2. The business of the Mombasa Municipal Board shall be conducted in accordance with the Standing Orders set forth in the Schedule hereto.

SCHEDULE.

STANDING ORDERS.

MEETINGS OF THE BOARD.

1. At least twenty-four hours before any meeting of the Board, an agenda specifying the business to be transacted thereat shall be supplied to every member either personally or by leaving the same at his usual place of residence or at his business address :

Provided that accidental omission to supply such agenda shall not affect the validity of the proceedings.

2. No business shall be transacted at a meeting other than that specified in the agenda relating thereto, except any matters which the Chairman considers urgent or which the Board resolves, by a majority of the whole Board or of three-fourths of the members present, to deal with as urgent.

3. The Board may adjourn a meeting to any day or hour, but no business shall be transacted at an adjourned meeting except such as was set out in the agenda for the meeting of which it is an adjournment, other than matters which are brought forward in accordance with Order No. 2 hereof.

4. If at the expiration of twenty minutes after the hour at which any meeting of the Board is appointed to be held a quorum shall not have assembled, no meeting shall take place, unless it is decided, with the unanimous consent of the members present, to allow further time, not exceeding an additional ten minutes, in order to enable a quorum to assemble.

5. The Town Clerk shall keep an attendance book in which he shall record the attendance of members at each meeting of the Board.

7. Minutes of the proceedings of every meeting of the Board shall be drawn up and printed and typewritten, and shall if confirmed be signed at the next ensuing ordinary meeting by the Chairman.

8. The minutes of the last meeting shall be taken as read, with a view to confirmation, provided that a copy of the minutes shall have been sent to each member of the Board not less than twenty-four hours previously.

9. No motion or discussion shall be allowed upon the minutes except as to their accuracy.

REPORTS OF COMMITTEES.

10. Except as to any report which a Committee may bring up as a matter of urgency (of which urgency the Chairman of the Board shall be the judge), the reports and recommendations of Committees shall be printed or typewritten, and sent to each member of the Board, so that the same may, in the ordinary course of post, be delivered at the address of each member at least twenty-four hours before the meeting of the Board at which they are to be considered.

11. The member bringing up a report shall move: "That the report be received."

Upon the motion that the report be received, if among the other paragraphs there be one not containing a recommendation, it shall be competent for a member to move: "That the report be received with the exception of paragraph No....." The Board having agreed to receive the report as a whole, the Town Clerk shall thereupon put the recommendations therein contained seriatim (unless for good cause the Chairman of the Board shall see fit to vary their order).

12. No recommendations of committees shall require to be proposed or recorded, but each recommendation shall, upon being put by the Town Clerk, become a motion under debate.

13. The Chairman of a Committee or other member bringing up a report may withdraw or amend any paragraph with the consent of the Board.

14. It shall not be in order to move an abstract resolution on any paragraph of a report of any Standing Committee.

15. Any proposal which would have the effect of increasing the expenditure of the Board must take the form of a reference to a Committee for consideration.

16. Petitions may be presented by any member of the Board, but the presentation of a petition shall not be accompanied by any speech or comment.

17. Deputations wishing to be received by the Board shall be requested in the first instance to send in a memorial in writing, and the Town Clerk shall bring the memorial before the Committee concerned, which shall be authorised, if it see fit, to receive the deputation, and to report to the Board. If the Committee is of opinion that the memorial is one which

should be brought before the Board, the Committee shall so report; and, if the Board shall so order, the deputation shall be invited to attend.

18. A deputation shall not exceed five in number, and only one member thereof shall be at liberty to address the Board, except in reply to questions from members of the Board, and the matter shall not be further considered by the Board until the deputation shall have withdrawn.

NOTICES OF MOTION.

19. Every notice of motion shall be in writing, signed by the member giving the notice. It shall be given to the Town Clerk and shall be entered in a book to be kept in his office, which book shall be open to the inspection of every member. A notice of motion which shall not have been received at least forty-eight hours before any meeting of the Board shall not be specified in the agenda for such meeting, and every notice of motion shall be relevant to some question affecting the administration or condition of the Municipality.

20. All notices of motion shall be dated and numbered as received, and shall be entered by the Town Clerk upon the agenda paper in the order in which they are received, save and except that notice of an amendment shall be entered immediately after such notice of motion, irrespective of the time at which notice of the motion shall have been received.

