In default of such payment the acceptance of the tender will be cancelled and any moneys paid in respect thereof will be forfeited.

5. In the event of the successful tender being a combined tender in respect of the grant of the plot and the purchase of the buildings, the amount due in respect of the buildings shall be payable as provided in condition 3 above, and the period of the grant of the plot will commence as from the 1st September, 1933.

6. The balance of the purchase money for the grant of the plot shall be paid to the District Commissioner, Nairobi, within thirty-one days from the date of the acceptance of the tender.

Provided that the balance of the purchase money shall not be payable within the time stated or thereafter, unless and until the Commissioner of Lands can present to the purchaser the grant of the plot duly executed.

The rent due to the 31st day of December, 1934, shall be payable to the District Commissioner, Nairobi, within seven days of the request therefor.

The survey fees (Sh. 80), the fees payable for the preparation and registration of the grant (Sh. 120) and the stamp duty payable in respect of the grant shall be payable to the Surveyor General, Nairobi: these amounts to be paid within seven days from the date of the acceptance of the tender.

7. Subject to the proviso contained in condition No. 6, if the amounts mentioned are not paid as therein specified, the Commissioner of Lands may order the deposit made by the purchaser to be forfeited and the purchaser shall have no further claim to a grant of the plot.

8. The purchaser of the plot shall within twelve months of the commencement of his grant submit to the Town Clerk, Nairobi, a plan of the building it is proposed to erect upon the Fifth Avenue frontage of the plot. The purchaser shall also submit to the Town Clerk, plans of all alterations or new buildings to be constructed on the remainder of the plot. Such plans shall conform in architectural design to the amenities of the neighbourhood. The buildings shall be constructed of stone, burnt brick or concrete, on proper foundations. The purchaser when submitting the plans shall state in writing the period in which the proposed building shall be completely erected.

The buildings to be erected on the plot must be of not less than 2 stories in height, and must be of a value of not less than cents 90 per cubic foot of building content.

The Commissioner of Lands or such other person as he may appoint for the purpose, shall within one month of the approval of the plans by the Nairobi Municipal Council, notify the purchaser of his approval or otherwise of the plans, and shall also notify the date by which such buildings shall be erected. If the erection of the buildings in accordance with the approved plans and specifications be not completed by the prescribed date, the said Commissioner may, on good and reasonable cause being shown, grant such extension as he may deem sufficient, subject to such conditions as he may prescribe. Provided that if the purchaser shall receive no intimation from the Commissioner within one month of the date on which the plans have been approved by the Nairobi Municipal Council, he may proceed with the erection of the building in accordance with the plans submitted, and the Commissioner shall not have power to cause to be made any alteration or variation in the plan or the date.

9. Subject to the proviso contained in clause 8 hereof, no building shall be erected on the plot unless plans (including a block plan showing the position of the buildings), drawings, elevations and specifications thereof shall have been previously approved by the Commissioner of Lands or such other person as he may appoint. Such plans, etc., shall be submitted in triplicate to the Town Clerk, Nairobi, for necessary action.

10. The grantee shall not at any time subdivide the plot, or assign any such subdivision without the consent in writing of the Governor.

11. At no time during the term of the grant shall the plot or any portion thereof or any building erected on the plot be used for the purpose of carrying on any trade or business which has been or may be declared to be dangerous or offensive by notice in the Official Gazette.

12. Verandas may be erected within a road reserve with the previous consent of the Municipal Council and must conform to a building line decided upon by them.

13. The term of the grant will be 99 years commencing as set out in Clause 2 or Clause 5.

14. Under the provisions of section 60 (b) of the Crown Lands Ordinance the grantee will be re-

quired to pay Municipal rates upon the whole of the rateable interest and Government's contribution in lieu of rates assessed on the plot. A clause will, therefore, be embodied in the grant providing for the necessary adjustment between the grantee and Government.

15. Tenders should be submitted in sealed envelopes to reach the Commissioner for Local Government, Lands and Settlement, the Secretariat, Nairobi, not later than 12 noon on Thursday the 24th day of August, 1933, and should be endorsed "Tender in respect of Plot No. 1297, Nairobi."

No tender of less than Sh. 74,000 for the grant of the plot will be considered.

16. The highest or any tenders will not necessarily be accepted.
