## GOVERNMENT NOTICE No. 524

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

H. E. BADER,  
*Acting Clerk of the Legislative Council.*

### **A Bill to Amend the Sale of Wheat Ordinance, 1930.**

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows:—

1. This Ordinance may be cited as “the Sale of Wheat (Amendment) Ordinance, 1933,” and shall be read as one with the Sale of Wheat Ordinance, 1930, hereinafter referred to as “the Principal Ordinance.” Short title.  
No. 42 of 1932.

2. The following section is hereby inserted in the Principal Ordinance immediately after section 9:—

“9A. An agency shall have power to call upon any miller to produce such books, returns, accounts and documents, and to give such information as the agency may think necessary in order to satisfy itself as to the quantity of wheat delivered to or received by the miller and the amount of flour milled by the miller. Any miller who refuses or neglects to produce any such book, return, account or document, or to give such information shall be guilty of an offence against this Ordinance.” Power to  
agency to call  
for books,  
returns, etc.,  
from millers.

3. Section 15 of the Principal Ordinance is hereby amended by deleting paragraphs (a) and (c) thereof, and substituting therefor the following:— Amendment of  
section 15 of  
the Principal  
Ordinance.

“(a) the sale of wheat for export from the Colony to a place outside Uganda or Tanganyika Territory;

(c) the sale of wheat for consumption by animals, provided that such sale is made with the permission of an agency:.”

### OBJECTS AND REASONS.

This Bill is introduced at the request of the Kenya Farmers' Association, who are the agency appointed under the Principal Ordinance.

Experience of the working of the Ordinance has shown that the degree of control which the agency can exercise over growers and millers is inadequate owing to the fact that the agency cannot call upon millers for information or to produce their books, and because wheat may lawfully be sold for consumption by animals, though such wheat may afterwards be converted into flour.

Clauses 2 and 3 (c) remedy this state of things.

Clause 3 (a) is necessitated by the fact that under the law as it now stands it would be profitable to establish a mill outside the Colony but close to the border and thence undersell the miller in Kenya.

No expenditure of public moneys will be involved if the provisions of this Bill become law.

## GENERAL NOTICE No. 1090

IMMIGRATION RESTRICTIONS AND PASS-  
PORT REGULATIONS BY THE GOVERN-  
MENT of RUANDA-URUNDI.

THE following notice has been published by the Governor of Ruanda-Urundi:—

"All persons, with the exception of natives of the Belgian Congo, Ruanda-Urundi and adjacent Territories, wishing to enter into the Territories under Belgian Mandate (Ruanda-Urundi) are informed that the various legal prescriptions and regulations in the matter of immigration will be strictly adhered to in the future.

The following are considered undesirable persons, namely by virtue of the ordinance of the Governor-General of the 8th March, 1922, approved by decree of the 8th August, 1922, and made applicable in Ruanda-Urundi on the 4th June, 1928, and of the amendments thereto:

(1) Those who, on account of lack of education are unable to show, to the satisfaction of the immigration officer or of the official appointed to decide in cases of appeal, that they are able to read and write a European language. The knowledge of a European language must be such that the applicant is able to keep accounts in a satisfactory manner in that language for an industrial or commercial concern.

(2) Those who, through lack of personal means, or on account of their infirmities, are liable to become a public charge to the Government, as well as their dependants.

(3) Those charged with or convicted in a foreign country or in Ruanda-Urundi of an offence extraditable or those who by reason of circumstances connected with the offence could be proclaimed as undesirable immigrants by the proper official.

PERSONS WHO WISH TO ENTER INTO THE TERRITORIES OF RUANDA-URUNDI, ARE REMINDED THAT THEY ARE REQUIRED TO PRODUCE TO THE IMMIGRATION OFFICER:

(1) A national passport bearing the visa of the Belgian authorities delivered at the place whence they come.

(2) A police record of conviction or a certificate of good character and morals, issued within a year. If these documents are not procurable in the country whence they come, they may be replaced by an equivalent such as an affidavit. In case the applicant has resided less than a year in the country from whence he immigrates into Ruanda-Urundi, this record or certificate should be obtained from the authorities either of the country of origin or of the country in which the immigrant has resided previously. The signature on these documents must be authenticated by the Belgian authorities in the country whence the applicant comes or, in their absence, by the Consul of the applicant's country.

(3) A medical certificate stating that the immigrant is free from all contagious diseases.

Moreover, the Immigration officer may demand the deposit of the usual security by persons who, though not being undesirable, are unable to produce evidence either of the existence to their credit of a minimum balance of fifty thousand francs in Ruanda-Urundi or of an agreement to enter for a period of six months at least, at an adequate salary, into the service of a well-known non-native and solvent employer.

Henceforth no residence permit, not even a temporary one, will be granted to persons who, although in possession of the above documents, are not able to produce these documents to the Immigration officer at the moment they enter the Territory. This applies also to persons who, although able to produce the above-described documents, are known by the Government of Ruanda-Urundi, on account of information received from the Belgian Government or from a foreign Government, to be of doubtful character or to be suspects or undesirable travellers or residents in Ruanda-Urundi.

Usumbura,

17th May, 1933."
