2. The amount of the advance of each bid will be regulated by the auctioneer, and no bidding shall be retracted.

3. The highest bidder will be the purchaser, but if any dispute arise as to any bid, the plot will be reoffered at the last undisputed bid.

4. Each purchaser shall pay to the auctioneer immediately on the fall of the hammer, a deposit of 25 per cent of the purchase money. In default of such payment, the plot may be immediately reoffered for sale, and any subsequent bid by the person who has made default may be ignored or refused.

5. Each purchaser shall on paying the deposit inform the auctioneer of the name or names of the person or persons on whose behalf the plot is purchased: the grant will be issued in accordance with this information.

6. The balance of the purchase money and the rent due to the 31st December, 1936, shall be paid to the District Commissioner, Nairobi, within seven days of the sale.

Provided that the balance of the purchase money shall not be payable within the period stated or thereafter unless and until the Commissioner of Lands can present to the purchaser the grant of the plot duly executed.

And further provided that, if the purchaser so elects, the balance of purchase money may be paid in three equal annual instalments, subject to interest at the rate of 5 per centum per annum on the outstanding balance, the first of such instalments to be paid, together with the interest that shall have accrued due, on the 1st April, 1937, and thereafter instalments and interest to be paid on the 1st April in each year.

The survey fees (Sh. 70), the fees payable for the preparation and registration of the grant (Sh. 120), and the stamp duty payable in respect of the grant (approximately 2 per cent on the stand premium and on the rent) shall be payable to the Surveyor General, Box 89, Nairobi; these amounts to be paid within seven days of a request therefor.

7. Subject to the provisos contained in condition No. 6, if the amounts mentioned are not paid as therein specified, the Commissioner of Lands may order the deposit made by the purchaser to be forfeited, and the purchaser shall have no further claim to a grant of the plot.

Upon these payments being duly made, the purchaser shall, subject to the provisions of the Crown Lands Ordinance (Chapter 140, Revised Edition), and to the conditions of sale having been complied with, be entitled to a grant of the plot, which grant shall be presented to him as soon as conveniently may be.

8. Grants will be issued under the Registration of Titles Ordinance. The term of the grants will be 99 years from the 1st April, 1936.

9. Each grantee shall within two years of the commencement of his grant erect buildings which shall conform in architectural design to the amenities of the neighbourhood. The buildings shall be of stone, burnt brick or concrete, on proper foundations, and must be of not less than two stories in height, and of a value of not less than cents 70 per cubic foot of building content.

10. Within twelve months of the commencement of his grant, the grantee shall submit to the Town Clerk, Nairobi, a plan of the building it is proposed to erect, and shall state in writing the period within which the proposed building shall be completely erected, such period to be within a maximum of two years from the commencement of the grant.

11. The Commissioner of Lands, or such other person as he may appoint for the purpose, shall within one month of the approval of the plan by the Nairobi Municipal Council, notify the grantee of his approval or otherwise of the plans, and shall also notify the date by which such buildings shall be erected.

If the erection of the buildings in accordance with the approved plans and specifications be not completed by the prescribed date, the said Commissioner may, on good and reasonable cause being shown, grant such extension as he may deem sufficient, subject to such conditions as he may prescribe.

Provided that if the grantee shall receive no intimation from the Commissioner within one month of the date on which the plans have been approved by the Nairobi Municipal Council, he may proceed with the erection of the building in accordance with the plans submitted, and the Commissioner shall not have the power to cause to be made any alteration or variation in the plan or the date.

12. Subject to the proviso contained in clause 11 hereof, no building shall be erected on the plot unless plans (including a block plan showing the position of the buildings), drawings, elevations and specifications thereof shall have been previously approved by the Commissioner of Lands or such other person as he may appoint. Such plans, etc., shall be submitted in triplicate to the Town Clerk, Nairobi, for necessary action.

13. The grantee may at any time during the currency of the grant redeem up to one half of the rent of the plot on the basis of twenty years purchase.

14. The grantee shall not at any time subdivide the plot or assign any such subdivision without the consent in writing of the Governor.

15. At no time during the term of the grant shall the plot or any portion thereof or any building erected on the plot be used for the purpose of carrying on any trade or business which has been or may be declared to be dangerous or offensive by notice in the Official Gazette.

16. Verandas may be erected within a road reserve with the previous consent of the Municipal Council and must conform to a building line decided upon by the said Council.

17. Under the provisions of section 60 (*b*) of the Crown Lands Ordinance, the grantee will be required to pay Municipal rates upon the whole of the rateable interest and Government's contribution in lieu of rates assessed on the plot. A clause will therefore be embodied in the grant providing for the necessary adjustment between the grantee and Government.