21. No member shall have more than two notices of motion on the agenda paper at the same time.

22. In dealing with notices of motion the Chairman of the Board shall first of all read out the number of each and the name of the mover, so as to ascertain which motions are unopposed, and these last shall be passed forthwith. The Chairman of the Board shall then call on the movers of the opposed motions in their order on the paper.

23. When a written notice of opposition to a motion on the agenda paper has been lodged with the Town Clerk at the table before or within one hour after the commencement of the meeting, such motion shall be considered as opposed business not to be passed without discussion.

24. (a) At any meeting of the Board questions relevant to the general work or procedure of the Board may be put, subject to the following conditions:—

- (1) Notice of questions must be given in writing to the Town Clerk not later than noon on the day preceding such Board meeting, and he shall forthwith furnish copies of such questions to the Chairman of the Board and to the Chairmen of the Committees concerned.
- (2) Questions germane to the work of any Committee shall be put to the Chairman of such Committee, or to the member acting on his behalf, immediately after the report of such committee has been taken.
- (3) Without notice as aforesaid, no question shall be put except questions of urgent importance (of which the Chairman of the Board shall be the judge). Every

such question shall be reduced to writing and signed before being submitted to the Chairman for his decision.

(4) If, after a reply to a question, a member considers that his question requires further elucidation, he may ask for a further reply.

(b) A member putting a question under this Standing Order, and the member giving a reply to such question, shall be furnished with a copy of such reply.

CONDUCT OF DEBATE.

25. Members of the Board shall stand when speaking, and shall address the chair.

26. A member who speaks shall direct his speech strictly to the motion under discussion, or to an explanation or a question of order.

27. Whenever the Chairman of the Board rises during a debate, any member then speaking or offering to speak is to resume his seat, and the Board is to be silent, so that the Chairman of the Board may be heard without interruption.

28. No speech shall exceed ten minutes in length without the consent of the Board.

29. The Chairman of the Board shall call the attention of the Board to continued irrelevance, tedious repetition, unbecoming language, or any breach of order on the part of a member; and shall direct such member, if speaking, to discontinue his speech, or in the event of persistent disregard of the authority of the chair, to retire for the remainder of the sitting.

30. The Board may suspend and exclude any member or members who may disregard the authority of the chair, or who may wilfully obstruct the business of the Board, provided that no such suspension and exclusion shall be for a period of more than six weeks.

31. No member shall address the Board more than once on any motion or amendment; the mover of the original motion may, however, reply, but he shall strictly confine himself to answering previous speakers, and shall not introduce any new matter into the debate. The right of reply shall not extend to the mover of an amendment which, having been carried, has become the substantive motion.

32. Any member, whether he has spoken on the matter under discussion or not, may rise to a point of order, or in explanation, but such explanation shall be confined to some material part of his former speech which may have been misunderstood. A member so rising shall be entitled to be heard forthwith.

33. A motion or amendment may be withdrawn by the mover, with the consent of the Board, which shall be signified without debate, and it shall not be competent for any member to speak upon it after the mover has asked permission for its withdrawal, unless such permission shall have been refused.

34. The ruling of the Chairman of the Board on a point of order or on the admissibility of a personal explanation, shall be final, and shall not be open to discussion.

35. When a motion is under debate at any meeting of the Board, no further motion shall be received except the following :—

To amend the motion.

That the consideration of the question be postponed.

That the Board do now adjourn.

That the debate be adjourned.

That the question be now put.

That the Board do proceed to the next business.

To amend the motion.

36. Every amendment shall be relevant to the motion on which it is moved.

37. Every amendment shall be reduced to writing, signed by the mover, and handed to the Chairman of the Board or to the Town Clerk.

38. Every amendment shall be read before being moved.

39. No amendment shall be discussed or put to the Board until it shall have been seconded.

40. A member shall not address the Board more than once on an amendment. The right of reply shall not extend to the mover of an amendment which, having been carried, has become a substantive motion. A member who has seconded an amendment in a formal manner shall be permitted afterwards to speak upon it.

41. Whenever an amendment upon an original motion has been moved and seconded, no second or subsequent amendment shall be moved until the first amendment shall have been disposed of. If an amendment be carried, the motion as amended shall take the place of the original motion, and shall become the question upon which any further amendment may be moved.

