THE REGISTRATION OF DOMESTIC SERVANTS  
ORDINANCE, 1928.

## RULES.

IN EXERCISE of the powers conferred upon him by the Registration of Domestic Servants Ordinance, 1928, His Excellency the Governor in Council has been pleased to make the following Rules:—

1. These Rules may be cited as “the Registration of Domestic Servants Rules, 1930.”

2. The return to be furnished by an employer desiring to register a servant under the provisions of section 5 of the Registration of Domestic Servants Ordinance, 1928, herein referred to as “the Ordinance” shall be as set out in Schedule I attached to these Rules, and the servant shall furnish information as set out in Schedule II attached to these Rules.

3. When, through any cause whatsoever, the Registrar shall be unable to hand to a servant the pocket register for which he has applied, he shall issue to such servant a temporary licence in the form set out in Schedule III attached to these Rules. Such temporary licence shall only be valid for a period not exceeding fifteen days; it shall be retained by the employer, whose duty it shall be to cause his servant to exchange it for the pocket register issuable to him, on the expiration of the period for which the licence shall be valid.

4. When it shall be deemed necessary to establish a servant's identity by means of finger prints, the Registrar shall cause such finger prints to be taken on the form set out in Schedule IV attached to these Rules.

5. When a servant is permitted to establish his identity by means of photographs the applicant shall provide the Registrar, at his own expense, with two such photographs, and one copy shall, if so required, be authenticated by a responsible person to the satisfaction of the Registrar.

Photographs used for this purpose shall measure approximately 3 in. x 2 in. One copy shall be retained in the general register, and the duplicate shall be pasted in the space specially reserved for the purpose in the pocket register, and it shall be over-embossed by the departmental seal.

6. The copy of the particulars of employment required by section 14 of the Ordinance to be entered upon a servant's pocket register shall, on cessation of employment, be recorded on the perforated slip provided for the purpose in the pocket register, and shall be forwarded to the Registrar within forty-eight hours of such discharge or dismissal taking place.

7. (1) When a registered servant shall have been convicted of any offence for which a term of imprisonment or detention has been imposed without the option of a fine, it shall be the duty of the judge or magistrate to endorse in the pocket register the particulars of such conviction and thereafter to forward the pocket register to the Registrar at the place where the pocket register was issued.

(2) It shall be the duty of an employer within seven days of becoming aware that a registered servant in his employment has been convicted as aforesaid to forward to the judge or magistrate who recorded such conviction the pocket register of such registered servant.

(3) Every Superintendent of a prison or detention camp or a reformatory having in his custody a registered servant who has been sentenced to imprisonment or detention without the option of a fine shall forward to the judge or magistrate who recorded such conviction the pocket register of such registered servant.

(4) Every Superintendent of Police in whose district a registered servant is convicted of an offence for which a sentence of imprisonment or detention without the option of a fine is imposed, shall, within seven days, forward to the judge or magistrate who recorded such conviction any pocket register that may be found in the servant's possession.

8. It shall be the duty of an employer to forward to the District Commissioner within seven days of such death occurring, the pocket register of any registered servant dying whilst in his employ.

9. It shall be the duty of the Medical Officer in Charge of any hospital, or of the superintendent in charge of any asylum or quarantine, to forward to the Registrar within seven days, the pocket register of any unemployed registered servant dying whilst in his care.

10. If on revision or appeal the conviction of any registered servant is quashed or the sentence passed on such registered servant is varied to any sentence other than a sentence of imprisonment or detention without the option of a fine the particulars of such conviction endorsed in the pocket register shall be expunged by the Registrar or a deputy registrar of the Supreme Court.

11. It shall be lawful for the Registrar to whom application is made for the replacement of a pocket register that may have become lost, mutilated, or stolen, to demand from the servant the same means of identification he may have required on the occasion of his original registration. The fee for the replacement of such a pocket register shall be Sh. 5.

12. When a servant's pocket register shall have been endorsed by employers to its full capacity or shall have become indecipherable through fair wear and tear and the servant shall require a further pocket register, a second pocket register, bearing all the identification particulars of the first, shall be issued to him at a cost of Sh. 2.

13. All fees recoverable under the Ordinance shall be paid on application or on registration of engagement, as the case may be.

14. The pocket register shall be in the form in Schedule V of these Rules.

15. A registered servant desiring to have an alteration or correction made in the name appearing on his pocket register, may apply to the Registrar to have such correction or alteration made. The Registrar, on being satisfied of the bona fides of the application, may thereupon make the desired correction, and authenticate it by his name and designation and the date. If, in his opinion, the Registrar considers the alteration would deface the applicant's pocket register, he may issue a new amended pocket register, bearing the servant's record of service, and a note of the change of particulars :

Provided that if such servant be a person to whom the Native Registration Ordinance or any Ordinance amending or replacing the same, apply, no alteration or correction shall be made in the pocket register which is not consistent with the names and particulars in the Servant's Native Registration Certificate.

The fee for correction or alteration shall be Sh. 2, provided that the correction of an error made by the officer issuing the pocket register shall be made free of charge.

16. All endorsements made upon a registered servant's pocket register, and all returns submitted by employers, shall be written in English, and shall be made in black or blue-black ink only.

17. No servant shall keep or carry a pocket register other than the pocket register issued to him under these Rules.

18. Any person who shall come into possession of a pocket register in addition to the one issued to him, or shall be in possession of more than one pocket register, shall at the earliest opportunity forward the pocket register which was not issued to him, or which he has retained in addition to the last one issued to him, or of which he has come into possession by any other means, to the nearest Registrar.

19. No person shall withhold a pocket register from any servant entitled thereto, except for such reasonable period of time required to examine the particulars therein contained, or as provided for in section 13 of the Ordinance.

20. No person shall unlawfully or improperly deprive any servant of any pocket register in his possession.

21. No person shall at any time make any entry whatsoever on the pocket register of a registered servant with whom he has not entered into a contract of service.

22. No postage shall be payable on any postal packet sent by post in compliance with the provisions of any of these Rules.

By Command of His Excellency the Governor in Council.
