LOCUST REPORT—13TH JULY, 1933.

Tanganyika Territory.—The Migratory Locust: Swarms previously reported to be flying northward from Ikoma toward the Narok District are now stated to have no known definite movement toward Kenya.

The Red Locust: A scattered swarm is present in the Bukoba District and is reported to be moving in a north-westerly direction.

Uganda.—Flying swarms and hoppers are still present in some provinces, but at the end of June, the hopper infestation was stated to be small compared with the corresponding period in 1932. Hoppers were present in greatest numbers in areas to the east and south-east of Lake Albert (but above the escarpment) within sixty miles of the Lake. Minor damage has been caused to susceptible crops in some areas by hoppers and young flyers.

Belgian Congo.—At the end of June, swarms were reported in the Ruanda and Urundi Provinces. Movement was indefinite, but the tendency was in northern and westerly directions.

Kenya.—Flying swarms: Information that a swarm was present on the Suk-Uganda border in the region of Logitanyala, has not been confirmed, and no further particulars of a swarm reported in the Narok District at the end of June, have been received.

Hoppers: One small hatching is reported in Subukia. Otherwise, as far as can be ascertained, the Colony is clear.

A plan showing the position of the site may be seen at the offices of the District Commissioner, Nairobi, and the Surveyor General, Nairobi, or may be obtained from the Surveyor General for the sum of Sh. 3, post free.

Tenders should be submitted as follows:—

- (1) (a) For the grant of the plot without the buildings.
- (b) For the purchase of the existing buildings.
- (c) For the grant of the plot and existing buildings.

(2) For the grant of the plot, in the event of the buildings not being required in any case.

(3) For the purchase of the buildings only.

2. In the event of the successful tenderer for the purchase of the buildings not being the successful tenderer for the grant of the plot, it will be necessary for the whole of the buildings including the foundations to be demolished and removed from the plot within a period of three months from the date of acceptance of the tender, and the period of the grant of the plot will commence as from the first of the month following the clearance of the site or from the 1st day of January, 1934, whichever is the later.

3. The successful tenderer for the purchase of the buildings shall pay to the District Commissioner, Nairobi, a deposit of 25 per cent of the amount tendered within seven days of the date of notification to him of the acceptance of his tender and the balance shall be paid within 31 days of the date of notification referred to above. In default of either of such payments the acceptance of the tender will be cancelled and any moneys paid will be forfeited. Possession of the buildings shall not be taken until the full purchase price has been paid.

4. The successful tenderer for the grant of the plot shall pay to the District Commissioner, Nairobi, a deposit of 25 per cent of the amount tendered within seven days of the date of acceptance of the tender. In default of such payment the acceptance of the tender will be cancelled and any moneys paid in respect thereof will be forfeited.

5. In the event of the successful tender being a combined tender in respect of the grant of the plot and the purchase of the buildings, the amount due in respect of the buildings shall be payable as provided in condition 3 above, and the period of the grant of the plot will commence as from the 1st September, 1933.

6. The balance of the purchase money for the grant of the plot shall be paid to the District Commissioner, Nairobi, within thirty-one days from the date of the acceptance of the tender.

Provided that the balance of the purchase money shall not be payable within the time stated or thereafter, unless and until the Commissioner of Lands can present to the purchaser the grant of the plot duly executed.

The rent due to the 31st day of December, 1934, shall be payable to the District Commissioner, Nairobi, within seven days of the request therefor.

The survey fees (Sh. 80), the fees payable for the preparation and registration of the grant (Sh. 120) and the stamp duty payable in respect of the grant shall be payable to the Surveyor General, Nairobi: these amounts to be paid within seven days from the date of the acceptance of the tender.

7. Subject to the proviso contained in condition No. 6, if the amounts mentioned are not paid as therein specified, the Commissioner of Lands may order the deposit made by the purchaser to be forfeited and the purchaser shall have no further claim to a grant of the plot.

8. The purchaser of the plot shall within twelve months of the commencement of his grant submit to the Town Clerk, Nairobi, a plan of the building it is proposed to erect upon the Fifth Avenue frontage of the plot. The purchaser shall also submit to the Town Clerk, plans of all alterations or new buildings to be constructed on the remainder of the plot. Such plans shall conform in architectural design to the amenities of the neighbourhood. The buildings shall be constructed of stone, burnt brick or concrete, on proper foundations. The purchaser when submitting the plans shall state in writing the period in which the proposed building shall be completely erected.

The buildings to be erected on the plot must be of not less than 2 stories in height, and must be of a value of not less than cents 90 per cubic foot of building content.

The Commissioner of Lands or such other person as he may appoint for the purpose, shall within one month of the approval of the plans by the Nairobi Municipal Council, notify the purchaser of his approval or otherwise of the plans, and shall also notify the date by which such buildings shall be erected. If the erection of the buildings in accordance with the approved plans and specifications be not completed by the prescribed date, the said Commissioner may, on good and reasonable cause being shown, grant such extension as he may deem sufficient, subject to such conditions as he may prescribe. Provided that if the purchaser shall receive no intimation from the Commissioner within one month of the date on which the plans have been approved by the Nairobi Municipal Council, he may proceed with the erection of the building in accordance with the plans submitted, and the Commissioner shall not have power to cause to be made any alteration or variation in the plan or the date.

