#### OBJECTS AND REASONS.

The existing Excise Duties Ordinance enacted in 1931 instituted a system of Excise Duties in Kenya, parallel legislation being enacted in Uganda and Tanganyika Territory as parties to the Customs and Excise Agreements. The 1931 Ordinance which was necessarily experimental in character has been shown by experience to contain certain defects.

The present Bill which has been agreed to in principle by Uganda and Tanganyika Territory repeals and replaces the 1931 Ordinance. It re-enacts all the main provisions of the original Ordinance and in addition provides for stricter measures of control over the issue of licences and the operations of licensees.

No expenditure of public moneys will be involved if the provisions of the Bill become law.

Section 3 (d) of the Principal Ordinance which it is proposed to amend :—

Powers of the  
High  
Commissioner.

3. In addition to the powers conferred on him by the Order in Council, the High Commissioner shall have power as follows :—

Short title.

No. 33 of 1928.

No. 5 of 1930.

valuation of  
Crown  
property.

Section 28 of the Principal Ordinance which it is proposed to replace :—

28. Notwithstanding anything to the contrary contained in this Ordinance, any interest in land held by the Crown which would, if it were not so held, be rateable property under this Ordinance shall for the purpose of assessing the contributions in lieu of rates payable by the Government of the Colony under the provisions of the Local Government (Municipalities) Ordinance, 1928, be valued in accordance with the principles laid down in this Ordinance subject to such exceptions and in such manner as may be prescribed by rules made by the Governor in Council.

## GOVERNMENT NOTICE NO. 398

His Excellency the Governor in Council has approved of the following Bill being published for information and criticism.

J. F. G. TROUGHTON,  
*Acting Clerk of the Legislative Council.*

**A Bill to Amend the Local Government (Rating) Ordinance, 1928.**

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows :—

1. This Ordinance may be cited as the Local Government (Rating) (Amendment) Ordinance, 1935, and shall be read as one with the Local Government (Rating) Ordinance, 1928, hereinafter referred to as the Principal Ordinance.

Short title.

No. 20 of 1935.

2. Section 28 of the Principal Ordinance is hereby repealed and the following section is substituted therefor :—

Repeal and replacement of section 28 of the Principal Ordinance.

Basis of valuation of interest in land held by the Crown.

“ 28. Notwithstanding anything otherwise to the contrary contained in this Ordinance but subject to the proviso hereinafter contained, any interest in land held by the Crown which would, if it were not so held, be rateable property under this Ordinance shall for the purpose of assessing the contributions in lieu of rates payable by the Government of the Colony under the provisions of the Local Government (Municipalities) Ordinance, 1928, be valued in accordance with the principles laid down in this Ordinance, subject to such exceptions and in such manner as may be prescribed by Rules made by the Governor in Council :

No. 19 of 1928.

Provided that such rules may exempt from such valuation and from payment of any contributions in lieu of such rates as aforesaid any interest in land held by the Crown which the Governor in Council may think fit so to exempt.”

3. Notwithstanding anything contained in the Principal Ordinance all the provisions of all Rules hitherto made by the Governor in Council under and by virtue of the powers conferred upon him by section 28 of the Principal Ordinance as

Validity of rules hitherto made under section 28 of the Principal Ordinance.

they appeared before the passing of this Ordinance are hereby declared to be and always to have been legal and valid and of full force and effect.

4. (1) Subject and without prejudice to the rights of the Crown, every rate imposed by the local authority under the Principal Ordinance shall, without registration, be a first charge on the property in respect of which it is imposed, maintainable (unless satisfied) for twelve years from the date of the imposition thereof.

Rates to be a first charge on the property.

(2) If any sum payable in respect of any rate imposed under the Principal Ordinance shall remain unpaid for a period of six months after the date on which such rate shall have been fixed to become due and payable, the local authority may, notwithstanding any other mode provided for under the Principal Ordinance for the recovery of rates, apply to the magistrate having jurisdiction for the attachment and sale of the land charged with such rate. And thereupon the magistrate having jurisdiction shall attach such property, and by order, notice of which shall be given in accordance with the provisions of sub-section (4) of this section, declare his intention of selling any such land at the expiration of thirty days after the date of such attachment :

Provided that before making any order under this sub-section the magistrate having jurisdiction shall require to be satisfied by the local authority that every reasonable effort has been made to obtain the amount due and payable in respect of such rates from the registered owner of such land and/or from all persons having any interest in such land as mortgagees or chargees.