42. No member shall be at liberty to move more than one amendment upon any motion.

43. An amendment may be withdrawn by the mover, with the consent of the Board, which shall be signified without debate, and it shall not be competent for any member to speak upon it after the mover has asked permission for its withdrawal unless such permission shall have been refused.

44. Any motion affecting the drafting or amendment of by-laws or legislation (except in the case of verbal amendments accepted by the Chairman of the Committee concerned) shall, before the Board finally vote thereon, be referred to the Committee within whose reference the matter lies, and such Committee shall report to the Board the general effect of such motion, if passed, upon existing by-laws or legislation. The motion shall then be considered by the Board together with any recommendations the Committee may see fit to make.

That the consideration of the question be postponed.

45. Any member of the Board may, at the conclusion of any speech, move that the consideration of the question be postponed to any stated period, or *sine die*. Such motion must be seconded, but it need not be reduced to writing. The mover may speak for not more than five minutes, but the seconder shall not be permitted to speak, beyond formally seconding it. Upon such a motion being made, the mover of the question under debate may (without prejudice to his ultimate right of reply if the motion that the question be postponed be not carried) be heard in reply for five minutes, after which the question shall be put without further debate.

46. If the postponement to a stated period be carried, the motion shall be placed first on the list of motions for the day to which it has been postponed.

47. The motion may be withdrawn by the mover, with the consent of the Board signified without debate.

That the Board do now adjourn.

48. Any member of the Board may, at the conclusion of any speech, move that the Board do now adjourn. Such a motion must be seconded, but it need not be reduced to writing. The mover may speak for not more than five minutes, but the seconder shall not be permitted to speak beyond formally seconding it. Upon such a motion being made, the mover of the question under debate may (without prejudice to his ultimate right of reply if the motion to adjourn be not carried) be heard in reply for five minutes, after which the question shall be put without further debate. If the motion be carried the question under debate shall become a dropped motion.

49. A second motion that the Board do now adjourn shall not be made within half an hour, unless in the opinion of the Chairman of the Board the circumstances of the question are materially altered.

50. No member shall move or second more than one motion for the adjournment of the Board at one sitting.

51. On a motion for the adjournment of the Board, it shall be competent for the Chairman of the Board, before putting that motion, to take the pleasure of the Board as to whether it will proceed to the transaction of unopposed business before adjourning. The motion to adjourn may be withdrawn by the mover with the consent of the Board signified without debate.

That the Debate be adjourned.

52. Any member of the Board may, at the conclusion of any speech, move that the debate be adjourned. Such a motion must be seconded, but it need not be reduced to writing. The mover may speak for not more than five minutes, but the seconder shall not be permitted to speak beyond formally seconding it. Upon such a motion being made, the mover of the question under debate may (without prejudice to his ultimate right of reply if the motion that the debate be adjourned be not carried) be heard in reply for five minutes, after which the question shall be put without any further debate.

53. If the motion that the debate be adjourned be carried the discussion shall be resumed at the next meeting of the Board and the Board shall proceed to the next business on the paper.

54. On resuming an adjourned debate, the member who moved its adjournment shall be entitled to speak first.

55. A second motion that the debate be adjourned shall not be made within half an hour.

56. No member shall move or second more than one motion for adjournment of the same debate.

57. The motion may be withdrawn by the mover with the consent of the Board signified without debate.

That the question be now put.

58. It shall be competent for any member at the close of any speech to move, without debate, that the question be now put, and the motion, if seconded, shall be put forthwith. Should the motion be carried, the motion or amendment under debate shall be at once put.

59. A second motion that the question be now put shall not be made within half an hour.

That the Board do proceed to the next business.

60. It shall be competent for any member at the close of any speech to move, without debate, that the Board do proceed to the next business, and, if the motion be seconded, it shall be put forthwith.

61. When a motion is carried that the Board do proceed to the next business, the question under discussion shall be considered as dropped.

62. A second motion that the Board do proceed to the next business shall not be made within half an hour.

63. The motion may be withdrawn by the mover, with the consent of the Board signified without debate.

VOTING.

