(No. 40)

Sub-section (4) of section 2 of the Principal Ordinance which it is proposed to amend :—

2. In this Ordinance, unless there is anything repugnant in the subject or context :—

(4) "Decree" means the formal expression of an adjudication which, so far as regards the Court expressing it, conclusively determines the rights of the parties with regard to all or any of the matters in controversy in the suit and may be either preliminary or final. It shall be deemed to include the rejection of a plaint or writ and the determination of any question within section 34 or section 93, but shall not include—

(a) any adjudication from which an appeal lies as an appeal from an order, or ;

(b) any order of dismissal for default.

Explanation.—A decree is preliminary when further proceedings have to be taken before the suit can be completely disposed of. It is final when such adjudication completely disposes of the suit. It may be partly preliminary and partly final.

Section 44 of the Principal Ordinance which it is proposed to amend :—

Property

GOVERNMENT NOTICE No. 751

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council. This Bill is in substitution of the Bill published in the Official Gazette of the 8th October, 1935, as Government Notice No. 676.

J. F. G. TROUGHTON,
Acting Clerk of the Legislative Council.

A Bill to Amend the Civil Procedure Ordinance, 1924.

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows :—

1. This Ordinance may be cited as the Civil Procedure (Amendment No. 2) Ordinance, 1935, and shall be read as one with the Civil Procedure Ordinance, 1924, hereinafter referred to as the Principal Ordinance. Short title.
No. 3 of 1924.

2. Sub-section (4) of section 2 of the Principal Ordinance is hereby amended by adding immediately after paragraph (b) thereof the following proviso :— Amendment of
section 2 (4) of
the Principal
Ordinance.

“Provided that for the purposes of appeal the word ‘decree’ shall include judgment and a judgment shall be appealable notwithstanding the fact that a formal decree in pursuance of such judgment may not have been drawn up or may not be capable of being drawn up.”

3. Section 44 of the Principal Ordinance is hereby amended by the deletion of paragraph (b) of sub-section (1) thereof and by the substitution therefor of the following paragraph :— Amendment of
section 44 of
the Principal
Ordinance.

“(b) (i) the tools of artisans ;

change, promissory notes, Government securities, bonds or other securities for money, debts due or accruing due, salary accrued or to become due, shares in a corporation, and, save as hereinafter mentioned, all other saleable property, moveable or immoveable, belonging to the judgment-debtor, or over which or the profits of which, he has a disposing power which he may exercise for his own benefit, whether the same be held in the name of the judgment-debtor or by another person in trust for him or on his behalf :

Provided that the following particulars shall not be liable to such attachment or sale, viz :—

(a) the necessary wearing apparel, cooking vessels, beds and bedding of the judgment-debtor, and of his wife and children and such personal ornaments as in accordance with religious usage cannot be parted with by any woman ;

(b) tools of artizans : and where the judgment-debtor is an agriculturalist, such implements of husbandry and such live stock and agricultural produce not exceeding in value Sh. 500 as may, in the opinion of the Court, be necessary to enable him to earn his livelihood ;

(c) books of accounts ;

(d) a mere right to sue for damages ;

(e) any right of personal service ;

(f) stipends and gratuities allowed to pensioners of the Government, or payable out of any service family pension fund notified in the Gazette by the Governor-in-Council in this behalf, and political pensions ;

(g) the salary of any public officer, servant of a railway company or local authority, or any person privately employed to the extent of

(i) the whole of the salary, where the salary does not exceed two pounds monthly ;

(ii) two pounds monthly, where the salary exceeds two pounds and does not exceed four pounds monthly ; and

(iii) one moiety of the salary in any other case ;

(h) an expectancy of succession by survivorship or other merely contingent or possible right or interest ;

(i) a right of future maintenance ;

(ii) where the judgment-debtor is an agriculturalist, such live stock and implements of husbandry and agriculture not exceeding in value £500 and such agricultural produce not exceeding in value £25 as may, in the opinion of the Court, be necessary to enable him to earn his livelihood.

For the purposes of this paragraph the expression 'implements of husbandry and agriculture' shall include all implements, tools, utensils, plant and machinery used in connection with agricultural, stock or dairy farming or the production of crops or plants."

(j) any fund or allowance declared by law to be exempt from attachment or sale in execution of a decree.

Explanation.—The particulars mentioned in clauses (f), (g) and (j) are exempt from attachment and sale whether before or after they are actually payable.