(3) If, at the expiration of the said period of thirty days, such rate has not been paid or satisfied, the magistrate having jurisdiction shall sell by public auction any such land as shall have been attached as aforesaid.

(4) The notice required to be given under sub-section (2) of this section shall be given by publishing a copy of the order in one issue of the Gazette and by affixing a copy of the order on such land :

Provided that where the magistrate having jurisdiction has reason to believe that, at the time of such application by the local authority, the registered owner of such land or his duly authorized agent or attorney, or any person interested in such land as mortgagee or chargee or the duly authorized

agent or attorney of such mortgagee or chargee, is resident in the Colony, he may direct the manner of any further service.

(5) The provisions of this section shall not apply to any rate which became due and payable before the coming into operation of this Ordinance.

5. The proceeds of such sale as above mentioned shall be applied in the first place in satisfaction of the arrears together with interest thereon from the date of the notice of sale at the rate of six per centum per annum and costs and in the event of there being any surplus remaining the court shall if it is satisfied as to the right of any person claiming such surplus pay the amount thereof to such person and if it is not so satisfied shall hold the amount in trust for the person who may ultimately succeed in due course of law in establishing his title thereto. If no title is established to such surplus within the period of five years from the date of the sale it shall be paid to the credit and form part of the funds of the local authority.

Application of  
proceeds.

6. (1) The purchaser at a sale held under the provisions of section 4 of this Ordinance shall be deemed to have acquired the property offered for sale free from all encumbrances created over it and from all subordinate interests derived from it except such as are expressly reserved by the court at the time of sale.

Title conferred  
by purchase at  
sale under  
section 4.

(2) The court shall notify in the Gazette the result of the sale and the conveyance to the purchaser of the property offered for sale.

#### OBJECTS AND REASONS.

Doubts have arisen as to whether, under the present wording of section 28 of the Local Government (Rating) Ordinance, 1928, the Governor in Council is empowered to exempt from the operation of the Ordinance land reserved for such purposes as hospitals, schools, aerodromes, railway running tracks, harbour works and other public purposes. It was the intention when the Rating Ordinance was enacted that these powers should be granted and clause 2 of the Bill makes this position clear. In clause 3 all Rules hitherto made under section 28 of the Principal Ordinance are validated.

For some time past the Nairobi Municipal Council has urged that the Principal Ordinance should be amended so as

to provide that rates payable to a local authority shall be a first charge upon rateable property. The position is that rates are partially secured by section 86 of the Local Government (Municipalities) Ordinance, 1928, which forbids the registration of any transfer of property unless rates for the preceding three years have been paid. This form of security is only completely effected if local authorities possess adequate means of enforcing payment before the expiration of the period of three years. Such enforcement is not always possible, e.g. where property is subject to a mortgage and its value is less than the amount of the mortgage or where the amount of the mortgage is not disclosed. The Council has represented that a considerable sum of money has been lost on account of rates which could not be recovered under the present system owing to the property in respect of which they were levied being heavily mortgaged. It is now proposed under clause 4 to make a first charge, subject to the rights of the Crown, for a period of twelve years. Provision is also made that the court must be satisfied that every reasonable effort has been made to obtain the amount due from the owner or mortgagee of the land before it makes any order for attachment and sale. These provisions are not to have retrospective effect and provision to this effect is made in sub-clause (5) of clause 4.

No expenditure of public moneys will be involved if the provisions of this Bill become law.

The following is the first sentence of section 52 of the Principal Ordinance:—

52. The Council shall have power to do all or any of the following things, namely:—

(1) . . .

## GOVERNMENT NOTICE NO. 399

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

1. This Ordinance may be cited as the Local Government (Municipalities) (Amendment) Ordinance, 1935, and shall be read as one with the Local Government (Municipalities) Ordinance, 1928, hereinafter referred to as the Principal Ordinance.

Short title.

No. 19 of 1928.