18. The cost of the construction of tar grouted macadam roads, appurtenant drains, murram sidewalks, and main sewers to the Municipal Council's specification is included in the upset prices of those plots that are not served by constructed roads, and these will be constructed without additional charge to the grantees, when in the opinion of the Municipal Council necessity exists. Upon completion of construction maintenance will be undertaken by the Municipal Council.

THE CROWN LANDS ORDINANCE
(*Chapter* 140 *of the Revised Edition*).

NAIROBI BUSINESS PLOTS.

NOTICE.

NOTICE is hereby given that grants in respect of the plots at Nairobi specified in the Schedule hereto, will be sold by auction at the office of the District Commissioner, Nairobi, on Friday the 20th March, 1936, commencing at 11 a.m.

Plans of the plots may be seen at the Public Map Office attached to the Survey and Registration Division, Nairobi, and at the office of the District Commissioner at Nairobi, or may be had on application to the Surveyor General on payment of Sh. 3 post free.

The right to withdraw any plot from the auction is reserved to the Commissioner of Lands.

CONDITIONS OF SALE.

1. Each plot will be auctioned separately.

2. The amount of the advance of each bid will be regulated by the auctioneer, and no bidding shall be retracted.

3. The highest bidder will be the purchaser, but if any dispute arise as to any bid, the plot will be reoffered at the last undisputed bid.

4. Each purchaser shall pay to the auctioneer immediately on the fall of the hammer, a deposit of 25 per cent of the purchase money. In default of such payment, the plot may be immediately reoffered for sale, and any subsequent bid by the person who has made default may be ignored or refused.

5. Each purchaser shall on paying the deposit inform the auctioneer of the name or names of the person or persons on whose behalf the plot is purchased: the grant will be issued in accordance with this information.

6. The balance of the purchase money and the rent due to the 31st December, 1936, shall be paid to the District Commissioner, Nairobi, within seven days of the sale.

Provided that the balance of the purchase money shall not be payable within the period stated or thereafter unless and until the Commissioner of Lands can present to the purchaser the grant of the plot duly executed.

And further provided that, if the purchaser so elects, the balance of purchase money may be paid in three equal annual instalments, subject to interest at the rate of 5 per centum per annum on the outstanding balance, the first of such instalments to be paid, together with the interest that shall have accrued due, on the 1st April, 1937, and thereafter instalments and interest to be paid on the 1st April in each year.

The survey fees (Sh. 70), the fees payable for the preparation and registration of the grant (Sh. 120), and the stamp duty payable in respect of the grant (approximately 2 per cent on the stand premium and on the rent) shall be payable to the Surveyor General, Box 89, Nairobi; these amounts to be paid within seven days of a request therefor.

7. Subject to the provisos contained in condition No. 6, if the amounts mentioned are not paid as therein specified, the Commissioner of Lands may order the deposit made by the purchaser to be forfeited, and the purchaser shall have no further claim to a grant of the plot.

Upon these payments being duly made, the purchaser shall, subject to the provisions of the Crown Lands Ordinance (Chapter 140, Revised Edition), and to the conditions of sale having been complied with, be entitled to a grant of the plot, which grant shall be presented to him as soon as conveniently may be.

8. Grants will be issued under the Registration of Titles Ordinance. The term of the grants will be 99 years from the 1st April, 1936.

9. Each grantee shall within two years of the commencement of his grant erect buildings which shall conform in architectural design to the amenities of the neighbourhood. The buildings shall be of stone, burnt brick or concrete, on proper foundations, and must be of not less than two stories in height, and of a value of not less than cents 70 per cubic foot of building content.

10. Within twelve months of the commencement of his grant, the grantee shall submit to the Town Clerk, Nairobi, a plan of the building it is proposed to erect, and shall state in writing the period within which the proposed building shall be completely erected, such period to be within a maximum of two years from the commencement of the grant.

11. The Commissioner of Lands, or such other person as he may appoint for the purpose, shall within one month of the approval of the plan by the Nairobi Municipal Council, notify the grantee of his approval or otherwise of the plans, and shall also notify the date by which such buildings shall be erected.

If the erection of the buildings in accordance with the approved plans and specifications be not completed by the prescribed date, the said Commissioner may, on good and reasonable cause being shown, grant such extension as he may deem sufficient, subject to such conditions as he may prescribe.

