4 The following section, to be numbered 10A, shall be deemed to be inserted immediately after section 10 of the Principal Ordinance, as follows —

OBJECTS AND REASONS

This Bill amends the Dangerous Drugs Ordinance with regard to the treatment and conditions relating to the importation and exportation of Indian hemp, and, in this respect, brings the Principal Ordinance into line with international legislation

Clause 2 of the Bill, in which is set out the section which is to replace the present section 9 of the Principal Ordinance, forbids the importation into or the export from the Colony of any Indian hemp, or any resin obtained from the plant *cannabis sativa*, or any products of which *cannabis sativa* forms the base (excluding such products which are used solely for medicinal purposes), and provision is also made that this prohibition shall not apply to goods in transit through the Colony

Clause 3 of the Bill, in which is set out the section which is to replace the present section 10 of the Principal Ordinance makes the selling, possession of and dealing with Indian hemp, or resin obtained from the plant *cannabis sativa*, or any products of which such resin forms the base, an offence against the Ordinance, except that possession is allowed when such Indian hemp, or such resin, or such products, are in transit through the Colony. Cultivation of the plant *cannabis sativa* and the selling or otherwise dealing therein (excluding medical preparations) is prohibited, as is also the possession of the whole or any portion of the plant *cannabis sativa*

A new section 10A is added to the Principal Ordinance providing that the Governor in Council may make Rules for the controlling, etc., of Indian hemp, resin obtained from the plant *cannabis sativa*, and products of such resin, while the same are in transit through the Colony

No expenditure of public moneys will be involved if the provisions of this Bill become law

GOVERNMENT NOTICE No 83

NOTICE

THE following telegrams received by His Excellency the Governor from the Secretary of State for the Colonies are notified for general information —

'The following message has been addressed by His Majesty —

(a) To the Royal Navy

'On succeeding to the Throne I desire that the Royal Navy and all My other Naval Forces throughout the Empire should know with what gratitude I recall the distinguished services rendered by them during the reign of the King My Beloved Father and how much I cherish the recollection of the personal intimate association so long subsisting between My Family and that profession to which My Father devoted His youth and early manhood and in which I and two of My brothers received Our early training

My visits to many parts of the Empire have enabled Me to note with pride that loyalty and devotion to duty remain the watch words of the Royal Navy wherever it is called upon to serve and that the same great traditions are guiding the development of the Naval Services of the Dominions and India and of all other Forces sharing in the Naval Defence of the British Commonwealth of Nations

Conscious as I am of the great trust reposed in you and confident of your determination never to disappoint that trust I shall always regard your efficiency and well being as matters of the highest importance and shall take a deep interest in everything which concerns them

EDWARD, R I '

(b) To the Army

'I desire on My accession to the Throne to express My thanks to the Army for its devoted services to My Beloved Father I recall with gratitude the noble response which the Army made during the Great War to His proud confidence in its loyalty, valour and steadfastness Its welfare was ever in His thoughts

My Own association with the Army is now of long standing I look back to My service as a young officer in the Great War as one of the most valuable experiences of My life It gave Me the opportunity and privilege of comradeship with soldiers drawn from the United Kingdom, from the Dominions, from India and from the Colonies I learned to understand and to appreciate those essential characteristics which united them in the sternest crisis of our history the same fervent attachment to the Crown, the same good humour and endurance in adversity and the same determination to uphold the tradition of chivalry and courage which are our common inheritance

In happier days of peace I have been able to see by personal visits to the Military Forces of the Crown both at home and abroad and have everywhere noted with pride the same gallant bearing which distinguished those Forces in the field

I shall be strengthened in the discharge of the great responsibilities which lie before Me by the confidence with which I know I can rely on the unswerving allegiance of all ranks of the Military Forces of the Crown throughout the Empire

EDWARD, R I '

(c) To the Royal Air Force

'On my accession to the Throne I desire at once to address a message to the Air Forces at home and overseas The Flying Services were first created during the reign of My Beloved Father and it was with close personal interest that He watched their rapid growth from small beginnings then unification under the stress of War and their subsequent development into a powerful instrument of defence which shares with the older services the honourable duty of safeguarding these shores and the Empire

I have ever valued My close association with the Royal Air Force marked of recent years by a special connection with the Auxiliary Air Force as its Honorary Air Commodore in Chief I have also witnessed with deep satisfaction the creation of the Air Forces of the Dominions and of India If the Air Forces of the Empire are young, they have all the vigour of youth, and in the space of a few years they have already achieved a high tradition I shall watch their further progress with a keen personal solicitude for their welfare and with entire confidence that they will ever show that pride of service and unswerving loyalty to the Crown which they have displayed since their first inception

EDWARD, R I '

"I have laid before the King your telegram of condolence with His Majesty and Queen Mary and Members of the Royal Family on the death of King George I am commanded by the King to convey to you and to the Government and people of Kenya an expression of sincere gratitude for this kind message of sympathy and to say that His Majesty deeply appreciates the sentiment of loyalty and affection by which it is accompanied "

GENERAL NOTICE No 124

THE CROWN LANDS ORDINANCE
(Chapter 140 of the Revised Edition)

NAIROBI BUSINESS PLOTS

NOTICE

NOTICE is hereby given that grants in respect of the plots at Nairobi specified in the Schedule hereto, will be sold by auction at the office of the District Commissioner, Nairobi, on Friday the 20th March, 1936, commencing at 11 a.m.