64. Every motion, duly proposed and seconded, shall be submitted to the Board by the Chairman of the Board, who shall call upon the members in favour of the motion to say "Aye," and those against to say "No"; and he shall thereupon declare what he collects to be the sense of the Board:

Provided it shall always be in the power of any member to challenge the declaration of the Chairman of the Board, and to demand a division.

65. Previously to the Chairman taking the division, the question before the Board shall be put again by the Chairman of the Board, and every member then present (with the exception of the member occupying the chair, with whom it shall be optional whether he votes or not) shall record his vote either for or against the question. The Chairman of the Board shall take the vote of each member separately and such votes shall be recorded in the minutes, and the motion shall be declared carried or lost according to the numbers voting for or against it.

66. No member shall vote in a division unless he shall have been present when the question was put the second time.

67. When the Town Clerk shall have recorded all the votes cast, the Chairman of the Board shall announce the result of the division.

68. Applications for an appointment to an office the value of which exceeds £300 per year shall be called for by advertisement, except in cases where the Committee concerned may recommend the promotion of a member of the permanent staff. When applications are called for by advertisement, the Committee making the preliminary selection is (unless otherwise ordered) to submit to the Board the names of not more than three candidates, indicating at the same time, if it think fit, the candidate whom it recommends the Board to appoint. If the Board, instead of adopting the recommendation of the Committee, resolves to vote upon the three candidates submitted, the Chairman of the Board shall put to the Board the three names in alphabetical order, each member of the Board being at liberty to vote for one or more as he thinks fit, and the name of the candidate who has received the fewest votes shall be struck out. The Chairman of the Board shall then put the names of the other two candidates, and having declared which of them has received the most votes, he shall finally put the question whether such candidate shall be appointed to the office. If a majority of the members present vote in his favour he shall be declared to be appointed. If a majority of those present vote against him, the matter of the appointment shall be referred back to the Committee concerned.

COMMITTEES—APPOINTMENTS, CONSTITUTION, POWERS
AND DUTIES.

69. The Board shall, as soon as possible after the annual appointment of members as provided in section 10 of the Ordinance, proceed to the appointment of the Standing Committees, and to the reconsideration, if it is deemed necessary, of the references to be made to them. The Board may appoint new Standing Committees or Special Committees at any time.

70. As soon as possible after each appointment of members as provided in section 10 of the Ordinance, the Town Clerk shall obtain from each member a statement showing all the Committees in the order in which he would prefer to serve on them.

If the applications for any Committee exceed the maximum number of vacancies thereon, the names of members applying shall be submitted to ballot by the Board, and the vacancies shall be filled by the members receiving the most votes.

If the applications for any Committee do not exceed the maximum number of vacancies thereon, the name of each member applying shall be separately submitted to ballot, and such member shall only be elected if he receives a majority of votes in his favour from the members present.

If, after all the members of the Board have been provided with a place on some Committee, the number of members appointed to any Committee be less than the minimum ordered for that Committee, the Board shall have power to appoint by ballot enough members to make up the required minimum.

71. Every Standing Committee shall hold office until the first meeting of its successor.

72. No member of the Board shall have the right to nominate more than one member for any Committee.

73. The powers and duties of Committees shall be specially delegated to them by the Board. The Board may at any time withdraw, extend, or modify any reference to a Committee, provided, nevertheless, that any proposition to withdraw or modify a reference shall first be referred to the Committee concerned for consideration and report to the Board.

74. The Board may transfer any reference from one Committee to another after such report as aforesaid.

75. The Board may from time to time refer any new matter to a Committee.

76. The mover of any new reference to a Committee shall be summoned to attend the first meeting of the Committee where the matter of such reference is considered, and shall be entitled to be heard thereupon.

77. Any member of a Committee may resign his seat on the Committee by a notice in writing, signed by him and sent to the Chairman of the Committee or the Town Clerk.

78. The existence of a vacancy or vacancies upon a Committee does not affect the validity of any of its acts or proceedings.

79. Every vacancy on a Committee shall be notified by the Committee to the Board at its first meeting after such vacancy has arisen. The vacancy may be filled up by any other member of the Board appointed by the meeting.

80. When two members on different Committees agree to exchange from one Committee to another, they shall notify the same to the Town Clerk and the Chairmen of the Committees affected, and the matter shall be brought forward by the Committees in their reports at the next meeting of the Board. If the Board agree to the exchange the same shall take effect forthwith.

