5 Restricted permission will generally be given for Decorations conferred in the following cases, but, as indicated in the preceding paragraph, will not necessarily be limited to these cases —

(1) On British Ambassadors or Ministers abroad when the King pays a State visit to the country to which they are accredited,

(Note —A State visit is defined as one on which the King is accompanied by a Minister or High Official in attendance)

(2) On Members of Deputations of British Regiments to Foreign Heads of States,

(3) On Members of Special Missions when the King is represented at a Foreign Coronation, Wedding, Funeral, or similar occasion, or on any Diplomatic Representative when specially accredited to represent His Majesty on such occasions (but not on the members of his Staff)

Restricted permission will *not* be given to—

- (a) British Ambassadors or Ministers abroad when leaving, except on final retirement from His Majesty's Diplomatic Service and in respect of a decoration offered by the Head of State to whom they were last accredited,
- (b) British Officers attending Foreign Manœuvres,
- (c) Naval Officers of British Squadrons visiting Foreign Waters

6 Both in the case of full and of restricted permission the matter will be submitted to the King by His Majesty's Principal Secretary of State for Foreign Affairs, who shall be under no obligation to consider applications for permission unless the desire of the Head of a Foreign State to confer upon a British subject the Insignia of an Order is notified to him before the Order is conferred, either through the British Diplomatic Representative accredited to the Head of the Foreign State, or through the Diplomatic Representative of the latter at the Court of St James

7 When His Majesty's Principal Secretary of State for Foreign Affairs shall have taken the King's pleasure on any such application, and shall have obtained His Majesty's permission for the person in whose favour it has been made to wear the Insignia of a Foreign Order, he shall signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause a Warrant, if it be a case for the issue of a Warrant as defined in Rule 2, to be prepared for the Royal Sign-Manual

When such Warrant shall have been signed by the King, a notification thereof shall be inserted in the "Gazette"

Persons in whose favour such Warrants are issued will be required to pay to His Majesty's Principal Secretary of State for the Home Department a stamp duty of Sh 10

8 The Warrant signifying His Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms. Every such Warrant as aforesaid shall contain a clause providing that His Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of His Majesty's Realms

10 Medals for saving or attempting to save life at sea or on land, whether conferred on behalf of the Head of Government of a Foreign State or by private Life Saving Societies or Institutions, may be accepted and worn without His Majesty's special permission,

(b) By restricted permission conveyed through the Keeper of His Majesty's Privy Purse

2 When permission is given by Warrant under the Royal Sign-Manual, the Insignia of the Foreign Order may be worn at all times and without any restriction

When restricted permission is given the Insignia may only be worn on the occasions specified in the terms of the letter from the Keeper of His Majesty's Privy Purse conveying the Royal sanction

3 The full and unrestricted permission by Warrant under the Royal Sign-Manual is designed to meet cases in which the Decoration has been earned by valuable service rendered to the Head of the State conferring it, or to the State itself. Such service must have been both of manifest and substantial value to the Head of the State or State concerned and not inconsistent with British interests, and

5 Both in the case of full and of restricted permission the matter will be submitted to the King by His Majesty's Principal Secretary of State for Foreign Affairs, who shall be under no obligation to consider applications for permission unless the desire of the Head of a Foreign State to confer upon a British subject the Insignia of an Order is notified to him before the Order is conferred, either through the British Diplomatic Representative accredited to the Head of the Foreign State, or through the Diplomatic Representative of the latter at the Court of St James

6 When His Majesty's Principal Secretary of State for Foreign Affairs shall have taken the King's pleasure on any such application, and shall have obtained His Majesty's permission for the person in whose favour it has been made to wear the Insignia of a Foreign Order, he shall signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause a Warrant, if it be a case for the issue of a Warrant as defined in Rule 2, to be prepared for the Royal Sign-Manual

When such Warrant shall have been signed by the King, a notification thereof shall be inserted in the "Gazette"

Persons in whose favour such Warrants are issued will be required to pay to His Majesty's Principal Secretary of State for the Home Department a stamp duty of Sh 10

Every such Warrant as aforesaid shall contain a clause providing that His Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of His Majesty's Realms

#### *Medals*

8 Medals, with the exceptions specified below, and State decorations not carrying membership of an Order of Chivalry, are subject to the Regulations in the same manner as Orders, but permission to wear is given by Letter and not by Royal Warrant. No permission is needed to accept a Foreign Medal if it is not to be worn

9 Medals for saving or attempting to save life at sea or on land, whether conferred on behalf of the Head or Government of a Foreign State or by private Life Saving

Societies or Institutions, may be accepted and worn without His Majesty's special permission,

## GENERAL NOTICE NO 884

## DEPARTMENT OF AGRICULTURE

LOCUST REPORT TO 10TH JULY, 1929

## FLYING SWARMS

Between Sor and Hocy's Bridge a medium sized pink swarm was seen flying south west. At Kijabe a small mixed swarm has been noted. No further reports as to the movements of the swarms noted in last week's report are to hand and there are no reports as yet of damage to crops.

## HOPPER AREAS

In Kenya generally matters are progressing smoothly and favourably. Track cutting is being carried out in Bungo to enable work to be done on a large infestation north of the lake. On account of the difficult nature of some of this undeveloped country operations are either impossible or very much hampered.

The Northern Frontier Province is very lightly infested this season, the majority of hoppers being in the region of Lake Rudolph.

Heavy work is being done in the Magadi-Kajiado area, as also in the Voi district.

No information is yet to hand regarding progress in Karamoja where some ten Locust Officers are now employed possibly too late to effect more than a small clearance.

There are altogether one hundred Locust Officers employed.

One is frequently asked how much longer locusts may remain in the Colony. The record of visitations since 1892 indicates that twice up to date there have been lengthy periods, viz 1901-1908 and 1914-1917. During these periods flying swarms have been reported several times each year. Hoppers have been reported only five times, four of the reports having come from the Voi district.

The table below is intended to compare the present invasion with the last one. Hopper periods are December, January, and June, July.

January 1914 — Swarms reported up to May	January 1928 — Swarms reported February to May
June 1914 — Hoppers reported in May	June 1928 — Hoppers reported in June. Flying swarms to November
January 1915 — Reports of flying swarms up to May	January 1929 — Hoppers reported and flying swarms up to June
June 1915 — Reports of flying swarms up to December	June 1929 — Hoppers reported
January 1916 — Reports of flying swarms up to May	January 1930 — Hoppers expected
June 1916 — Reports of flying swarms from September to December	June 1930 — ?
January 1917 — Flying swarms reported February and March	January 1931 — ?
June 1917 — Swarms in November and December. Hoppers in December. No further reports	June 1931 — ?

In the 1901-1908 period there must have been at least thirteen hopper infestations in sequence in these territories within range of Kenya. In the 1914-1917 period there must have been at least seven. It is clear that when natives say that flying swarms have been seen for four consecutive years, they probably mean four years actually and not as is often suggested, four rainy seasons or two years.

From the above record, it is not possible to state whether the present hopper infestation marks

the middle of the period of infestation, or not. That is purely a matter of conjecture. We know that parasitisation of flying locusts is more frequently noticed, but the increase in bird life is not yet very great, although there is an increase.

9th July, 1929

E. HARRISON,  
Deputy Director of Agriculture