Provided that if the grantee shall receive no intimation from the Commissioner within one month of the date on which the plans have been approved by the Nairobi Municipal Council, he may proceed with the erection of the building in accordance with the plans submitted, and the Commissioner shall not have the power to cause to be made any alteration or variation in the plan or the date.

12. Subject to the proviso contained in clause 11 hereof, no building shall be erected on the plot unless plans (including a block plan showing the position of the buildings), drawings, elevations and specifications thereof shall have been previously approved by the Commissioner of Lands or such other person as he may appoint. Such plans, etc., shall be submitted in triplicate to the Town Clerk, Nairobi, for necessary action.

13. The grantee may at any time during the currency of the grant redeem up to one half of the rent of the plot on the basis of twenty years purchase.

14. The grantee shall not at any time subdivide the plot or assign any such subdivision without the consent in writing of the Governor.

15. At no time during the term of the grant shall the plot or any portion thereof or any building erected on the plot be used for the purpose of carrying on any trade or business which has been or may be declared to be dangerous or offensive by notice in the Official Gazette.

16. Verandas may be erected within a road reserve with the previous consent of the Municipal Council and must conform to a building line decided upon by the said Council.

17. Under the provisions of section 60 (*b*) of the Crown Lands Ordinance, the grantee will be required to pay Municipal rates upon the whole of the rateable interest and Government's contribution in lieu of rates assessed on the plot. A clause will therefore be embodied in the grant providing for the necessary adjustment between the grantee and Government.

18. The cost of the construction of tar grouted macadam roads, appurtenant drains, murram sidewalks, and main sewers to the Municipal Council's specification is included in the upset prices of those plots that are not served by constructed roads, and these will be constructed without additional charge to the grantees, when in the opinion of the Municipal Council necessity exists. Upon completion of construction maintenance will be undertaken by the Municipal Council.

NOTICE.

NOTICE is hereby given that grants in respect of the plots at Nairobi specified in the Schedule hereto, will be sold by auction at the office of the District Commissioner, Nairobi, on Friday the 20th March, 1936, commencing at 11 a.m.

Plans of the plots may be seen at the Public Map Office attached to the Survey and Registration Division, Nairobi, and at the office of the District Commissioner at Nairobi, or may be had on application to the Surveyor General on payment of Sh. 3 post free.

The right to withdraw any plot from the auction is reserved to the Commissioner of Lands.

CONDITIONS OF SALE.

1. Each plot will be auctioned separately.

2. The amount of the advance of each bid will be regulated by the auctioneer, and no bidding shall be retracted.

3. The highest bidder will be the purchaser, but if any dispute arise as to any bid, the plot will be reoffered at the last undisputed bid.

4. Each purchaser shall pay to the auctioneer immediately on the fall of the hammer, a deposit of 25 per cent of the purchase money. In default of such payment, the plot may be immediately reoffered for sale, and any subsequent bid by the person who has made default may be ignored or refused.

5. Each purchaser shall on paying the deposit inform the auctioneer of the name or names of the person or persons on whose behalf the plot is purchased: the grant will be issued in accordance with this information.

6. The balance of the purchase money and the rent due to the 31st December, 1936, shall be paid to the District Commissioner, Nairobi, within seven days of the sale.

Provided that the balance of the purchase money shall not be payable within the period stated or thereafter unless and until the Commissioner of Lands can present to the purchaser the grant of the plot duly executed.

And further provided that, if the purchaser so elects, the balance of purchase money may be paid in three equal annual instalments, subject to interest at the rate of 5 per centum per annum on the outstanding balance, the first of such instalments to be paid, together with the interest that shall have accrued due, on the 1st April, 1937, and thereafter instalments and interest to be paid on the 1st April in each year.

The survey fees (Sh. 70), the fees payable for the preparation and registration of the grant (Sh. 120), and the stamp duty payable in respect of the grant (approximately 2 per cent on the stand premium and on the rent) shall be payable to the Surveyor General, Box 89, Nairobi; these amounts to be paid within seven days of a request therefor.

7. Subject to the provisos contained in condition No. 6, if the amounts mentioned are not paid as therein specified, the Commissioner of Lands may order the deposit made by the purchaser to be forfeited, and the purchaser shall have no further claim to a grant of the plot.

Upon these payments being duly made, the purchaser shall, subject to the provisions of the Crown Lands Ordinance (Chapter 140, Revised Edition), and to the conditions of sale having been complied with, be entitled to a grant of the plot, which grant shall be presented to him as soon as conveniently may be.

8. Grants will be issued under the Registration of Titles Ordinance. The term of the grants will be 99 years from the 1st April, 1936.

