoroughfare shall cause the same to keep to the left side of the said street or thoroughfare, and, when overtaking any other vehicle, person or animal proceeding in the same direction, to pass on the right side of such other vehicle, person or animal.

32. No person in charge of a vehicle, other than a vehicle mechanically set in motion, shall permit such vehicle to remain stationary in a public street or thoroughfare for a longer period than is necessary for the purpose for which it becomes stationary.

33. No person in charge of a public vehicle shall allow such vehicle to remain stationary in a public street or thoroughfare (except when actually engaged on hire) at any place other than a public stand set apart for such purpose.

34. No person in charge of a public vehicle shall employ such vehicle unless it is maintained in a clean condition and in good working order to the satisfaction of the Resident Commissioner.

35. No person suffering from a contagious or infectious disease shall be in charge of or ride in a public vehicle.

36. All public vehicles shall exhibit in a conspicuous place within such vehicle a tariff of fares prescribed by Schedules 1 or 2 hereto for the hire thereof, and fares shall be charged accordingly.

37. No person in charge of a public vehicle shall refuse to accept any offer of engagement from any person (except from a person prohibited by Rule 35) unless such vehicle is actually hired for the whole or portion of the time for which such other person desires to engage it or unless such vehicle is returning to its quarters after work.

38. Any person calling or sending for a public vehicle and thereafter failing to employ the same shall pay the fare prescribed in Schedule 1 or 2 hereto from the place from which such vehicle may have come to the place to which such vehicle shall have proceeded as a result of such calling or sending.

39. Any person in charge of a public vehicle may be required by the hirer thereof to wait at any place to which the hirer may have proceeded in such vehicle.

40. No person in charge of a public vehicle, when not actually engaged on hire, shall tout or solicit for engagement.

41. No person in charge of a public vehicle shall falsely represent himself to be hired, or, on being so required, neglect or refuse to carry for any person desirous of engaging such vehicle the number of passengers or the weight of goods so provided in the licence relating thereto.

42. No person in charge of a public vehicle shall, by using force or threats or in any other manner, prevent or attempt to prevent any person from engaging any such vehicle.

43. No person in charge of a public vehicle shall demand payment in excess of any fare prescribed in Schedule 1 or 2 hereto or of any sum for returning with such vehicle from the place at which he may be discharged except as provided in the said schedules.

44. No person in charge of a public vehicle shall disobey any reasonable order that may be given to him by any member of the Police force on duty, the Inspector of Vehicles or any officer so authorised by the Resident Commissioner.

45. Any public vehicle may be hired either by time or distance, but the hirer shall inform the person in charge thereof at the time of hiring whether he intends to hire such vehicle by time or by distance. In the absence of any such arrangement the hirer will be charged by distance.

46. No person hiring a public vehicle shall wilfully or negligently injure the same or refuse to pay the fare prescribed in Schedule 1 or 2 hereto.

47. Any person contravening any of the provisions of these Rules shall be guilty of an offence, and shall, in addition to any liability for any damage at the suit of any person aggrieved, be liable on conviction to a fine not exceeding one hundred and fifty shillings or to imprisonment of either description for a term not exceeding one calendar month or both.

48. Offences against any of these Rules shall be cognisable by the Police.
