Colony and Protectorate of Kenya

GOVERNMENT NOTICE No 202

HIS Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council

G R SANDFORD,
Clerk to the Legislative Council

A Bill to Amend the Criminal Procedure Ordinance

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows —

1 This Ordinance may be cited as “the Criminal Procedure (Amendment) Ordinance, 1930,” and shall be read as one with the Criminal Procedure Ordinance (Chapter 7 of the Revised Edition), hereinafter referred to as “the Principal Ordinance”

Short title

2 Section 167 of the Principal Ordinance as substituted by section 2 of the Criminal Procedure (Amendment) Ordinance, 1926, is hereby repealed and the following substituted therefor —

Repeal and replacement of section 167 of the Principal Ordinance

10 “167 (1) Whenever a magistrate issues a summons he may if he see reason so to do and shall when the offence with which the accused is charged is punishable only by fine or only by fine and/or imprisonment not exceeding three months, dispense with the personal attendance of the accused provided that he pleads guilty in writing or appears by an advocate

15 (2) But the magistrate inquiring into or trying the case may in his discretion at any subsequent stage of the proceedings, unless the accused has pleaded guilty direct the personal attendance of the accused, and, if necessary, enforce such attendance in manner hereinbefore provided

20 (3) If a magistrate imposes a fine on an accused person whose personal attendance has been dispensed with under this section, and such fine is not paid within the time prescribed for such payment the magistrate may forthwith issue a summons calling upon such accused person to show cause why he should not be committed to prison for such term as the magistrate may then prescribe

25 If such accused person does not attend upon the return of such summons the magistrate may forthwith issue a warrant and commit such person to prison for such term as the magistrate may think fit

30 (4) If in any case in which under this section the attendance of an accused person is dispensed with previous convictions are alleged against such person and are not admitted in writing or through such person's advocate the magistrate may adjourn the proceedings and direct the personal attendance of the accused, and, if necessary enforce such attendance in manner hereinbefore provided

(5) Whenever the attendance of an accused has been so dispensed with and his attendance is subsequently required, the cost of any adjournment for such purpose shall be borne in any event by the accused "

Application of
Ordinance

3 The provisions of this Ordinance shall apply to fines 5
imposed before but unpaid at the date of commencement of
this Ordinance

OBJECTS AND REASONS

The existing law which releases persons summoned in respect of minor charges from the obligation of personal attendance before the magistrate has given rise to practical difficulties in that in certain cases fines imposed have not been paid and the magistrate is unable to impose a term of imprisonment in default of payment, and previous convictions alleged against the accused cannot be proved in his absence

This Bill provides that in such cases the attendance of the accused person can be compelled

LOCUST REPORT FOR TWO WEEKS ENDING 2-4-30

The locust swarms now in the Colony are approaching the stage of maturity. Although oviposition will not be on a large scale, it is still impossible to estimate what, if any, anti-hopper measures will be necessary. No damage to crops is reported.

FLYING SWARMS, KYAMBU

A red swarm passed high over Kiambu on 20th March, flying from south to north in the direction of Nyeri. This swarm was approximately 3 miles long, and $\frac{1}{2}$ mile broad.

Nairobi — On 21st March a small red and yellow swarm passed over Nairobi, flying before a heavy storm.

Fort Hall — During the middle and latter part of March two small swarms have been moving about the Fort Hall District, but have done no damage.

Narok — On 25th March, a large swarm of pink locusts settled at Narok, moving off again next day in a south-easterly direction. This swarm on a mile frontage took one hour and three-quarters to pass over. Unfortunately, no birds are following.

Naivasha — A swarm of red and yellow locusts passed over the Lake on 28th March, coming from the direction of Eburu Mountain, they continued their flight towards Longonot, and are now reported in the Uaso Kdong.

Turkana — A report from a transport driver in North Turkana indicates that he has recently encountered both hoppers and flying swarms between Lokitang and the Napau Pass. The flying locusts were proceeding south-east.

A large swarm of yellow locusts is reported in the Turkwell Valley, where they are stated to be laying. A second swarm of red and yellow locusts is now at the north-eastern foot of Mount Kaitakwal.

The Locust Control Officer has proceeded to Turkana to investigate and to consider the locust situation generally in that area.