81. When any member of the Board is granted leave of absence from the meetings of the Board and Committees, the Board may appoint another member to act during the period for which leave is granted, in the place of such absent member on any Committee of the Board to which he had been appointed.

COMMITTEE OF THE WHOLE BOARD.

82. The Board may resolve itself into a Committee of the whole Board.

83. The quorum of the Committee of the whole Board shall not be less than one half of the members of the whole Board.

85. No business shall be entered upon or transacted in any Committee during the sitting of the Board, except by permission of the Board.

86. Notice of the time and place of every Committee meeting and an agenda of the business to be transacted thereat shall be served on every member either personally by leaving the same at his usual place of residence or at his business address, not less than twenty-four hours before such meeting :

Provided that the accidental omission to serve such notice and agenda shall not affect the validity of the proceedings.

87. Except in matters of urgency (of which the Chairman of the Committee shall be judge) no business shall be transacted at any meeting of the Committee except such as is set out in the agenda paper.

88. Every Standing Committee shall meet at least once in every calendar month. When any Committee has failed to meet for a month, the Town Clerk shall report the circumstance to the Board.

89. The Town Clerk shall keep an attendance book in which he shall record the attendance of members at each meeting of the Committee.

90. Members of the Board have the right of attending any Committee; the Chairman of the Committee may also permit a member so attending to speak.

92. The election of a Chairman and a Deputy Chairman shall be the first business of every Committee.

93. The Chairman of a Committee, or in his absence the Deputy Chairman, shall preside at every meeting of the Committee at which he is present. The Chairman or the Deputy Chairman, as the case may be, shall be entitled to vote in the first instance, and, in case of an equality of votes, may give a second or casting vote. Where he has not voted in the first instance, he may, in case of an equality of votes, give a casting vote. He shall sign the minutes when the same have been passed by the Committee. It shall be his duty, if present, to bring up the report of the Committee to the Board and to move the same, subject, however, to Standing Order No. 12.

94. In the absence of the Chairman of a Committee and the Deputy Chairman, the members shall appoint from among their own number an Acting Chairman who shall, when presiding, have the same powers and rights of voting as those possessed by the Chairman. He shall, in the absence of the Chairman, bring up the report of the Committee at which he was Acting Chairman, to the Board and move the same, subject, however, to Standing Order No. 12.

95. No member of the Board shall be Chairman of more than one Standing Committee.

COMMITTEE PROCEDURE.

96. The Board may make regulations as to procedure of all or any of the Committees.

VOTING.

97. Every matter brought before a Committee shall be decided by a majority of those present and voting. The voting shall be by show of hands. Any two members of the Committee then present and voting may require the names of the persons voting and the votes given to be entered in the minutes, and any member present and voting may require that his dissent from any resolution may be similarly recorded.

MINUTES.

98. Minutes of the proceedings of every meeting of the Committee shall be drawn up and printed or typewritten, and shall, if confirmed, be signed at the next ensuing ordinary meeting by the Chairman.

99. The minutes of the last meeting shall be taken as read, with a view to confirmation, provided that a copy of the minutes shall have been sent to each member of the Committee twenty-four hours previously.

100. No motion or discussion shall be allowed upon the minutes, except as to their accuracy.

REPORTS.

101. The Board may, except where any law or by-law otherwise requires, delegate to any Committee full authority to do any act on its behalf, and any acts of a Committee done in pursuance of such authority shall be valid and binding upon the Board, and need not be approved by the Board.

102. All Committees must report their proceedings to the Board, and every act of a Committee which is not done in pursuance of authority expressly delegated by the Board, must receive the approval of the Board before being valid.

103. Every Standing Committee shall report at least once a month.

104. The Reports of Committees shall where necessary contain the recommendations of the Committee on the matter reported on. The report shall be divided into paragraphs, which shall be numbered consecutively. Every report presented by a Committee to the Board shall be signed by the Chairman of the meeting at which the report was agreed to.

105. When both the Chairman and the Acting Chairman of a Committee are absent from the meeting of the Board at which a report of the committee is to be presented, the report shall be brought up by any other member of the Committee present, who shall have been deputed by the Committee, or shall be called upon by the Chairman of the Board to bring up the report.