(2) Nothing in this section shall be deemed to affect the provisions of the Army Act or of any similar law for the time being in force.

Sub-section (2) of section 65 of the Principal Ordinance which it is proposed to replace :—

(2) Notwithstanding anything contained in the Indian Limitation Act, 1877, as applied to the Colony, every appeal from a Subordinate Court to the Supreme Court shall be filed within thirty days from the date of the decree or order appealed against."

4. Sub-section (2) of section 65 of the Principal Ordinance is hereby repealed and the following sub-section is substituted therefor :—

Repeal and replacement of section 65 (2) of the Principal Ordinance.

“(2) Every appeal from a subordinate court to the Supreme Court shall be filed within the period of thirty days from the date of the decree or order appealed against :

Provided however that such time as the Registrar shall certify as having been requisite for preparation of and delivery to the appellant of a copy of the decree shall be excluded from the said period ; and provided also that an appeal may be admitted out of time when the appellant satisfies the Court that he had good and sufficient cause for not preferring the appeal within such period.”

OBJECTS AND REASONS.

Clause 2.—Under the law as it stands at present a person wishing to appeal from a decision must await until a formal decree has been drawn up, the law here being different from the practice in England where he may appeal on being supplied with the judgment. All that is necessary for an appeal is the decision obtained in the action and that is contained in the judgment. The formal decree which is necessary for purposes of executing the judgment is of no assistance to a Court of Appeal save where the appeal is from the formal decree itself and is based on a contention that it is not in conformity with the judgment, and to insist on its production by an appellant is a hardship entailing delay, further expense, and serving no purpose.

Clause 3.—The object of this clause is to extend the protection from attachment of live stock and implements of husbandry and agriculture up to £500.

Opportunity has also been taken to define more clearly the meaning of the expression “implements of husbandry and agriculture”.

Clause 4.—This clause provides (a) that in computing the period of limitation the time requisite for obtaining the necessary papers shall be excluded, and (b) that the appellant may be allowed to appeal out of time on his showing cause, thus conforming to the procedure regulating appeals from the Supreme Court to the Court of Appeal for Eastern Africa.

No expenditure of public moneys will be involved if the provisions of this Bill become law.

Section 8 of the Principal Ordinance which it is proposed to amend :—

Member to be
British subject
of European
race or origin.

8. Every member of the Reserve must be a British subject of European race or origin between the ages of eighteen and fifty.

GOVERNMENT NOTICE No. 752

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

J. F. G. TROUGHTON,
Acting Clerk of the Legislative Council.

A Bill to Amend the Kenya Royal Naval Volunteer Reserve Ordinance, 1931.

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows :—

1. This Ordinance may be cited as the Kenya Royal Naval Volunteer Reserve (Amendment) Ordinance, 1935, and shall be read as one with the Kenya Royal Naval Volunteer Reserve Ordinance, 1931, hereinafter referred to as the Principal Ordinance.

Short title.

No. 45 of 1931.

2. Section 8 of the Principal Ordinance is hereby amended by the addition thereto of the following :—

Amendment of section 8 of the Principal Ordinance.

“Provided that the Governor, at any time when he considers it desirable in the public interest, may by notice in the Gazette direct that Arabs or Africans of any specified class or classes may be enlisted in the Reserve, and in such notice may make provision for a special age of enlistment, and period of enlistment and for such other conditions relating to enlisted Arabs or Africans as he may think fit. Save in so far as any special provision is so made in any such notice, all the provisions of this Ordinance and of any regulations made thereunder shall apply to all Arabs or Africans so enlisted.”

OBJECTS AND REASONS.

Section 8 of the Principal Ordinance provides that every member of the Royal Naval Volunteer Reserve must be a British subject of European race or origin.

The Officer Commanding the Reserve has reported that although no difficulty is anticipated in obtaining the requisite number of petty officers from the European personnel, it has been found impossible to recruit European lower deck ratings up to the minimum peace establishment. It is considered, therefore, that the ratings required to bring the Unit to full peace establishment should be recruited from Arabs and Africans of the seafaring population, and this Bill is designed to give effect to that proposal.

If the provisions of the Bill become law, it is anticipated that an annual expenditure of approximately £550 will be necessary for pay (during training), duty allowance, uniforms, rations, etc., for the Arab and African ratings.