Plans of the plots may be seen at the Public Map Office attached to the Survey and Registration Division, Nairobi, and at the office of the District Commissioner at Nairobi, or may be had on application to the Surveyor General on payment of Sh 3 post free.

The right to withdraw any plot from the auction is reserved to the Commissioner of Lands.

CONDITIONS OF SALE

- 1 Each plot will be auctioned separately.
- 2 The amount of the advance of each bid will be regulated by the auctioneer, and no bidding shall be retracted.
- 3 The highest bidder will be the purchaser, but in any dispute as to any bid, the plot will be reoffered at the last undisputed bid.
- 4 Each purchaser shall pay to the auctioneer immediately on the fall of the hammer, a deposit of 25 per cent of the purchase money. In default of such payment, the plot may be immediately reoffered for sale, and any subsequent bid by the person who has made default may be ignored or refused.
- 5 Each purchaser shall on paying the deposit inform the auctioneer of the name or names of the person or persons on whose behalf the plot is purchased. The grant will be issued in accordance with this information.
- 6 The balance of the purchase money and the rent due to the 31st December, 1936, shall be paid to the District Commissioner, Nairobi, within seven days of the sale.

Provided that the balance of the purchase money shall not be payable within the period stated or thereafter unless and until the Commissioner of Lands can present to the purchaser the grant of the plot duly executed.

And further provided that, if the purchaser so elects, the balance of purchase money may be paid in three equal annual instalments, subject to interest at the rate of 5 per centum per annum on the outstanding balance, the first of such instalments to be paid, together with the interest that shall have accrued due, on the 1st April, 1937, and thereafter instalments and interest to be paid on the 1st April in each year.

The survey fees (Sh 70), the fees payable for the preparation and registration of the grant (Sh 120), and the stamp duty payable in respect of the grant (approximately 2 per cent on the stand premium and on the rent) shall be payable to the Surveyor General, Box 89, Nairobi, these amounts to be paid within seven days of a request therefor.

7 Subject to the provisos contained in condition No 6, if the amounts mentioned are not paid as therein specified, the Commissioner of Lands may order the deposit made by the purchaser to be forfeited, and the purchaser shall have no further claim to a grant of the plot.

Upon these payments being duly made, the purchaser shall, subject to the provisions of the Crown Lands Ordinance (Chapter 140, Revised Edition), and to the conditions of sale having been complied with, be entitled to a grant of the plot, which grant shall be presented to him as soon as conveniently may be.

8 Grants will be issued under the Registration of Titles Ordinance. The term of the grants will be 99 years from the 1st April, 1936.

9 Each grantee shall within two years of the commencement of his grant erect buildings which shall conform in architectural design to the amenities of the neighbourhood. The buildings shall be of stone, burnt brick or concrete, on proper foundations, and must be of not less than two stories in height, and of a value of not less than cents 70 per cubic foot of building content.

10 Within twelve months of the commencement of his grant, the grantee shall submit to the Town Clerk, Nairobi, a plan of the building it is proposed to erect, and shall state in writing the period within which the proposed building shall be completely erected, such period to be within a maximum of two years from the commencement of the grant.

11 The Commissioner of Lands, or such other person as he may appoint for the purpose, shall within one month of the approval of the plan by the Nairobi Municipal Council, notify the grantee of his approval or otherwise of the plans, and shall also notify the date by which such buildings shall be erected.

If the erection of the buildings in accordance with the approved plans and specifications be not completed by the prescribed date, the said Commissioner may, on good and reasonable cause being shown, grant such extension as he may deem sufficient, subject to such conditions as he may prescribe.

Provided that if the grantee shall receive no intimation from the Commissioner within one month of the date on which the plans have been approved by the Nairobi Municipal Council, he may proceed with the erection of the building in accordance with the plans submitted, and the Commissioner shall not have the power to cause to be made any alteration or variation in the plan or the date.

12 Subject to the proviso contained in clause 11 hereof, no building shall be erected on the plot unless plans (including a block plan showing the position of the buildings), drawings, elevations and specifications thereof shall have been previously approved by the Commissioner of Lands or such other person as he may appoint. Such plans, etc., shall be submitted in triplicate to the Town Clerk, Nairobi, for necessary action.

13 The grantee may at any time during the currency of the grant redeem up to one half of the rent of the plot on the basis of twenty years purchase.

14 The grantee shall not at any time subdivide the plot or assign any such subdivision without the consent in writing of the Governor

15 At no time during the term of the grant shall the plot or any portion thereof or any building erected on the plot be used for the purpose of carrying on any trade or business which has been or may be declared to be dangerous or offensive by notice in the Official Gazette

16 Verandas may be erected within a road reserve with the previous consent of the Municipal Council and must conform to a building line decided upon by the said Council

17 Under the provisions of section 60 (b) of the Crown Lands Ordinance, the grantee will be re-

quired to pay Municipal rates upon the whole of the rateable interest and Government's contribution in lieu of rates assessed on the plot. A clause will therefore be embodied in the grant providing for the necessary adjustment between the grantee and Government

18 The cost of the construction of tar grouted macadam roads, appurtenant drains, murrum sidewalks, and main sewers to the Municipal Council's specification is included in the upset prices of those plots that are not served by constructed roads, and these will be constructed without additional charge to the grantees, when in the opinion of the Municipal Council necessity exists. Upon completion of construction maintenance will be undertaken by the Municipal Council