9. Each grantee shall within two years of the commencement of his grant erect buildings which shall conform in architectural design to the amenities of the neighbourhood. The buildings shall be of stone, burnt brick or concrete, on proper foundations, and must be of not less than two stories in height, and of a value of not less than cents 70 per cubic foot of building content.

10. Within twelve months of the commencement of his grant, the grantee shall submit to the Town Clerk, Nairobi, a plan of the building it is proposed to erect, and shall state in writing the period within which the proposed building shall be completely erected, such period to be within a maximum of two years from the commencement of the grant.

11. The Commissioner of Lands, or such other person as he may appoint for the purpose, shall within one month of the approval of the plan by the Nairobi Municipal Council, notify the grantee of his approval or otherwise of the plans, and shall also notify the date by which such buildings shall be erected.

If the erection of the buildings in accordance with the approved plans and specifications be not completed by the prescribed date, the said Commissioner may, on good and reasonable cause being shown, grant such extension as he may deem sufficient, subject to such conditions as he may prescribe.

Provided that if the grantee shall receive no intimation from the Commissioner within one month of the date on which the plans have been approved by the Nairobi Municipal Council, he may proceed with the erection of the building in accordance with the plans submitted, and the Commissioner shall not have the power to cause to be made any alteration or variation in the plan or the date.

12. Subject to the proviso contained in clause 11 hereof, no building shall be erected on the plot unless plans (including a block plan showing the position of the buildings), drawings, elevations and specifications thereof shall have been previously approved by the Commissioner of Lands or such other person as he may appoint. Such plans, etc., shall be submitted in triplicate to the Town Clerk, Nairobi, for necessary action.

13. The grantee may at any time during the currency of the grant redeem up to one half of the rent of the plot on the basis of twenty years purchase.

14. The grantee shall not at any time subdivide the plot or assign any such subdivision without the consent in writing of the Governor.

15. At no time during the term of the grant shall the plot or any portion thereof or any building erected on the plot be used for the purpose of carrying on any trade or business which has been or may be declared to be dangerous or offensive by notice in the Official Gazette.

16. Verandas may be erected within a road reserve with the previous consent of the Municipal Council and must conform to a building line decided upon by the said Council.

17. Under the provisions of section 60 (*b*) of the Crown Lands Ordinance, the grantee will be required to pay Municipal rates upon the whole of the rateable interest and Government's contribution in lieu of rates assessed on the plot. A clause will therefore be embodied in the grant providing for the necessary adjustment between the grantee and Government.

18. The cost of the construction of tar grouted macadam roads, appurtenant drains, murram sidewalks, and main sewers to the Municipal Council's specification is included in the upset prices of those plots that are not served by constructed roads, and these will be constructed without additional charge to the grantees, when in the opinion of the Municipal Council necessity exists. Upon completion of construction maintenance will be undertaken by the Municipal Council.

GOVERNMENT NOTICE No. 161

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

R. W. BAKER-BEALL,
Acting Clerk to the Legislative Council.

A Bill to Amend the Special Districts (Administration) Ordinance, 1934.

BE IT ENACTED by the Governor of the Colony of Kenya with the advice and consent of the Legislative Council thereof, as follows :—

Short title.

1. This Ordinance may be cited as the Special Districts (Administration) (Amendment) Ordinance, 1936, and shall be read as one with the Special Districts (Administration) Ordinance, 1934, hereinafter referred to as the Principal Ordinance.

No. 13 of 1934.

Amendment of section 4 of the Principal Ordinance.

2. Section 4 of the Principal Ordinance is hereby amended by the deletion therefrom of the definition of "tribesman" and by the substitution therefor of the following definition—

" 'tribesman' means any male person who by birth or adoption belongs to any tribe resident or being within a district or an area to which this Ordinance has been applied, and includes a Somali."

Amendment of section 18 of the Principal Ordinance.

3. Section 18 of the Principal Ordinance is hereby amended by the deletion of the word "person" from the first and second lines thereof and by the substitution therefor, in each case, of the word "tribesman".

Section 22 of the Principal Ordinance which it is proposed to repeal :—

General penalty.

22. Any person who is guilty of an offence against any of the provisions of this Ordinance in respect of which no penalty is specifically provided shall be liable, on conviction before a subordinate court of the first or second class, to a fine of one hundred pounds or to imprisonment for a period not exceeding one year or to both such fine and imprisonment.