106. After any recommendation of a Committee has been agreed to by the Board, the same shall forthwith be carried out by the Committee to which it is referred.

MOTIONS TO RESCIND AND NEGATIVED MOTIONS.

107. No motion to rescind any resolution which has been passed within the preceding three months, nor any motion to the same effect as any motion which has been negatived within the preceding three months, shall be in order unless notice thereof shall have been given and specified in the agenda, and the notice shall bear, in addition to the name of the member who proposes the motion, the names of three other members, and when any such motion has been disposed of by the Board it shall not be competent for any member to propose a similar motion within a further period of three months.

This Order shall not apply to motions which are moved by the Chairman or other member of a Committee in pursuance of a report of a Committee.

SAMPLES AND CANVASSING FOR ORDERS.

108. All communications respecting the supply of goods to the Board must, until further order, be addressed in writing to the Town Clerk. Personal canvassing of members of the Board for orders or leaving samples of goods by travellers and others is strictly prohibited.

SUSPENSION OF STANDING ORDERS.

109. Any Standing Order affecting procedure and conduct of meetings may be suspended with the consent of a majority of the members of the whole Board :

Provided that every resolution to suspend a Standing Order shall state the purpose for which the suspension is required and no such resolution shall be effective after the business to which it refers has been dealt with.

The suspension of any Standing Order shall not be deemed to affect in any manner the obligation to comply with any provisions of the Local Government (Municipalities) Ordinance, 1928.

INTERPRETATION OF STANDING ORDERS.

110. The rulings of the Chairman of the Board as to the interpretation of Standing Orders shall be embodied in the minutes of the Board, and a register shall be kept by the Town Clerk of such rulings. The Chairman of the Board shall sign each separate entry of a ruling given by himself.

111. Notice of motion to review the ruling of the Chairman of the Board or the Chairman of any Committee must take the form of an instruction to the General Purposes Committee to consider and report to the Board on such ruling, and must be placed on the agenda in accordance with Standing Order No. 19.

APPOINTMENTS.

112. Personal canvassing for appointments in the gift of the Board is strictly prohibited. Proof thereof shall disqualify a candidate for appointment.

113. The above Standing Order shall be quoted in advertisements calling for applications for appointments.

114. Members of the staff of the Board, including all heads of departments, shall not, except with the written permission of the Board, engage in any work other than that of

the Board, or be directly or indirectly concerned in the conduct of any private business, but shall, except in the case where such permission has been obtained, be required to devote the whole of their time to the Board's service, and any fees received by them when appearing as witnesses, or in any other capacity on the Board's behalf, and all moneys earned during the term of their engagement with the Board in connection with any outside work which has not been the subject of such permission as aforesaid, shall be paid to the Board.

115. No servant of the Municipality shall receive any present, pecuniary or valuable, from or on account of any person or persons who either have, or seek to have, any business relations with the Board.

This rule applies not only to the servants of the Board themselves, but to their families, and such servants of the Board are responsible for its observance by their families. It is not intended to apply to cases of remuneration for special services rendered and paid for with the consent of the Board, or to the ordinary gifts of personal friends.

TOWN CLERK.

116. The Town Clerk shall be the chief administrative official of the Board. He shall be responsible for the proper conduct of the Board's business and see that it is carried on with order and regularity, and in accordance with what is prescribed by law, by the Standing Orders of the Board and the orders of reference to the various Committees. He may also if necessary be appointed to act as Treasurer of the Board.

117. The Town Clerk shall exercise general supervision over the whole of the permanent staff, except heads of departments, and shall give particular attention to the punctuality of attendance of all members of the indoor staff at the Central Offices. He shall advise the Board on questions relating to the allotment of rooms among the different departments of the staff, and on other questions of internal arrangements of the office.

118. The Town Clerk shall advise the Board upon questions relating to the appointment, pay, duties, promotion, superannuation and dismissal of the members of the staff.

119. As Town Clerk he is Clerk of the Board and of all Committees of the Board. It shall not, however, be obligatory upon him to attend Committee meetings, unless called upon by a Committee to advise them on any subject but, where he does not himself attend a Committee meeting, he shall depute a Committee Clerk to attend such meeting. He shall give them all necessary information and assistance concerning the conduct and course of business.

