## RULES.

IN EXERCISE of the powers conferred upon him by the East Africa Townships Ordinance, 1903, His Excellency the Governor in Council has been pleased to make the following Rules:—

1. These Rules may be cited as "the Baggage Clearing Rules, 1926," and shall apply to the Township of Mombasa.

2. "Baggage clearing agent" shall mean any person, not being otherwise licensed for the conveyance of passengers' luggage, who in the way of business handles passengers' baggage for remuneration between a ship in Mombasa Harbour or in Kilindini Harbour and any part of Mombasa Island, or between the Customs House at Mombasa or Kilindini and any part of the said Island.

3. No person or firm shall carry on the business of a baggage clearing agent within the Township of Mombasa unless such person or firm has been registered by the Resident Commissioner or by some person authorised by him in that behalf. The fee payable on registration shall be Sh. 25 per annum or part thereof.

4. The Resident Commissioner may, in his discretion, refuse to register any person or firm as a baggage clearing agent.

5. Every person or firm registered as a baggage clearing agent shall enter into a bond in the sum of Sh. 1,000 with one or more sureties to secure the faithful discharge of his duties.

6. Any registered agent may be struck off the register for misconduct in his duties.

The above are maximum authorised charges and do not preclude lesser charges by arrangement.

11. Nothing in these Regulations shall be construed as conferring a right on any authorised baggage agent to board any ship.

## PUBLIC WORKS DEPARTMENT.

## CONTRACTS FOR WORKS DURING 1926.

THE list of contractors who wish to be invited to tender for works during 1926 is now being prepared. When such works are proposed, contracts will, when possible, be arranged for:—

1. Erection of new buildings.
2. Painting and major works in connection with the maintenance of existing buildings.
3. Construction of new roads and bridges and certain classes of road improvement.
4. Maintenance of existing roads.

Lists of contractors for the above classes of work are being revised in the following divisions and subdivisions of this Department:—

Mombasa (including the Coast area).

Nairobi (including Machakos and Kyambu Districts).

Naivasha (including Nakuru, Ravine and Rumuruti Districts).

Kisumu (including Lumbwa, Kericho, and North and South Kavirondo Districts).

Nyeri (including Fort Hall, West, East and North Kenya areas).

Eldoret (including Trans-Nzoia).

Persons desirous of being invited to tender from time to time for the classes of work alluded to, whether their names are at present on the list of contractors or not, are requested to send their names as soon as possible after the appearance of this notice to the Executive Engineer at the P.W.D. Office in the particular division or subdivision in which they are prepared to operate, stating at the same time which of the above classes of work they wish to undertake and the limits of the area within which they are willing to enter into contracts. If

a contractor wishes to tender for work in more than one of the above divisions, he must submit separate applications to the Executive Engineer in charge of each division.

Invitations to tender will be sent to contractors registered for the class of work concerned, and notices will be displayed at the offices of Resident or District Commissioners and Executive Engineers. No further public notice of works contemplated, except possibly unusually large building works, will be given in the Press until January, 1927.

It is probable that there will be an extensive programme of new building work this year, and it is necessary that the list of contractors should be as complete as possible.

Applicants whose names are not already on the list of contractors must supply the Executive Engineer with a statement in support of their ability to undertake the class of work for which they apply.
