Plans of the plots may be seen at the Public Map Office attached to the Survey and Registration Division, Nairobi, and at the office of the District Commissioner at Nyeri, or may be had on application to the Surveyor General on payment of Sh. 2, post free.

The right to withdraw any plot from the auction is reserved to the Commissioner for Local Government, Lands and Settlement.

In the following general and special conditions of sale the term "authority" means the District Commissioner, North Nyeri, or such other municipal authority as may be hereafter established by law.

CONDITIONS OF SALE.

(a) Auction.

1. Each plot will be auctioned separately.
2. The amount of the advance of each bid will be regulated by the auctioneer, and no bidding shall be retracted.
3. The highest bidder will be the purchaser, but if any dispute arise as to any bid, the plot will be re-offered at the last undisputed bid.
4. Each purchaser shall pay to the auctioneer, immediately on the fall of the hammer, a deposit of 25 per cent of the purchase money. In default of such payment, the plot may be immediately re-offered for sale, and any subsequent bid by the person who has made default may be ignored or refused.

5. Each purchaser shall on paying the deposit inform the auctioneer of the name or names of the person or persons on whose behalf the plot is purchased; the grant will be issued in accordance with this information.

6. The balance of the purchase money, together with the rent due to the 31st December, 1936, shall be paid to the Land Assistant, District Commissioner's Office, Nairobi.

The survey fees, the fees payable for the preparation and registration of the grant (Sh. 120), and the stamp duty payable in respect of the grant, and all other expenses, if any, shall be paid to the Surveyor General, Nairobi.

All these amounts shall be paid within seven days of a demand being made therefor.

Upon such payments being duly made, the purchaser shall, subject to the provisions of the Crown Lands Ordinance (Chapter 140, Revised Edition), and to the conditions of sale having been complied with, be entitled to a grant of the plot, which grant shall be presented to him duly executed as soon as conveniently may be:

Provided that the balance of the purchase money shall not be payable within the time stated or

thereafter unless and until the Commissioner for Local Government, Lands and Settlement can present to the purchaser the grant duly executed.

7. Subject to the proviso contained in Condition No. 6, if the amounts therein mentioned are not paid as therein laid down within seven days of a demand being made therefor, the Commissioner for Local Government, Lands and Settlement may order the deposit made by the purchaser to be forfeited, and the purchaser shall have no further claim to the grant of the plot.

(b) General.

1. The Government or such person or authority as may be appointed for the purpose shall have the right to enter upon any plot and lay and have access to water mains, service pipes, telegraph or telephone wires, and electric mains of all descriptions, whether overhead or underground, and the grantees shall not erect any building in such a way as to cover or interfere with any existing routes, main or service pipes or the telegraph or telephone wires and electric mains aforementioned.

2. No building shall be erected on any plot unless plans (including block plans showing the position of the buildings), drawings, elevations and specifications thereof shall have been previously approved by the authority and by the Commissioner for Local Government, Lands and Settlement, or such other person as he may appoint. Such plans, etc., shall be submitted in triplicate to the District Commissioner, North Nyeri, for necessary action.

3. Grants will be issued under the Registration of Titles Ordinance. The terms of the grants will be 99 years from the 1st day of February, 1936.

4. The grantee may at any time during the currency of the grant redeem up to three-quarters of the rent of the plot on the basis of twenty years' purchase.

5. The grantee shall not at any time subdivide the plot, or assign, sublet or otherwise dispose of any portion of the plot without the previous written consent of the Governor.

6. Any building erected shall conform to a building line decided upon by the authority.

(c) Special.

1. The plots may be used for mill purposes only, or for the combined purposes of mill and residence:

Provided that in the event of the plot being used for the said combined purposes, then not more than one-half of the area thereof shall be built upon; otherwise not more than ninety per cent of the area thereof shall be built upon.

2. In no case shall the area of any plot used solely for mill purposes required to remain unbuilt on be less than 300 square feet, and that the said area shall be free from any erection thereon above the level of the ground except latrine accommodation constructed in accordance with all laws and by-laws in force relating thereto, and in accordance with a design approved by the authority.
