This rate shall be expended entirely upon education in that area and shall be subject to regulations made by the Governor under this Ordinance with the consent of the Legislative Council.

CHAPTER VII.

Compulsory
Education

33. (1) If the Governor is satisfied of a general demand for compulsory education amongst any community in any area and that ample school accommodation exists in such area to meet its educational requirements and if he is further satisfied of the necessity for providing such compulsory education, he may with the advice of the Executive Council prescribe by proclamation that compulsory education shall be introduced into such area and thereafter it shall be the duty of the parent of every child in that area to secure the regular attendance of his child at some school or otherwise to provide efficient instruction for his child, in accordance with the education applicable to such child prescribed by any rule made under this Ordinance, and if any parent fails to perform this duty without reasonable excuse an Education Officer or other authorised person shall make a complaint against the parent before a Magistrate for such failure.

(2) On a complaint made by an Education Officer or other authorised person the Magistrate shall summon the parent to appear before him and if the parent does not appear or appears and does not satisfy the Magistrate

(a) that the child is in regular attendance at some school, or

(b) that the parent is otherwise providing efficient instruction for the child in accordance with the education applicable to such child prescribed by any rule made under this Ordinance, or

(c) that the supposed child is under six or over fourteen years of age, or

(d) that the parent has reasonable excuse for failing to perform his aforesaid duty, the Magistrate may impose a penalty not exceeding twenty shillings for a first offence and for a second or any subsequent offence a penalty not exceeding forty shillings: Provided that a complaint under this section with respect to the same child shall not be repeated at any less interval than four weeks.

(3) If the Magistrate, after hearing the parent and such evidence as he may produce, is satisfied that the non-attendance or irregular attendance of the child at school was due to the truancy of the child and that the parent employed all reasonable means of securing the regular attendance of the child and had reasonable grounds for believing that the child was duly attending school, the Magistrate shall not proceed to a conviction.

(4) A child's attendance at school shall not be deemed regular for the purpose of this section unless the number of the child's attendances at school during the calendar month preceding that in which the complaint is made attains the following percentage of the total number of morning and afternoon meetings of the school prescribed by the rules under this ordinance, that is to say:—

(a) in the case of a child whose place of residence is one mile or less from the school, 75 per centum;

(b) in the case of a child whose place of residence is more than one mile but not more than two miles, 60 per centum;

(c) in the case of a child whose place of residence is more than two miles but not more than three miles, 50 per centum, the distance being calculated by the nearest road or path.

(5) If the parent claims that he is providing efficient instruction for his child in accordance with the education applicable to such child prescribed by any rule made under this Ordinance otherwise than at a school, the Magistrate may, for the purpose of ascertaining the validity of the claim, examine the child or require the Inspector of Schools to examine the child and report whether the child's knowledge of the subjects of education prescribed by rule under this Ordinance is, in his opinion, equal to that of an average child of the same age in regular attendance at a school.

(6) For the purpose of this section a parent shall be deemed to have given a reasonable excuse for his child's non-attendance or irregular attendance at school when he has proved to the satisfaction of the Magistrate, either

(a) that there is not within three miles of the place of residence of the child measured by the nearest road or path any school which the child can attend, or

(b) that the absence of the child from school was due to sickness or other unavoidable cause.

34. In any proceedings before a Magistrate for an order or penalty under this Ordinance the following provisions shall have effect:—

Regulations
as to legal
proceedings.

