GOVERNMENT NOTICE No. 67.

VOTING BY POST.

The following Rules under the Legislative Council Ordinance, which are contained in Government Notice No. 271 of 1919, as amended by Government Notices Nos. 34 and 95 of 1920, are republished for general information.

RULES.

IN EXERCISE of the powers conferred on him by the Legislative Council Ordinance, 1919, His Excellency the Governor in Executive Council has been pleased to make the following Rules :—

1. These Rules may be cited as “ the Voting by Post Rules, 1919.”

2. In any election of a Member of the Legislative Council under the provisions of the Legislative Council Ordinance, 1919, any elector who satisfies the returning officer—

- (a) that he resides at least ten miles from the nearest polling station at which he is entitled to vote, or
- (b) that he has reason to believe either that on the polling day he will not be within ten miles of the polling station at which he is entitled to vote, or
- (c) that on account of ill-health and infirmity he will be prevented from voting,

may apply to the returning officer of the electoral area in which he is registered for a postal ballot paper.

3. If the returning officer is satisfied as to the applicant's right to vote he shall send him a postal ballot paper. If he is not satisfied he shall send the applicant a notice that he, the returning officer, is not satisfied of the applicant's right to vote and that he must attend personally at the proper polling station to record his vote.

4. The returning officer shall on the register record the fact that a postal ballot paper has been sent to such applicant and the date of posting. If possible the returning officer shall notify before the ballot to the presiding officer at every polling station at which the register is used on which the applicant's name appears the fact of the issue of such postal ballot paper.

5. (1) The voter who has applied for a postal ballot paper and to whom a postal ballot paper has been sent shall in order to record his vote produce the same to any postmaster, magistrate or justice of the peace within the Colony and Protectorate. He shall then mark such paper by placing the mark X opposite the name of the candidate for whom he votes, but the postmaster, magistrate or justice of the peace, as the case may be, shall not see the same. No other mark, writing or signature save as hereinafter provided shall be placed by the voter on the postal ballot paper. The voter shall then fold the postal ballot paper so as to conceal his vote and shall sign his name thereon in the place provided on the counterfoil in the presence of the postmaster, magistrate or justice of the peace as the case may be who shall witness such signature and the voter shall then enclose the ballot paper in the envelope provided and hand it to the postmaster, magistrate or justice of the peace as the case may be.

(2) The postmaster, magistrate or justice of the peace as the case may be shall then post the ballot paper to the returning officer for the area in which the voter is registered as soon as practicable.

(3) The returning officer on the receipt of an envelope containing a postal ballot paper shall keep the same until the close of the poll.

6. At the count of the poll the returning officer shall produce unopened all envelopes containing postal ballot papers received by him before the close of the poll and such envelopes shall be opened in the presence of any presiding officer of the electoral area.

7. (1) The returning officer shall then produce all applications for postal ballot papers and without unfolding the postal ballot paper or allowing it to be inspected compare the signature of the voter on the postal ballot paper with the signature of the application and allow any such presiding officer to inspect the same and the returning officer shall determine whether or not the signature on the postal ballot paper is that of the applicant.

(2) If the postal ballot paper is allowed by the returning officer he shall tear off the counterfoil containing the voter's name without seeing the name of the candidate for whom he has voted and shall insert the folded postal ballot paper in a ballot box provided for the purpose and separate from the ballot box or boxes used during the polling and when all such postal ballot papers have been so inserted the counting of the votes so recorded therein shall commence.

(3) The list of the numbers of votes received by each candidate shall show separately the votes tendered personally and the votes given by postal ballot papers.

8. If a postal ballot paper is filled up or otherwise dealt with in a manner contrary to that provided by these Rules the returning officer shall disallow such postal ballot paper, and the vote shall not be counted.

9. If the returning officer disallows a postal ballot paper then such postal ballot paper shall be included in a sealed packet and the returning officer shall retain the same unless it be required for the purposes of any inquiry under the Legislative Council Ordinance, 1919.

10. The returning officer's decision in respect of any postal ballot paper shall be final.

11. A postal ballot paper shall contain a list of the candidates described as in their respective nomination papers and shall be capable of being folded up so that the counterfoil hereinafter provided shall be visible. Each postal ballot paper shall have a number marked on the back corresponding to the number on the register of the voter to whom it is issued, and shall have attached a counterfoil with the same number marked on the face thereof. The counterfoil shall contain a space for the voter's signature and for the witness thereto as provided by these Rules.

12. Any person who attempts to induce anyone in his employ to obtain a postal ballot with the intention of influencing him by bribery or intimidation to record his vote in favour of any particular candidate shall be liable on conviction to a penalty not exceeding Rs. 750.