2. Section 52 of the Principal Ordinance is hereby amended by the addition after sub-section (47) thereof of the following new sub-section :—

Amendment of  
section 52 of  
the Principal  
Ordinance.

“(48) (a) Subject to the approval of the Governor, to establish, acquire and maintain within the municipality a service of ferry boats, together with landing places, approaches, ramps and other essential appurtenances, for the carriage of passengers, animals, goods or vehicles and to carry on such service.

(b) Subject to the approval of the Governor, to enter into an agreement with any person for the establishment, acquisition, construction, laying down, equipment, maintenance and carrying on of a service of ferry boats, and for guaranteeing the capital cost and interest on the capital cost thereof.

Clerk, carrying on a ferry boat service within such area or areas within the municipality and for such period and within such hours as may be prescribed in such order :

Provided that the right of any person to ply for hire within the municipality with any ferry boat for the unexpired period of any licence granted under any law in force in the Colony and issued to him prior to the date of the coming into force of an order of prohibition made under this sub-section, and the right of any person to carry for hire or reward passengers departing to or arriving from any place outside the limits of any prohibited area, shall not be affected.

by-laws.

69. The Council may from time to time make, alter and revoke by-laws in respect of all such matters as are necessary or desirable for the maintenance of the health, safety and well-being of the inhabitants or for the good rule and government of the municipality, and more especially for all or any of the following purposes :—

No by-law made under this section shall be inconsistent with or repugnant to the provisions of this Ordinance or of any Ordinance dealing with public health or of any other law in force within the municipality.

(g) Save as is provided in paragraph (c) of this sub-section any person who, without the written consent of the Council, carries on within a prohibited area any service of ferry boats, or who plies for hire or reward any ferry boat within a prohibited area, shall be liable on conviction to a fine not exceeding one hundred pounds or to imprisonment for a period not exceeding six months, and, in addition, to a fine not exceeding ten pounds in respect of each and every day upon which he contravenes the provisions of this sub-section.

(h) For the purposes of the application of this section to the Municipality of Mombasa the term "ferry boat" means any floating vessel, propelled by any means whatsoever, plying for hire within the municipality for the purpose of carrying passengers, animals, goods or vehicles between any two points one of which is a point on the Island of Mombasa and the other of which is a point on the coast of the Protectorate of Kenya within a radial distance of one mile from the Island of Mombasa: Provided that the term "ferry boat" shall not include any such floating vessel which is not capable of carrying more than three passengers and/or 300 lb. of goods."

3. Section 69 of the Principal Ordinance is hereby amended by the addition after sub-section (86) thereof of the following sub-section:—

Amendment of  
section 69 of  
the Principal  
Ordinance.

"(87) For regulating and licensing ferry boats within the municipality, for fixing the amount of the licence fees to be paid, the charges or fares whether by distance or by time, for regulating and controlling the conduct of persons using ferry boats and the embarkation and disembarkation of persons, animals, goods and vehicles, and for regulating or prohibiting the use of the landing places, approaches and ramps maintained in connection with any service of ferry boats."

#### OBJECTS AND REASONS.

The Likoni Ferry was in 1928 handed over by Government to the Kenya and Uganda Railways and Harbours, and has since then been managed by that authority. The General Manager has now for some time urged that the Municipal Board should take over the ferry, or that Government should resume ownership of it. The Board is willing to take over and to use the ferry provided that it can be empowered (a) to prohibit competition with itself and (b) to let out the ferry on contract.

The Bill sets out more clearly than in the present Ordinance the powers of a Council in regard to ferries and will enable an exclusive licence to be issued to a company. It also introduces a provision for a prohibited area within which competing ferries may be prohibited.

The Bill, by means of an amendment to section 69 of the Local Government (Municipalities) Ordinance, 1928, provides power to make by-laws in respect of the operation of the ferries and in respect of passengers using the ferries.

No expenditure of public moneys will be involved if the provisions of this Bill become law.

## GOVERNMENT NOTICE No. 400

**Marketing of Native Produce Bill.**

*The Bill to control and regulate the Marketing of Native Produce, which was published in the Official Gazette of the 10th July, 1934, will be introduced into the Legislative Council at the next session subject to the following amendments.*

1. That Clause 1 of the Bill be deleted and the following be substituted therefor—

Short title  
and com-  
mencement.