4. Section 22 of the Principal Ordinance is hereby repealed and the following section is substituted therefor :— **Repeal and replacement of section 22 of the Principal Ordinance.**

"22. (1) Any person who contravenes or fails to comply with any of the provisions of this Ordinance or of any Rules made thereunder, or who fails to observe the conditions or restrictions subject to or upon which any permit, order, licence, passport or other document has been issued under such Ordinance or Rules, shall be guilty of an offence against this Ordinance. **Offences.**

(2) Any person who is guilty of an offence against this Ordinance for which no penalty is specially provided shall be liable, on conviction by a subordinate court of the first or second class, to a fine of one hundred pounds or to imprisonment for a period not exceeding one year, or to both such fine and imprisonment." **General penalty.**

OBJECTS AND REASONS.

Experience has shown the advisability of introducing into the Special Districts (Administration) Ordinance, 1934, a more accurate definition of "tribesman".

2. This Bill makes the necessary amendment, and further limits the application of the passport requirements of the Ordinance to tribesmen.

3. The opportunity has been taken to effect a minor amendment to the wording of the section relating to penalties.

4. No expenditure of public moneys will be involved if the provisions of this Bill become law.

GENERAL NOTICE No. *124*

THE CROWN LANDS ORDINANCE
(*Chapter* 140 *of the Revised Edition*).

NAIROBI BUSINESS PLOTS.

NOTICE.

NOTICE is hereby given that grants in respect of the plots at Nairobi specified in the Schedule hereto, will be sold by auction at the office of the District Commissioner, Nairobi, on Friday the 20th March, 1936, commencing at 11 a.m.

Plans of the plots may be seen at the Public Map Office attached to the Survey and Registration Division, Nairobi, and at the office of the District Commissioner at Nairobi, or may be had on application to the Surveyor General on payment of Sh. 3 post free.

The right to withdraw any plot from the auction is reserved to the Commissioner of Lands.

CONDITIONS OF SALE.

1. Each plot will be auctioned separately.

2. The amount of the advance of each bid will be regulated by the auctioneer, and no bidding shall be retracted.

3. The highest bidder will be the purchaser, but if any dispute arise as to any bid, the plot will be reoffered at the last undisputed bid.

4. Each purchaser shall pay to the auctioneer immediately on the fall of the hammer, a deposit of 25 per cent of the purchase money. In default of such payment, the plot may be immediately re-offered for sale, and any subsequent bid by the person who has made default may be ignored or refused.

5. Each purchaser shall on paying the deposit inform the auctioneer of the name or names of the person or persons on whose behalf the plot is purchased: the grant will be issued in accordance with this information.

6. The balance of the purchase money and the rent due to the 31st December, 1936, shall be paid to the District Commissioner, Nairobi, within seven days of the sale.

Provided that the balance of the purchase money shall not be payable within the period stated or thereafter unless and until the Commissioner of Lands can present to the purchaser the grant of the plot duly executed.

And further provided that, if the purchaser so elects, the balance of purchase money may be paid in three equal annual instalments, subject to interest at the rate of 5 per centum per annum on the outstanding balance, the first of such instalments to be paid, together with the interest that shall have accrued due, on the 1st April, 1937, and thereafter instalments and interest to be paid on the 1st April in each year.

The survey fees (Sh. 70), the fees payable for the preparation and registration of the grant (Sh. 120), and the stamp duty payable in respect of the grant (approximately 2 per cent on the stand premium and on the rent) shall be payable to the Surveyor General, Box 89, Nairobi; these amounts to be paid within seven days of a request therefor.

7. Subject to the provisos contained in condition No. 6, if the amounts mentioned are not paid as therein specified, the Commissioner of Lands may order the deposit made by the purchaser to be forfeited, and the purchaser shall have no further claim to a grant of the plot.

Upon these payments being duly made, the purchaser shall, subject to the provisions of the Crown Lands Ordinance (Chapter 140, Revised Edition), and to the conditions of sale having been complied with, be entitled to a grant of the plot, which grant shall be presented to him as soon as conveniently may be.

8. Grants will be issued under the Registration of Titles Ordinance. The term of the grants will be 99 years from the 1st April, 1936.

9. Each grantee shall within two years of the commencement of his grant erect buildings which shall conform in architectural design to the amenities of the neighbourhood. The buildings shall be of stone, burnt brick or concrete, on proper foundations, and must be of not less than two stories in height, and of a value of not less than cents 70 per cubic foot of building content.

10. Within twelve months of the commencement of his grant, the grantee shall submit to the Town Clerk, Nairobi, a plan of the building it is proposed to erect, and shall state in writing the period within which the proposed building shall be completely erected, such period to be within a maximum of two years from the commencement of the grant.