9. Subject to the proviso contained in clause 8 hereof, no building shall be erected on the plot unless plans (including a block plan showing the position of the buildings), drawings, elevations and specifications thereof shall have been previously approved by the Commissioner of Lands or such other person as he may appoint. Such plans, etc., shall be submitted in triplicate to the Town Clerk, Nairobi, for necessary action.

10. The grantee shall not at any time subdivide the plot; or assign any such subdivision without the consent in writing of the Governor.

The right to withdraw any plot from the auction is reserved to the Commissioner of Lands.

CONDITIONS OF SALE.

1. Each plot will be auctioned separately.
2. The amount of the advance of each bid will be regulated by the auctioneer, and no bidding shall be retracted.
3. The highest bidder will be the purchaser, but if any dispute arise as to any bid, the plot will be reoffered at the last undisputed bid.
4. Each purchaser shall pay to the auctioneer immediately on the fall of the hammer, a deposit of 25 per cent of the purchase money. In default of such payment, the plot may be immediately reoffered for sale, and any subsequent bid by the person who has made default may be ignored or refused.
5. Each purchaser shall on paying the deposit inform the auctioneer of the name or names of the person or persons on whose behalf the plot is purchased; the grant will be issued in accordance with this information.
6. The balance of the purchase money shall be paid to the District Commissioner, Nairobi, and may be paid in full within seven days from the date of the sale or may be paid in three equal annual instalments payable on the first day of January in each year, the first of such instalments to be paid on the first day of January, 1934.

If the purchaser elects to pay the balance of the purchase price by instalments he shall also pay interest at the rate of 6 per cent per annum, from the 1st day of September, 1933, on the unpaid portion of the purchase money, such interest to be paid on the 1st day of January, 1934, and subsequently on the 1st day of January in each year, in respect of the immediately preceding period.

Unless such instalments and the interest on the unpaid portion of the purchase money is paid on the date on which it falls due they shall be deemed to be added to the annual rent reserved in the lease and shall be payable and recoverable as such.

The rent due to the 31st day of December, 1933, shall be payable to the District Commissioner, Nairobi, within seven days of the date of the sale.

The survey fees, the fees payable for the preparation and registration of the grant (Sh. 120) and the stamp duty payable in respect of the grant shall be payable to the Surveyor General, Nairobi: these amounts to be paid within seven days from the date of the sale.

7. Subject to the proviso contained in Condition No. 6, if the amounts mentioned are not paid as therein specified, the Commissioner of Lands may order the deposit made by the purchaser to be forfeited, and the purchaser shall have no further claim to a grant of the plot.

8. Each purchaser shall within twelve months of the commencement of his grant submit to the Town Clerk, Nairobi, a plan of the buildings it is proposed to erect upon the plot, and such plan shall conform in architectural design to the amenities of the neighbourhood. The building shall be constructed of stone, burnt brick or concrete on proper foundations. The purchaser when submitting the plan shall state in writing the period in which the proposed building shall be completely erected.

The Commissioner of Lands or such person as he may appoint for the purpose shall, within one month of the approval of the plan by the Nairobi Municipal Council, notify the purchaser of his approval or otherwise of the plan, and shall also notify the date by which such building shall be erected. If the erection of the building in accordance with the approved plans and specifications be not completed by the prescribed date, the said Commissioner may, on good and reasonable cause being shown, grant such extension as he may deem sufficient, subject to such conditions as he may prescribe. Provided that if the purchaser shall receive no intimation from the Commissioner within one month of the date on which the plans have been approved by the Nairobi Municipal Council, he may proceed with the erection of the building in accordance with the plan submitted, and the Commissioner shall not have power to cause to be made any alteration or variation in the plan or the date.

9. Subject to the proviso contained in Clause 8 hereof, no building shall be erected on any plot unless plans (including a block plan showing the position of the buildings), drawings, elevations and specifications thereof shall have been previously approved by the Commissioner of Lands or such other person as he may appoint. Such plans, etc., shall be submitted in triplicate to the Town Clerk, Nairobi, for necessary action.

10. The grantee shall not at any time subdivide the plot, or assign any such subdivision without the consent in writing of the Governor.

11. At no time during the term of the grant shall any plot or any portion thereof or any building erected on the plot be used for the purpose of carrying on any trade or business which has been or may be declared to be dangerous or offensive by notice in the Official Gazette.

12. Verandas may be erected within a road reserve with the previous consent of the Municipal Council and must conform to a building line decided upon by them.

13. The term of each grant will be 99 years from the first day of September, 1933.

14. Under the provisions of section 60 (b) of the Crown Lands Ordinance, grantees will be required to pay Municipal rates upon the whole of the rateable interest and Government's contribution in lieu of rates assessed on these plots. A clause will, therefore, be embodied in each grant providing for the necessary adjustment between the grantee and Government.

15. The cost of the construction of tar grouted macadam roads, murrum sidewalks and main sewers to the Municipal Council's specification is included in the upset prices of those plots which are not served by constructed roads. The construction of these roads and sewers will be undertaken with-
