THE DISEASES OF ANIMALS ORDINANCE.

RULES.

IN EXERCISE of the powers conferred upon him by the Diseases of Animals Ordinance (Chapter 157 of the Revised Edition), His Excellency the Acting Governor in Council has been pleased to make the following Rules:—

1. These Rules may be cited as "the Diseases of Animals (Amendment) Rules, 1927," and shall be read as one with "the Diseases of Animals Rules, 1918," hereinafter referred to as "the Principal Rules".

2. The following shall be inserted as Rule 26 of the Principal Rules:—

"26. (1) Any person bringing cattle, camels, horses, mules, donkeys, sheep or goats from the Northern Frontier Province shall be in possession of a permit in writing from the administrative officer of the district from which the stock are moved and shall conduct such animals without undue delay to the Isiolo Veterinary Station by the route prescribed.

The owner or agent in charge of any cattle shall cause the said cattle to be inspected and actively immunised against rinderpest and vaccinated against pleuro-pneumonia or otherwise dealt with as may be considered necessary by the Veterinary authorities at the Isiolo Veterinary Station. The owner or agent shall pay the prescribed fees for these services. The cattle shall be dipped and branded as required before leaving the Veterinary Station, and payment therefor shall be made at the prescribed rate.

(2) An auction centre shall be established within the Isiolo Veterinary Station which shall be under the direct control of the veterinary officer or stock inspector in charge of the Veterinary Station, hereinafter called "the officer-in-charge," and subject to such general regulations as are contained herein or may from time to time be prescribed by the Chief Veterinary Officer.

(3) No animals shall be moved from the Isiolo Veterinary Station until a permit in writing shall have been obtained from the officer-in-charge. Such permit will be granted subject to the following conditions—

(a) that the owner—

- (i) if a non-native, either by himself or by his agent, can satisfy the officer-in-charge that he has available in a non-native area grazing of sufficient capacity to accommodate his stock or can produce a permit that he is entitled to graze a specified number of cattle on a commonage or township grazing area; or
- (ii) if a native of the Colony acting on his own behalf and not as agent for a non-native, can satisfy the officer-in-charge that he is a native resident in a native reserve and can produce a permit in writing from the administrative officer in charge of such native reserve authorising him to take a specified number of animals into such reserve, and

(b) that such animals shall have been inspected and inoculated against such disease or diseases as shall be specified from time to time by the Chief Veterinary Officer and shall have been branded according to his instructions:

Provided that no permit shall be issued unless the destination is specified and, in the case of cattle owned by a non-native, such cattle are branded with the registered brand of the owner or lessee of the grazing area at destination.

(4) Nothing in the preceding sub-rule shall prevent an owner or his agent on his behalf from obtaining a permit from the officer-in-charge to take his cattle or other animals—

- (a) to a *bona fide* butcher if the officer-in-charge is satisfied that the cattle or other animals are suitable and intended for slaughter;
- (b) to a specified auction sale: Provided that if the cattle or other animals or any of them are unsold within forty-eight hours after the termination of such auction sale the owner or his agent shall forthwith return such of the cattle or other animals as remain unsold to the Isiolo Veterinary Station unless he shall have obtained a permit under sub-rule 3 (a) of this rule.

(5) No person shall keep cattle, camels, horses, mules, sheep or goats at any place along the line of movement from Isiolo as specified on his permit for a longer period than forty-eight hours without the permission in writing from the District Commissioner of the district in which he is situated at the moment.

(6) Every owner of cattle, camels, horses, mules, donkeys, sheep or goats desirous of taking his stock to the Isiolo Veterinary Station shall abide by the following conditions—

- (a) he will pay the prescribed fees for inoculation of his animals;

- (b) on the fulfilment of the veterinary requirements and when the stock are ready for release, grazing fees shall become payable by him at the following rates—

For horses, cattle, camels, mules and donkeys :

- (i) in respect of the first month or part thereof, per head 50 cents.
- (ii) in respect of the second month or part thereof, per head Sh. 2.
- (iii) in respect of the third month or part thereof, per head Sh. 3.
- (iv) thereafter the grazing fee to increase at the rate of Sh. 1 per head per month or part of a month.

Provided that no grazing fees will be levied while stock are undergoing inoculation.

The fees chargeable for sheep and goats shall be twenty per cent. of the above rates respectively, for each period.

- (7) For the purposes of this rule the Isiolo Veterinary Station shall include the area bounded as follows :—

On the west by the Ndare River, on the south by the northern boundary of the area surveyed into farms, on the east by the Isiolo River, and on the north by the Uaso Nyiro River."
