4. Each purchaser shall pay to the auctioneer immediately on the fall of the hammer, a deposit of 25 per cent of the purchase money. In default of such payment, the plot may be immediately re-offered for sale, and any subsequent bid by the person who has made default may be ignored or refused.
5. Each purchaser shall on paying the deposit inform the auctioneer of the name or names of the person or persons on whose behalf the plot is purchased; the grant will be issued in accordance with this information.
6. The balance of the purchase money, together with the rent due to the 31st December, 1934, shall be paid to the District Commissioner, Nairobi. The survey fees, the fees payable for the preparation and registration of the grant (Sh. 120), and the stamp duty payable in respect of the grant, and all other expenses, if any, shall be paid to the Surveyor General, Nairobi.

All these amounts shall be paid within seven days of a demand being made therefor.

Upon such payments being duly made, the purchaser shall, subject to the provisions of the Crown Lands Ordinance (Chapter 140, Revised Edition), and to the Conditions of Sale having been complied with, be entitled to a grant of the plot, which grant shall be presented to him duly executed as soon as conveniently may be.

Provided that the balance of the purchase money shall not be payable within the time stated or thereafter, unless and until the Commissioner of Lands can present to the purchaser the grant duly executed.

7. Subject to the proviso contained in Condition No. 6, if the amounts therein mentioned are not paid as therein laid down within seven days from the date of a demand therefor, the Commissioner of Lands may order the deposit made by the purchaser to be forfeited, and the purchaser shall have no further claim to the grant of the plot.

(b) General.

1. The Government or such person or authority as may be appointed for the purpose shall have the right to enter upon any plot and lay and have access to water mains, service pipes, telegraph or telephone wires, and electric mains of all descriptions whether overhead or underground, and the grantees shall not erect any building in such a way as to cover or interfere with any existing routes, main or service pipes or the telegraph or telephone wires and electric mains aforementioned.

2. The design, standard and type of construction, and the siting of the building shall be the subject of approval by the Municipal Council of Nairobi; and no building shall be erected on any plot unless and until plans (including block plans showing the position of the buildings), drawings, elevation and specifications thereof shall have been previously approved by the Municipal Council of Nairobi, and by the Commissioner of Lands, or such other person as he may appoint. Such plans, etc., shall, in the first instance, be submitted in triplicate to the Town Clerk, Nairobi, for necessary action.

3. Grants will be issued under the Registration of Titles Ordinance. The term of the grants will be 99 years from the 1st day of October, 1934.

4. Any building erected shall conform to a building line decided upon by the Municipal Council of Nairobi.

(c) Special.

1. Each purchaser of a plot shall erect within two years of the commencement of his grant a building of approved design constructed of stone, burnt brick or concrete, on proper foundations.

2. No building shall at any time during the term of the grant be used for any other purpose than a private dwelling-house, or an appurtenance thereto.

3. At no time during the term of the grant shall more than one dwelling-house with the necessary appurtenances, offices and out-buildings be erected on any plot without the consent of the Governor.

4. The grantee shall not at any time during the term of the grant erect any building or buildings so as to cover more than one-half of the area of the plot.

5. The grantee shall not at any time divide the land.

6. All out-buildings, offices, etc., shall be properly sited and screened from view to the satisfaction of the Municipal Council of Nairobi, and shall be kept so screened during the term of the grant.

7. Under the provisions of section 60 (b) of the Crown Lands Ordinance, grantees will be required to pay municipal rates upon the whole of the rateable interest and Government's contribution in lieu of rates assessed on the plot. A clause will therefore be embodied in the grant providing for the necessary adjustments between the grantee and Government.

GENERAL NOTICE NO. 1112

RABIES REPORT.

The rabies position is again giving cause for alarm on account of the isolated outbreaks of the disease whose sources of infection are unknown. The extensive baiting campaign is continued in districts and native locations in and around the infected areas, with the object of reducing the number of pariahs and jackals.

Two positive cases, both in jackal, have occurred, since our last progress report, dated the 14th July, was published: one in the Turbo area of the Uasin Gishu district and the other in the Kakamega area of the North Kavirondo Native Reserve, while a third case in this reserve, in a dog, which, on examination, was found to be highly suspicious, has been considered a positive one.

A general outline of the rabies position from the 1st January, 1934, to the 30th June, 1934, is as follows:—

Eight out of the ten cases returned as positive to rabies have been found affecting jackals; while the remaining two cases have been confirmed in dogs, with a history of having possibly come into contact with rabid jackals.

The outbreaks were reported from the following districts:—Uasin Gishu District 4; North Kavirondo Reserve 2; Central Kavirondo 2; Kisumu-Londiani District (Songhor) 2.

22,085 baits were laid which caused mortality among 2,230 dogs, 99 jackals and 36 other animals. Double the number of baits are being taken during this year's campaign as compared with last year's.

15 natives were bitten by rabid animals.

During the year it was found possible to revoke from quarantine the South Kavirondo Native Reserve and the South Lumbwa Administrative District, while on the other hand it was necessary to impose a quarantine on an area in the North Kavirondo Reserve.