11. The Commissioner of Lands, or such other person as he may appoint for the purpose, shall within one month of the approval of the plan by the Nairobi Municipal Council, notify the grantee of his approval or otherwise of the plans, and shall also notify the date by which such buildings shall be erected.

If the erection of the buildings in accordance with the approved plans and specifications be not completed by the prescribed date, the said Commissioner may, on good and reasonable cause being shown, grant such extension as he may deem sufficient, subject to such conditions as he may prescribe.

Provided that if the grantee shall receive no intimation from the Commissioner within one month of the date on which the plans have been approved by the Nairobi Municipal Council, he may proceed with the erection of the building in accordance with the plans submitted, and the Commissioner shall not have the power to cause to be made any alteration or variation in the plan or the date.

12. Subject to the proviso contained in clause 11 hereof, no building shall be erected on the plot unless plans (including a block plan showing the position of the buildings), drawings, elevations and specifications thereof shall have been previously approved by the Commissioner of Lands or such other person as he may appoint. Such plans, etc., shall be submitted in triplicate to the Town Clerk, Nairobi, for necessary action.

13. The grantee may at any time during the currency of the grant redeem up to one half of the rent of the plot on the basis of twenty years purchase.

14. The grantee shall not at any time subdivide the plot or assign any such subdivision without the consent in writing of the Governor.

15. At no time during the term of the grant shall the plot or any portion thereof or any building erected on the plot be used for the purpose of carrying on any trade or business which has been or may be declared to be dangerous or offensive by notice in the Official Gazette.

16. Verandas may be erected within a road reserve with the previous consent of the Municipal Council and must conform to a building line decided upon by the said Council.

17. Under the provisions of section 60 (*b*) of the Crown Lands Ordinance, the grantee will be required to pay Municipal rates upon the whole of the rateable interest and Government's contribution in lieu of rates assessed on the plot. A clause will therefore be embodied in the grant providing for the necessary adjustment between the grantee and Government.

18. The cost of the construction of tar grouted macadam roads, appurtenant drains, murram sidewalks, and main sewers to the Municipal Council's specification is included in the upset prices of those plots that are not served by constructed roads, and these will be constructed without additional charge to the grantees, when in the opinion of the Municipal Council necessity exists. Upon completion of construction maintenance will be undertaken by the Municipal Council.

5. Each purchaser shall pay to the auctioneer, immediately on the fall of the hammer, a deposit of 10 per cent of his purchase money, and should the same be tendered by cheque, such cheque must be accompanied by a banker's guarantee. In default of such payment, the farm may be immediately re-offered for sale, and any subsequent bid by the person who has made default may be ignored or refused.

6. The balance of the purchase money in respect of Farms L.R. 7. If the purchaser shall have elected to pay the balance of the purchase money by instalments, no transfer of the land granted or any part thereof shall be valid until the whole of the purchase money shall have been paid.

8. The rent due to the 31st December, 1936, shall be paid to the Provincial Commissioner, Nakuru, and the Land Assistant, Nairobi, respectively, on or before the 1st April, 1936.

The survey fees and the fees payable for the preparation (Sh. 100) and registration (Sh. 20) of the grant, and the stamp duty payable (approximately 2 per cent *ad valorem*) in respect of the grant shall be paid to the Surveyor General, at the Survey and Registration Division, Nairobi, on or before the 1st April, 1936.

Upon such payments being duly made, the purchaser shall, subject to the provisions of the Crown Lands Ordinance (Chapter 140, Revised Edition), and if the conditions of sale have been complied with, be entitled to a grant of the farm, which grant will be presented to him, duly executed, as soon as conveniently may be.

9. If the payments mentioned in Condition No. 8 are not made on or before the 1st April, 1936, the Commissioner of Lands may order that the deposit paid by the purchaser be forfeited to the Government, and in such case the purchaser shall have no further claim to a grant of the farm.

GENERAL NOTICE No. *124*

THE CROWN LANDS ORDINANCE
(*Chapter* 140 *of the Revised Edition*).

NAIROBI BUSINESS PLOTS.

NOTICE.

NOTICE is hereby given that grants in respect of the plots at Nairobi specified in the Schedule hereto, will be sold by auction at the office of the District Commissioner, Nairobi, on Friday the 20th March, 1936, commencing at 11 a.m.

Plans of the plots may be seen at the Public Map Office attached to the Survey and Registration Division, Nairobi, and at the office of the District Commissioner at Nairobi, or may be had on application to the Surveyor General on payment of Sh. 3 post free.

