4. (1) No child under the age of twelve shall be employed in any industrial undertaking.

(2) No child shall be employed in any industrial undertaking, in attendance on any machinery, or in any open-cast workings or sub-surface workings which are entered by means of a shaft or adit.

(3) Notwithstanding the provisions of sub-section (1) of this section the Governor in Council may by order prohibit the employment of any child in any specified trade or industrial undertaking.

(4) No child shall be employed in any ship except to the extent to which and in the circumstances in which such employment is permitted under the Convention set out in Part IV of the Schedule to this Ordinance :

Provided that the provisions of this sub-section shall not apply in the case of a child who is employed in a native vessel or is under the care of a relative who is a member of the crew of the same vessel, if such relative is, in the opinion of a duly authorized officer, a fit and proper person to have charge of such child.

Colony and Protectorate of Kenya

GOVERNMENT NOTICE No. 178

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

J. F. G. TROUGHTON,

Acting Clerk of the Legislative Council.

A Bill to Amend the Employment of Women, Young Persons and Children Ordinance, 1933.

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows :—

1. This Ordinance may be cited as the Employment of Women, Young Persons and Children (Amendment) Ordinance, 1935, and shall be read as one with the Employment of Women, Young Persons and Children Ordinance, 1933, hereinafter referred to as the Principal Ordinance.

Short title.

No. 14 of 1933.

2. Sub-section (5) of section 4 of the Principal Ordinance is hereby amended by the deletion of the proviso which occurs at the end thereof.

Amendment
of section
4 (5) of the
Principal
Ordinance.

(5) No young person or woman shall be employed at night in any industrial undertaking, except to the extent to which and in the circumstances in which such employment is permitted under the conventions set out in Part II and Part III respectively of the Schedule to this Ordinance: Provided that in the application to the Colony of the Convention set out in Part II of the Schedule to this Ordinance Article 2 shall not apply to male young persons.

(6) Where young persons are employed in any industrial undertaking a register of the young persons so employed, of their ages or apparent ages, and of the dates on which they enter or leave the service of their employer, shall be kept, and shall at all times be open to inspection by any duly authorized officer.

(7) The master of every ship shall, if young persons under the age of sixteen years are employed therein, keep a register of those persons with particulars of their ages or apparent ages and of the dates on which they become or cease to be members of the crew, and the register so kept shall be open to inspection by any authorized officer: Provided that this sub-section shall not apply to the master of a native vessel.

OBJECTS AND REASONS.

As it stands, the Principal Ordinance permits of the employment at night, in factories or other industrial undertakings, of boys under sixteen years of age. It is thought that this age is too low, and that the lowest age at which young males should be employed at night in factories or other industrial undertakings, should be sixteen. This Bill gives effect to this opinion, and brings the law in this Colony into line with the provisions in this regard contained in the International Convention regarding the employment of women, young persons and children.

No expenditure of public moneys will be involved if the provisions of this Bill become law.