“1. This Ordinance may be cited as the Marketing of Native Produce Ordinance, 1935, and shall come into force on such date as the Governor may, by proclamation, appoint.”

2. That Clause 4 of the Bill be amended—

(a) by substituting the figures “1934” for the figures “1933” where they occur in the sixth line of paragraph (a) and in the second line of paragraph (b) of sub-clause (1) thereof, and in the second line of sub-clause (3) thereof;

(b) by substituting the words and figures “No. 63 of 1934” for the words and figures “No. 41 of 1933” where they occur in three places in the margin thereto; and

(c) by substituting the figures “10” for the figures “14” in the first line of sub-section (3) thereof.

3. That Clause 5 of the Bill be deleted and the following Clause be substituted therefor—

Power of  
Governor in  
Council to  
grant ex-  
clusive trading  
licences.

“5. (1) Where the Governor in Council is satisfied that the production of any particular kind of native produce in any declared area is susceptible of development or would be stimulated and advanced under technical direction and management or other special control he may, subject to the approval of the Legislative Council signified by Resolution and to the provisions of this Ordinance, grant in respect of such declared area or any part thereof an exclusive trading licence for the purchase of such particular kind of native produce: Provided that no such licence shall be granted in respect of the products of husbandry except for the purchase of one or more kinds of native produce the cultivation or production of which is new to the said area or for which new or improved technical methods of preparation or packing are essential.

(2) Notwithstanding anything to the contrary in the Standing Rules and Orders of the Legislative Council contained no such Resolution shall be moved unless at least fourteen days' notice thereof shall have been given.

(3) When the Legislative Council has approved of any such Resolution, a notice, declaring the intention of the Governor in Council to grant such exclusive trading licence shall be published in the Gazette. Such notice shall specify the particular kind of native produce, and the declared area or part of such area, in respect of which the licence will be granted, and the date on or before which applications for the grant of such licence may be made.

(4) Any person who desires to apply for the grant to him of such licence shall submit to the Provincial Commissioner of the Province in which the area concerned is situate an application, together with such particulars as may be required, on or before the date specified in such notice. Any such application received by the Provincial Commissioner shall, without delay, be transmitted to the Colonial Secretary for the consideration of the Governor in Council."

4. That sub-clause (1) of Clause 6 of the Bill be deleted and the following sub-clause be substituted therefor—

"(1) At any time after the expiration of a period of three months from the date of the publication of any such notice in the Gazette under sub-section (3) of section 5 of this Ordinance, the Governor in Council may select such applicant as he may think fit and may grant to such applicant, for such period and subject to such conditions and to the payment in each case of such fees (if any) as the Governor in Council may determine, an exclusive trading licence."

5. That sub-clause (1) of Clause 13 of the Bill be deleted and the following be substituted therefor—

"(1) A licensing authority may, in respect of any declared area, refuse to grant or renew or may at any time revoke, a licence granted under this Ordinance, other than an exclusive trading licence granted by the Governor in Council under section 6 of this Ordinance, but in every such case such licensing authority shall record his reasons

therefor in writing. Such refusal or revocation shall be subject to an appeal to the Provincial Commissioner and to the Governor."

6. That Clause 15 of the Bill be amended by inserting therein, between the word "Ordinance" and the word "or", the words "or of any Rule made thereunder".

7. That Clause 17 of the Bill be deleted, and that Clause 18 be renumbered as Clause 17.

#### OBJECTS AND REASONS.

The proposed amendments to Clause 5 of the Bill are designed to meet objections which have been raised to the Bill as published and to ensure that the grant of an exclusive trading licence will be subject to the prior approval of the Legislative Council.

The existing Clause 13 (1) of the Bill would permit a licensing authority to refuse the grant or renewal of a licence and to revoke a licence without assigning any reason therefor. It is proposed in the redraft of this Clause that the licensing authority shall, when he exercises these powers, record his reasons therefor in writing.

Clause 17 is considered to be redundant and it is proposed to delete it from the Bill.

The amendment to Clause 1 is self explanatory, and the other amendments, to which specific reference has not been made, are verbal.