The right to withdraw any plot from the auction is reserved to the Commissioner of Lands.

CONDITIONS OF SALE.

1. Each plot will be auctioned separately.

2. The amount of the advance of each bid will be regulated by the auctioneer, and no bidding shall be retracted.

3. The highest bidder will be the purchaser, but if any dispute arise as to any bid, the plot will be reoffered at the last undisputed bid.

4. Each purchaser shall pay to the auctioneer immediately on the fall of the hammer, a deposit of 25 per cent of the purchase money. In default of such payment, the plot may be immediately re-offered for sale, and any subsequent bid by the person who has made default may be ignored or refused.

5. Each purchaser shall on paying the deposit inform the auctioneer of the name or names of the person or persons on whose behalf the plot is purchased: the grant will be issued in accordance with this information.

6. The balance of the purchase money and the rent due to the 31st December, 1936, shall be paid to the District Commissioner, Nairobi, within seven days of the sale.

Provided that the balance of the purchase money shall not be payable within the period stated or thereafter unless and until the Commissioner of Lands can present to the purchaser the grant of the plot duly executed.

And further provided that, if the purchaser so elects, the balance of purchase money may be paid in three equal annual instalments, subject to interest at the rate of 5 per centum per annum on the outstanding balance, the first of such instalments to be paid, together with the interest that shall have accrued due, on the 1st April, 1937, and thereafter instalments and interest to be paid on the 1st April in each year.

The survey fees (Sh. 70), the fees payable for the preparation and registration of the grant (Sh. 120), and the stamp duty payable in respect of the grant (approximately 2 per cent on the stand premium and on the rent) shall be payable to the Surveyor General, Box 89, Nairobi; these amounts to be paid within seven days of a request therefor.

7. Subject to the provisos contained in condition No. 6, if the amounts mentioned are not paid as therein specified, the Commissioner of Lands may order the deposit made by the purchaser to be forfeited, and the purchaser shall have no further claim to a grant of the plot.

Upon these payments being duly made, the purchaser shall, subject to the provisions of the Crown Lands Ordinance (Chapter 140, Revised Edition), and to the conditions of sale having been complied with, be entitled to a grant of the plot, which grant shall be presented to him as soon as conveniently may be.

8. Grants will be issued under the Registration of Titles Ordinance. The term of the grants will be 99 years from the 1st April, 1936.

9. Each grantee shall within two years of the commencement of his grant erect buildings which shall conform in architectural design to the amenities of the neighbourhood. The buildings shall be of stone, burnt brick or concrete, on proper foundations, and must be of not less than two stories in height, and of a value of not less than cents 70 per cubic foot of building content.

10. Within twelve months of the commencement of his grant, the grantee shall submit to the Town Clerk, Nairobi, a plan of the building it is proposed to erect, and shall state in writing the period within which the proposed building shall be completely erected, such period to be within a maximum of two years from the commencement of the grant.

11. The Commissioner of Lands, or such other person as he may appoint for the purpose, shall within one month of the approval of the plan by the Nairobi Municipal Council, notify the grantee of his approval or otherwise of the plans, and shall also notify the date by which such buildings shall be erected.

If the erection of the buildings in accordance with the approved plans and specifications be not completed by the prescribed date, the said Commissioner may, on good and reasonable cause being shown, grant such extension as he may deem sufficient, subject to such conditions as he may prescribe.

Provided that if the grantee shall receive no intimation from the Commissioner within one month of the date on which the plans have been approved by the Nairobi Municipal Council, he may proceed with the erection of the building in accordance with the plans submitted, and the Commissioner shall not have the power to cause to be made any alteration or variation in the plan or the date.

12. Subject to the proviso contained in clause 11 hereof, no building shall be erected on the plot unless plans (including a block plan showing the position of the buildings), drawings, elevations and specifications thereof shall have been previously approved by the Commissioner of Lands or such other person as he may appoint. Such plans, etc., shall be submitted in triplicate to the Town Clerk, Nairobi, for necessary action.

13. The grantee may at any time during the currency of the grant redeem up to one half of the rent of the plot on the basis of twenty years purchase.

14. The grantee shall not at any time subdivide the plot or assign any such subdivision without the consent in writing of the Governor.

15. At no time during the term of the grant shall the plot or any portion thereof or any building erected on the plot be used for the purpose of carrying on any trade or business which has been or may be declared to be dangerous or offensive by notice in the Official Gazette.

