1. These By-laws may be cited as the "Nairobi (Sewerage) By-laws, 1925," and shall be read as one with the Nairobi Township Rules, 1917 (hereafter called "the Principal By-laws").

2. If any privy, earth-closet, pail-closet, pit-closet or other closet not being a water closet, or the building served by such privy, earth-closet, pail-closet, pit-closet, or other closet not being a water-closet, be within 120 feet of any sewer belonging to the Municipal Corporation, and if there be a sufficient water supply, the Town Clerk may by written notice require the owner of the same, within a reasonable time, to be specified in the notice, not being more than twelve months, to convert the privy, earth-closet, pail-closet, pit-closet, or other closet not being a water closet, into a water-closet, and to connect the same to the said sewer, all as the case may require in a manner and by the use of materials to be approved of by the Medical Officer of Health; and the Town Clerk may, if he think fit, by written notice addressed to the owner, order the removal of such privy, earth-closet, pail-closet, pit-closet, or other closet not being a water-closet, within the same period, and such owner shall comply with the terms of such notice.

3. Every person who shall erect a building shall, where any part of such building shall be within 120 feet of a sewer belonging to the Municipal Corporation, and unless the Medical Officer of Health shall certify that the water supply is insufficient for the purpose, cause such building to be adequately and efficiently drained into such sewer in a manner and by the use of materials to be approved of by the Medical Officer of Health; he shall also provide in connection with such building a proper and sufficient number of water-closets to the satisfaction of the Medical Officer of Health.

4. Where any cess-pit, septic-tank or cess-pool shall be within 120 feet of any sewer belonging to the Municipal Corporation the Town Clerk may, by written notice, require the owner of the same, within a reasonable period to be specified in the notice, to cease to discharge or permit to be discharged into the said cess-pit, septic-tank or cess-pool any sewage or other liquid waste, and to cause all such sewage or other liquid waste to be discharged into the said sewer in a manner and by the use of materials to be approved of by the Medical Officer of Health; and the Town Clerk may, by written notice addressed to the owner, order such cess-pit, septic-tank, or cess-pool to be removed, filled in, or otherwise suitably dealt with to his satisfaction, within a period to be specified in such notice, and such owner shall comply with the terms of such notice.

5. No person shall cause any drain to empty into a sewer belonging to the Municipal Corporation except with the written permission of the Town Clerk and upon such conditions as he may prescribe.

6. A drain other than a drain constructed for the drainage of storm water shall be made of good sound pipes of approved material.

If such drain is constructed or adapted for conveying sewage it shall have a clear internal diameter of not less than four inches, and shall be laid with a proper fall and with watertight socketted or other approved joints.
