## GOVERNMENT NOTICE No 20

THE following Motion was adopted in Legislative Council on the 30th December, 1935, and is published for general information —

"Whereas it is desired in view of the depressed condition of the maize industry, due to the large world crop of maize and the low price resulting therefrom, to assist the native and non-native maize-growers in the Colony to secure a reasonable price for the present season's crop without unduly prejudicing the consuming interests

Now therefore it is hereby resolved that a sum not exceeding £12,500 be made available from the revenues of the Colony to guarantee, as far as may be possible, the free on rail export price stated hereunder

1 The guarantee shall apply only to—

(a) maize harvested from the crop planted in 1935,

(b) maize exported between the first day of January, 1936, and the thirty-first day of July, 1936, inclusive, to destinations other than

Canada, Arabia and the part of the Eastern Coast of the Continent of Africa lying south of Port Said and north of Beira

2 (1) The guarantee stated below shall be subject to a payment of not more than £12,500

(2) The guaranteed price shall only apply if the receipts of the Kenya Farmers' Association (Co-operative) Limited for export of K2 grade shall fall short of an average return of Sh 4/50 per bag of 200 lb free on rail grower's station

(3) When the export receipts of the Kenya Farmers' Association (Co-operative) Limited fall short of Sh 4/50 per 200 lb free on rail grower's station in respect of K2 maize, the guarantee shall operate to increase the price to Sh 4/50 per bag free on rail grower's station, and all grades other than K2 shall receive the same guaranteed addition of price, provided that the total amount payable to all exporters shall be divided between them in proportion to their exports

3 The Government of the Colony shall have an absolute discretion to withhold the payment of the guarantee, or any portion thereof, until it is proved that the maize exported has been surplus to the requirements of the Colony

And it is further hereby resolved that the Treasurer of the Colony be authorized to operate the said sum of £12,500, subject always to the conditions contained in this Resolution and to due inspection, prior to the making of any payment from such sum, of all Customs records and exporters' records relating to the shipments of maize in respect of which any sum is to be paid