120. The Town Clerk shall have charge of and be responsible for all the records and documents of the Board, and shall conduct the correspondence of the Board except such portions of it as the Board shall specially entrust to the chief officer of any other department.

121. All communications addressed to the Board shall, where necessary be laid by the Town Clerk before the Committee which has charge of the business to which the communication relates.

122. The Town Clerk is to prepare and circulate annually a return showing the attendance of members of the Board at meetings of the Board and Committees (including Sub-Committees whose proceedings are recorded).

PUBLICATION OF DOCUMENTS AND RECORDS.

123. The Town Clerk shall on application being made to him by any newspaper, supply to such newspaper or its representative the reports of Committees. The Town Clerk being the authorised channel through which the newspapers receive these documents, members of the Board are expected to refrain from sending to the Press documents supplied to them with a view to their consideration by the Board.

124. The Board may suspend and exclude, for such period as it may fix, any member who is guilty of publication or disclosure of any document or record of the Board, or the proceedings of any Committee of the Board, or of a Committee of the whole Board relating to any expropriation or purchase of land or other property by the Board, or any legal or arbitration proceedings in which the Board is concerned, or any matter the disclosure or publication of which would be prejudicial to the interests of the Board: Provided that no such suspension or exclusion shall be for a period of more than three months.

REPORTS OF OFFICIALS.

125. All heads of Departments and any other officers who may be instructed thereto by any Committee, shall submit monthly reports relating to the working of their departments or the duties they perform, and shall make recommendations where necessary for the better carrying out of any works or services or in connection with any matter for which they are responsible.

Each report shall be submitted to the Committee having charge of the department concerned, and copies thereof shall be sent to members of such Committee with the agenda paper referred to in Standing Order No. 86.

GENERAL NOTICE NO. 524.

DEPARTMENT OF AGRICULTURE.

LOCUST REPORT TO 1ST MAY, 1929.

Flame throwing operations on the Ngobit concentration have ceased, and the unit has been withdrawn. Work on this large swarm was continued for seven consecutive nights, and appreciable destruction effected.

Flame throwing in the Ravine-Nandi-Eldoret area is not feasible—the Nandi concentration moved north and north-east. The unit is being withdrawn. The opinion is formed that flame throwing is a useful method of destruction, but extensive operations are necessary, and dumps of fuel should be made near to the usual areas of locust concentration. In this way expeditious operations with a large number of flame throwers simultaneously are possible.

POSITION OF SWARMS.

A large swarm of rapidly maturing locusts is immobilised near Thomson's Falls.

The Ngobit swarm moved north and east, and is now beyond Meru in the Northern Frontier.

A yellow swarm is immobilised between Embu and Chuka. It is extensively parasitised.

A reddish-brown swarm was observed 40 miles from Ngong in the Masai Reserve.

The Rift Valley from Baringo to Lake Rudolph is occupied by locusts nearing the laying stage.

HOPPER DESTRUCTION.

There are two hopper areas in the Voi District. Staff and equipment have been sent to assist the District Commissioner there. Operations for destruction have commenced. There are hopper areas between Taveta and Moshi, which are receiving attention by natives under direction in Tanganyika.

Staff has been sent to Narok in the Masai Reserve to undertake operations on any hopper areas discovered between Kajiado and the Kisii border.

Staff has been sent to Kitui for the same purpose. Other units are being prepared for work between Athi River and Tsavo, and between Kajiado and Rombo in the Masai Reserve.

Another scouting officer has been detached for the Baringo-Karpeddo area.

Instructions have been issued to Locust Officers in the Nakuru District, Naivasha-Gilgil area, and the Laikipia Plateau to investigate possible laying areas.

The advent of good rains in the Nairobi District has driven local swarms far afield or dissipated them.

Rainfall elsewhere in the Colony has moved swarms into the lower and drier areas, where the locust is now domiciled. The swarms in the North Frontier and in the Rift Valley may move a great distance northwards before they commence laying.

Nairobi,
2nd May, 1929.E. HARRISON,
Deputy Director of Agriculture.

The balance of the purchase price shall be paid prior to the issue of title or may be paid in nine equal annual instalments, the first of such payments becoming due on 1st January, 1930.
