ESTATE DUTY ORDINANCES 1918 TO 1923.

CORRECTIVE ACCOUNT FOR USE WHERE TOO LITTLE OR TOO MUCH ESTATE DUTY HAS BEEN PAID UPON AN ACCOUNT.

This Corrective Account, when filled up, should be transmitted by post to the Assistant Estate Duty Commissioner, P.O. Box 231, Nairobi. If preferred, it may be left at the office. In suitable cases an interview will be arranged. If a *Return of Duty* is applied for, the form should be accompanied by evidence in support of the claim *and the original stamped account should be sent. If further duty is to be paid*, the form should be filled up in duplicate.

OBSERVE.—The Commissioners, if they think fit, may dispense with an oath in corrections of Estate Duty. This form if the parties so desire, may, *except in return of Duty cases* be sent signed *but unsworn* in the first instance. If required to be sworn, it will be returned for that purpose.

Here state the name and address of the person who forwards the Account. {

A CORRECTIVE ACCOUNT of property chargeable with Estate Duty on the death of.....deceased.

1. I.....

(1) If affirmed substitute "do solemnly and sincerely affirm."

(1) make oath and say as follows:—

2. This deceased, late of.....
died on the.....day of.....19.....

(2) Insert "me" or "us" or state the names of the persons by whom the Accounts were delivered.

3. ...Account...of property which *passed*, or is *deemed to have passed*, on the death of the deceased within the meaning of the Estate Duty Ordinance, 1918 to 1923, ha...been delivered by (2).....

Fill in blanks and adapt generally to suit the circumstances of the case.

4. It has now been discovered that in the circumstances stated overleaf TOO LITTLE (or) TOO MUCH Estate Duty has been paid upon the Account or Accounts which has or have already been delivered.

Observe.

Is it intended to pay now the Estate Duty on the interests in expectancy, if any such are included in this Account?

5. The corrected particulars and values of the properties included or which should have been included in the Account or Accounts which has or have already been delivered, the values whereof were incorrectly, or were not at all stated therein, are shown overleaf. The corrected rate of Estate Duty is also shown.

Reply.....

Is it intended to pay the Estate Duty on the real property in one sum, or by yearly, or by half-yearly instalments?

6. The debts and incumbrances not hitherto deducted, and comprised in the Schedule annexed to this Account, were at the time of the deceased's death subsisting charges on the real property comprised in this Account or in the Account or Accounts which has or have already been delivered, or on some part or parts thereof. The particulars of the instruments by which they were secured or created, and the names and addresses of the several persons to or in whom the debts and incumbrances are now due or vested, are stated.

Reply.....

(3) If there is a right to reimbursement, but it cannot be obtained, adapt the paragraph.

7. The said debts and incumbrances were incurred or created by the deceased or by some one or more of his predecessors in title. In so far as they were incurred by the deceased or were created by a disposition made by him they were created or incurred *bona fide* for full consideration in money or money's worth, wholly for the deceased's own use or benefit, and they take effect out of his interest. The debts and incumbrances are not, nor are any of them, primarily chargeable upon any other property passing on the death of the deceased. There is no right to reimbursement (3) from any other estate or person whatsoever in respect of them.

8. Save as appears in and by this Account, and the Account or Accounts which has or have already been delivered, no property chargeable with Estate Duty *passed*, or is *deemed to have passed*, within the meaning of the Estate Duty Ordinances, 1918—1923, so far as I.....know or believe, on the death of the deceased.

9. It now therefore appears that in the circumstances stated overleaf **TOO LITTLE** (or) **TOO MUCH** Estate Duty has been paid, all which is submitted to the Estate Duty Commissioners, in order that the deficient duty, with interest thereon, may be accepted, or that the overpaid duty may be returned to.....

GOVERNMENT NOTICE No. 310.

The following statements of Objects and Reasons for Bills appearing in previous issues of the Official Gazette are published for general information :—

THE WITCHCRAFT BILL, 1925.

(Vide Official Gazette of 13th May, 1925).

STATEMENT OF OBJECTS AND REASONS.

This Bill repeals and replaces the existing law dealing with witchcraft.

It has been devised to give greater assistance in the stamping out of the practice of witchcraft and the evils ensuing therefrom.

Increased penalties are imposed.

Provisions are inserted which it is hoped will prevent the practice of accusing others to be witches but which will at the same time encourage people to report freely to Government officials any instances of the practice of witchcraft.

Power is given to enable District Officers to order persons practising witchcraft to reside in certain specified places.

After conviction for witchcraft the Judge may recommend that the convicted person be deported and he will then be dealt with under the provisions of the Deportation Ordinance.

THE REFORMATORY SCHOOLS AMENDMENT
BILL, 1925.*(Vide Official Gazette of 25th March, 1925).*

STATEMENT OF OBJECTS AND REASONS.

This Bill is to enable boys up to the age of sixteen instead of fifteen years only, to be sent to Reformatory School and there to be detained for a minimum of three instead of two years.

THE VAGRANCY AMENDMENT BILL, 1925.

(Vide Official Gazette of 1st April, 1925).

STATEMENT OF OBJECTS AND REASONS.

This Bill amends the Principal Ordinance so as to give the Police powers to deal with itinerant fortune tellers as vagrants.

THE WIDOWS' AND ORPHANS' PENSION
AMENDMENT BILL, 1925.

(Vide Official Gazette of 1st July, 1925).

STATEMENT OF OBJECTS AND REASONS.

This Bill has been drafted at the instance of the Secretary of State.

It provides that officers who were in the Service when the Scheme was initiated and who became contributors but did not make lump sum contribution may now do so, if passed as first class lives and that any officer who made a lump sum contribution not equal to the maximum may now increase it to the maximum.

THE PRISONS AMENDMENT BILL, 1925.

(Vide Official Gazette of 1st April, 1925).

STATEMENT OF OBJECTS AND REASONS.

The principal object of this Bill is to repeal in the Principal Ordinance the sections concerning the enlistment and conditions of service of subordinate staff which are better dealt with by Rules.

The opportunity has been taken to effect alterations in the designations of officials.

Sections 5 and 6 of the Bill are intended to allow of the introduction of new Rules with regard to civil debtors.

THE BANKRUPTCY BILL.

(Vide Supplement No. 2 to Official Gazette of 10th June, 1925).

STATEMENT OF OBJECTS AND REASONS.

The object of this Bill is to provide that the bankruptcy law of the Colony shall be identical, as far as possible, with the bankruptcy law of England.

To suit local conditions various modifications of the English law are necessary and effect has been given to these in the draft Bill.

The functions of the Board of Trade under the English Act are divided between the Supreme Court and the Official Receiver. The other duties of the Official Receiver are comparable with those of the Official Receiver in England.

Provision has been made for the enforcement by the Supreme Court of orders in bankruptcy made by the Courts of the other East African Dependencies.

It is anticipated that this will lead to the enactment of similar reciprocal provisions by the other dependencies.

THE SHOP HOURS BILL.

(Vide Official Gazette of 1st July, 1925).

STATEMENT OF OBJECTS AND REASONS.

This Bill is intended to regulate the conditions of employment of shop-assistants. In its main principles it follows the corresponding law which has worked successfully in England. Provision is made for weekly half holidays and an annual holiday; Sunday closing is made compulsory, hours of employment are controlled and intervals for meals are insisted upon. Exemptions for special trades and provisions for various contingencies are provided which will it is considered prevent the Bill being harsh in its incidence.

Provision is made for the application of the Ordinance to particular townships and other areas.
