1. These Rules may be cited as the Agricultural Produce Export (Potatoes) Rules, 1927, and shall take effect from the 1st day of July, 1927.

2. In these Rules "Potatoes" shall mean the tubers of *Solanum tuberosum*.

3. It shall be unlawful for any person to export or cause or permit to be exported or attempt to export any potatoes, unless and until such potatoes shall have been inspected and certified as fit for export by the inspector at Kilindini Wharf or Mbaraki Pier or at such other place at the Coast as the Director of Agriculture may from time to time prescribe.

4. A certificate, hereinafter called an "Exportation Certificate", shall be issued by the inspector to the owner or shipper of a consignment of potatoes which have been inspected and passed as fit for export.

5. Any person intending to export any potatoes shall first give notice of such intention to the inspector. Such notice shall be given at least four days before the date of shipment and shall contain all particulars of the consignment including the name of the consignee, name of ship on which consignment is being shipped, destination, and number and weight of packages.

When required to do so by the inspector, the owner or shipper of a consignment shall have such consignment ready for inspection at either of the places mentioned in Rule 3 hereof at least two days before shipment.

6. Inspection shall ordinarily be made within seven days of shipment and, if in the opinion of the inspector such is necessary, re-inspection may be made at any subsequent time before shipment.

7. No potatoes shall be passed as fit for export, of which—

(c) more than two per cent. by number of the tubers are less than one and three-quarter ounces in weight: Provided that no weight limit shall apply in the case of seed potatoes when it is certified to the satisfaction of the inspector that such potatoes are intended for seed purposes; and provided further that each package of seed potatoes shall be clearly marked "For seed purposes" and the exportation certificate shall be similarly endorsed.

8. It shall be lawful for the inspector to prohibit the export of potatoes which do not conform to the provisions of Rule 7 : provided that he shall have examined the potatoes contained in not less than five per cent. of the packages forming the consignment.

9. Potatoes consigned to ports north or east of Kisumu or south of Dar-es Salaam shall be packed in suitable ventilated barrels, wooden crates or other rigid receptacles to the satisfaction of the inspector.

10. Each receptacle containing potatoes for which an exportation certificate has been issued in accordance with these Rules shall be branded in red with the letter K within a ring.

11. In the event of a consignment not being passed by the inspector for export the consignment shall be removed by the owner or his agent within three days, but after re-grading by the owner or his agent, it may be re-submitted for inspection.

12. There shall be payable to the inspector an inspection fee of twenty cents per cwt., calculated on the net weight of the whole consignment submitted for inspection and such fee shall be payable before the exportation certificate is issued.

A similar fee shall be payable for every subsequent inspection of a consignment which was not passed as fit for export when first submitted for inspection.

13. The exportation certificate shall be delivered to the owner or shipper of a consignment of potatoes only on the production of the " Shipping Order " or " Bill of Lading " and after payment of any inspection fees due.

14. Government or the inspector shall not be liable for any loss or damage sustained in connection with the forwarding or submitting of potatoes for inspection under these Rules nor shall Government or the inspector undertake any responsibility in respect of any certificate which may be issued under these Rules.
