And whereas We did thereby authorise, empower and  
command the Governor to do and execute all things that belong  
to his said office, according to the tenour of Our said Letters  
Patent and of any Orders in Council relating to the territories  
formerly known as the East Africa Protectorate, save in so far  
as any provision of any such Order in Council might be  
repugnant to any of the provisions of Our said Letters Patent,  
and of such Commission as might be issued to him under the  
Royal Sign Manual and Signet, and according to such  
instructions as might from time to time be given to him under

## THE PATENTS AND DESIGNS (AMENDMENT)

BILL, 1925.

### STATEMENT OF OBJECTS AND REASONS.

The object of this Bill is to amend the Principal Ordinance in accordance with the suggestion of the Secretary of State, to carry out the recommendations of the British Empire Patent Conference as to the simplification of procedure and the reduction of the cost of obtaining a patent operative throughout the Empire.

The present Bill is based on the lines of a draft model Ordinance which has been prepared by the Board of Trade.

The effect of the amendments is to substitute for the grant of letters patent in the Colony the registration of a United Kingdom patent, as the grant of patents by the Central Patent Office now gives protection in all colonies and protectorates.

When the Bill has been passed the Rules under the Principal Ordinance will be amended to allow for the reduction of fees.

Sections 7 to 11 have hitherto been rules in the Schedule to the Principal Ordinance.

THE NOTARIES PUBLIC (AMENDMENT)

BILL, 1925.

STATEMENT OF OBJECTS AND REASONS.

The essential qualification is now altered to five years' practice in the Colony in place of five years' qualification as a barrister or solicitor.

The fees are increased from £10 and £3 to £20 and £5 respectively in order to approximate more closely to the fees ruling in England.

THE ELECTRIC POWER (AMENDMENT) BILL, 1925.

*(Vide Official Gazette of 1st July, 1925.)*

STATEMENT OF OBJECTS AND REASONS.

Section 70 of the Principal Ordinance enables a licensee to enter into agreements with consumers as to the price to be charged for electrical energy, but the licensee must not, under Section 72, in making such agreements show any undue preference. In case of difference the Governor in Council is the arbiter.

Such agreements under Section 137 must be approved by the Governor in Council and if at a later date it is discovered that an agreement does in fact give preference the Governor in Council has to review the terms of the agreement already approved.

To remove this anomaly Section 137 is repealed.

The amendments of Sections 2, 17, and 32, are consequential.

The proviso added to Section 42 of the Principal Ordinance by the Electric Power (Amendment) Ordinance, 1923, is amended at the request of the Secretary of State as at present it might be construed that the proviso referred only to licences mentioned in Section 42 (2) instead of to all licences.