(a) the Magistrate may require by summons the parent of a child to produce the child before him and any parent failing to comply with such a summons, without reasonable excuse to the satisfaction of the Magistrate shall be liable on summary conviction to a penalty not exceeding £5;

(b) a certificate purporting to be under the hand of the head teacher of a school stating that a child is or is not attending that school or stating the particulars of the attendance of a child at that school or that to his knowledge the child is or has been ill, shall be evidence of the facts stated in the certificate;

(c) where a child appears to the Magistrate to be of an age between six and fourteen years it shall lie on the defendant to prove that the child is not of that age;

(d) the parent of any child or any member of the child's family, or any other person authorised by the parent in that behalf, may represent the child during all the stages of the proceedings;

(e) in any such proceedings relating to a child the Magistrate shall sit either in a different room from that in which the ordinary sittings of the Court are held or on different days or at different times from those at which the ordinary sittings are held, and no persons other than the officers of the Court, the Inspector of Schools, Education Officers, and the parties to the case, their solicitors and counsel, and other persons directly concerned in the case shall, except by leave of the Magistrate, be allowed to attend;

(f) No Education Officer or other authorised person and no child shall be required to pay any fee for any process in any such proceedings relating to a child;

(g) where a child is charged with an offence the parent of the child may be required by summons to attend at the Court before which the case is heard during all the stages of the proceedings.

Forgery of
certificate.

35. Any person who forges or counterfeits any certificate which is by this Ordinance made evidence of any matter, or gives or signs any such certificate which is to his knowledge untrue in any material particular, or knowing any such certificate to be forged, counterfeit or untrue, makes use thereof, shall be liable on summary conviction to imprisonment, of either kind, for any period not exceeding three months.

Any Magistrate holding a subordinate court of the 1st, 2nd or 3rd class shall have jurisdiction in any case under this chapter irrespective of the race of the child or his parent or of any other offender.

CHAPTER VIII.

Power of
Governor-in-
Council to

EAST AFRICAN COMMITTEE AND
COMMISSION.

A Committee has been appointed by the Secretary of State to inquire into and report upon various matters connected with East Africa. The Secretary of State has been further pleased to appoint a small Commission, drawn from members of the Committee, to visit East Africa in order to inquire into certain questions locally.

The Secretary of State stated in the House of Commons that a separate Committee to inquire into land questions in West and East Africa will be appointed at a later date. Land questions will, therefore, not come before the East African Committee, except so far as their connection with other questions makes it essential. Native education will be similarly excluded, in view of the Standing Committee on Native Education in Tropical Africa, which has already been appointed. Further, while the co-ordination of policy amongst the various Governments in East Africa will be an important subject for inquiry, the Secretary of State does not propose that the actual amalgamation of the territories or of their federation under one head should be included in the terms of reference.

The terms of reference to the East African Committee will be as follows:—

(a) To consider and report on the measures to be taken to accelerate the general economic development of the British East African Dependencies and the means of securing the closer co-ordination of policy on such important matters as transportation, cotton growing and the control of human, animal and plant diseases;

(b) The steps necessary to ameliorate the social condition of the natives in East Africa, including the improvement of health and economic development;

(c) The economic relation between natives and non-natives with special reference to labour contracts, care of labourers, certificates of identification, employment of women and children;

(d) The taxation of natives and the provision for services directed to their moral and material improvement.

The terms of reference to the East Africa Commission are:—

To visit Northern Rhodesia, Nyasaland, Tanganyika, Uganda and Kenya, with a view of obtaining as much information as possible in the time available on all subjects covered by the Terms of Reference to the East African Committee, and to report to the Secretary of State any facts which they may consider having a bearing upon the above matters.

The following have been appointed Members of the East African Committee by the Secretary of State:—

The Right Honourable Lord Southborough,
(Chairman).

Mr. R. N. Barclay, the Honourable Member for the Exchange Division of Manchester.

Capt. R. Berkeley, the Honourable Member for Nottingham Central.

Mr. John Harris, the Honourable Member for North Hackney.

Sir Henry Birchenough.

Mr. C. Roden Buxton.

Sir Hugh Clifford.

Sir Rider Haggard.

Lt.-Col. F. D. Hammond.

Mr. W. H. Himbury.

Mr. J. H. Oldham.

The East African Commission will consist of:—

The Honourable William Ormsby Gore, (the Honourable Member for Stafford).

Mr. F. C. Linfield, (the Honourable Member for Mid Bedford),

with Mr. Calder, of the Colonial Office, as Secretary.

The following is the approximate itinerary for the tour of the Commission:—
