GENERAL NOTICE No. 1052

LOCUST REPORT, 2ND AUGUST, 1934.

KENYA.

The Red Locust.

Coast Province.—The main feature of reports received during the week from the coast is the massing of the various small groups of flyers into swarms with a definite north-westerly movement. As yet no prolonged flights have been observed, the numerous groups contenting themselves with circling about during the day and massing into dense swarms when settling for the night. These scattered groups of flyers are fairly numerous but of no great extent, the largest so far observed being about one mile long by half a mile wide; this was in the Ramisi-Mafasini neighbourhood. Some further damage to bananas and coco-nuts is reported from Mafasini, Msambweni and Gazi, and at Ramisi an area of fifty acres of sugar cane has been badly eaten by flyers. It is reported that some 60 per cent of the younger coco-nut trees have been stripped in most of the districts named but that the larger trees have escaped comparatively lightly.

Nearly all of the native crops will have been harvested during the next fortnight, and as by that time the remaining infestation will consist of flyers only, except perhaps for some bands in the Malindi area, the hopper campaign at the coast can then be regarded as concluded.

About ten days ago a moderate flying swarm, coming from the direction of the Masai Reserve, was observed in the vicinity of Mazeras. This swarm proceeded towards Mombasa and settled on the Maunguja Estate. A power spray unit was detailed to deal with this swarm, and the latest reports indicate that fair progress has been made with its destruction, though considerable damage has been done to the coco-nut palms on the estate.

Nyanza Province.—It can now be stated with some certainty that the present invasion of flying swarms into South Kavirondo has ceased, and that no extensive damage has been caused by the swarms previously reported.

H. J. CARLISLE,
for Director of Agriculture.

In default of such payment, the acceptance of the tender may be cancelled and any moneys paid will be forfeited.

4. The balance of the purchase money shall be paid to the District Commissioner, Box 424, Nairobi.

The survey fees (Sh. 105 per plot), the fees payable for the preparation and registration of the grant (Sh. 120), and the stamp duty payable in respect of the grant, and all other expenses, if any, shall be paid to the Surveyor General, Box 89, Nairobi.

All these amounts shall be paid within seven days of a demand being made therefor.

Upon such payments being duly made, the purchaser shall, subject to the provisions of the Crown Lands Ordinance (Chapter 140, Revised Edition), and to the Conditions of Sale having been complied with, be entitled to a grant of the plot, which grant shall be presented to him duly executed as soon as conveniently may be.

tions whether overhead or underground, and the grantees shall not erect any building in such a way as to cover or interfere with any existing routes, main or service pipes or the telegraph or telephone wires and electric mains aforementioned.

7. Grants will be issued under the Registration of Titles Ordinance. The term will be 99 years from the 1st day of September, 1934.

8. The grantee shall not at any time subdivide the plot, or assign, sublet or otherwise dispose of any portion of the plot without the previous written consent of the Governor.

9. The plot and the buildings to be erected thereon shall be used for the sole purpose of the retail sale of petrol and motor accessories, and shall not be used for residential purposes.

10. Each purchaser will be required to erect on his plot within six months of the date of the approval of his plans a building of approved design constructed of stone, brick or concrete.

11. The scheme of building and the general layout of the plot shall be approved by the Nairobi Municipal Council, and no buildings shall be erected on any plot unless and until plans, drawings, elevations and specifications shall have been previously approved by the Nairobi Municipal Council and the Commissioner of Lands (or such other person as he shall appoint), and until the general lay-out shall have been approved by the Nairobi Municipal Council.

Plans, etc., shall in the first instance be submitted in triplicate to the Town Clerk, Nairobi, for necessary action, such submission to be within one month of the date of the commencement of the grant.

12. The building shall not be of more than one story in height.

13. Verandas shall not be erected outside the boundaries of the plot.

14. Where necessary an area surrounding the plot will be vested in the Municipal Council in order that the plot may be surrounded by suitable horticultural treatment.

15. The grantee will be required to pave with bitumen-bound macadam, such portions of the unplanted and unbuilt upon area within the boundaries of the plot as stipulated by the Municipal Council and maintain the same to the satisfaction of the Commissioner of Lands. 17. Under the provisions of section 60 (b) of the Crown Lands Ordinance, the grantee will be required to pay the Municipal rates upon the whole of the rateable interest and Government's contribution in lieu of rates assessed on the plot.
