## GOVERNMENT NOTICE NO 42

His Excellency the Governor has approved of the following being introduced into the Legislative Council

G R SANDFORD  
*Clerk of the Legislative Council*

### **A Bill to Amend the Local Government (Rating) Ordinance, 1928.**

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows —

**1** This Ordinance may be cited as “ the Local Govern- Short title  
ment (Rating) (Amendment) Ordinance, 1930,” and shall be  
read as one with the Local Government (Rating) Ordinance,  
1928, hereinafter referred to as “ the Principal Ordinance ”

**5      2** Section 5 of the Principal Ordinance is hereby amended Addition of  
by the addition thereto at the end thereof of the following proviso to  
proviso — section 5 of  
the Principal  
Ordinance

“ Provided that in the case of the first valuation roll  
prepared for any local authority the Commissioner for  
Local Government may by certificate under his hand  
declare that the value of any improvements as required to  
be shown by paragraph (e) of this section need not be  
included in such valuation roll and such valuation roll  
shall be deemed to be a valid and proper valuation roll  
notwithstanding that it does not contain a valuation of  
such improvements ”

#### OBJECTS AND REASONS

Section 5 (e) of the Local Government (Rating) Ordinance, 1928, requires that a valuation roll must contain a valuation of improvements

In practice both in Nairobi and Mombasa it has been found impossible to complete the valuation of improvements within the time anticipated and a similar position may arise elsewhere. It is, therefore, proposed to amend the Ordinance so as to provide that the first valuation roll prepared under section 5 may be certified to be a valid and proper valuation roll notwithstanding that it does not contain a valuation of improvements

## GENERAL NOTICE No 156

## DEPARTMENT OF AGRICULTURE

## LOCUST REPORT TO 29-1-30

With the exception of the Voi District, there are now no hopper areas in the Colony, and the Locust Staff has been greatly reduced

*Northern Frontier Province*—Two swarms of young flying locusts are reported from Isiolo, flying south-west. The swarms are thin, and followed by numerous birds. They are reported to be continuing movement towards Baringo.

*Meru*—No fliers reported

*Embu*—All staff withdrawn. A few small swarms of young fliers have entered the district from Tharaka. These have moved along the face of Mt. Kenya to Kariakaya, presumably on account of rain between Kitui and Thika, preventing a southerly movement which had commenced.

*Kitui*—The last Locust Officer left this district on the 27th January. He reports the presence near Ukazizi of a medium flying swarm which has not as yet taken any direction of flight.

*Rumuruti*—The District Commissioner reports a swarm of pink locusts in the Arabel Valley and at Lariak, which has come from the north.

*Voi*—Flying locusts in thin streams have been observed moving in a south-easterly direction. Complete destruction will not be effected in this area and further swarms will arise, although operations continue.

All indications point to a minimum of damage being done by escapes, and the situation gives little cause for anxiety.