16. Verandas may be erected within a road reserve with the previous consent of the Municipal Council and must conform to a building line decided upon by the said Council.

17. Under the provisions of section 60 (*b*) of the Crown Lands Ordinance, the grantee will be required to pay Municipal rates upon the whole of the rateable interest and Government's contribution in lieu of rates assessed on the plot. A clause will therefore be embodied in the grant providing for the necessary adjustment between the grantee and Government.

18. The cost of the construction of tar grouted macadam roads, appurtenant drains, murram sidewalks, and main sewers to the Municipal Council's specification is included in the upset prices of those plots that are not served by constructed roads, and these will be constructed without additional charge to the grantees, when in the opinion of the Municipal Council necessity exists. Upon completion of construction maintenance will be undertaken by the Municipal Council.

(2) (*a*) Every maize trader purchasing or otherwise acquiring maize or maize products in the course of trade from a producer, or importing maize or maize products shall, within seven days after the end of the calendar month during which such maize or maize products are received by him, set aside and thereafter hold available for export a quantity of maize or maize products suitable for export amounting to the percentage of the quantity so received during the preceding calendar month which corresponds with the maize export quota percentage for the period in question :

Provided that, in respect of the maize or maize products received by any such trader or other person during the period between the first day of Deecmber and the last day of the calendar month preceding the date upon which the Director fixes the maize export quota percentage in terms of section 6 of this Ordinance, such trader or other person shall not be obliged to set aside the quantity of maize or maize products which he is by this sub-section required to set aside, before the expiration of thirty days after the date on which such percentage is so fixed : Provided further that every maize trader or other person who sells or otherwise disposes of maize or maize products which have been imported, purchased or otherwise acquired by him, before such maize or maize products are received by him, shall, for the purposes of this section, be deemed to have received such maize or maize products at the time when they are so sold or otherwise disposed of by him.

(*b*) In calculating the quantities of maize and maize products which any such maize trader or other person is hereby required to hold available for export, maize products shall, subject to any Rule made under paragraph (*e*) of section 14 of this Ordinance, be taken at their equivalent in maize.

(*c*) The liability to set aside maize or maize products and hold them available for export imposed by this sub-section shall not attach to any person who is exempted from such liability by Rules made under this Ordinance, in respect of maize or maize products purchased or otherwise acquired by him in such quantity and for such purpose as may be prescribed by such Rules.

(3) Any maize or maize products held for export or required to be held for export in terms of sub-section (1) or (2) shall, within a period of twelve months, or within such longer or shorter period as may be prescribed by the Director in any particular case or generally by notice in the Gazette, be exported from the Colony by—

(*a*) the maize trader or other person concerned or any person nominated by him; or

(4) Nothing in this section shall apply to any person purchasing or receiving maize in respect of which he obtains from the Director, or from any person generally or specially deputed by the Director, a certificate that any previous possessor of such maize has in connection therewith complied with the requirements of sub-section (2) or (3) of this section.

(5) Notwithstanding anything in any law to the contrary contained, the trustee of any insolvent estate or the assignee of any assigned estate shall, in respect of any maize or maize products which the insolvent or assignor has, or should have, held available for export in terms of this section, be under the same obligations and have the same rights as the insolvent or the assignor in respect of the holding available for export and the exporting of such maize or maize products.

(6) The provisions of sub-sections (2) and (3) shall apply to any person, including any co-operative society registered under the Co-operative Societies (Registration) Ordinance,

No. 24 of 1931.

1931, in respect of maize or maize products received by such person or society from any producer to be held or disposed or for and on behalf of such producer, but shall not apply to the Kenya and Uganda Railways and Harbours in respect of maize or maize products held or received by the Services for conveyance or storage.

(2) The Director may, by notice in the Gazette, which notice shall not be issued before the first day of March of any year, direct every such producer to set aside, to hold available for export, and to export in accordance with the provisions of section 8 of this Ordinance a quantity of maize or maize products suitable for export amounting to the percentage of the quantity of such maize in his possession or under his control which corresponds with the maize export quota percentage for the period in question; and upon publication of such notice all such maize in the possession or under the control of any producer shall, for the purposes of section 8 and section 12 of this Ordinance, be deemed to have been acquired by him in the course of trade from a producer, and to have been received by him at the date of publication of such notice: Provided that in case such producer satisfies the Director that any part of such maize in his possession or under his control is retained by him solely for his own use on his farm, the Director shall exempt him in respect of the maize retained by him for that purpose only, from the obligations imposed by this section.

(3) The provisions of section 7 of this Ordinance shall apply to every person purchasing or otherwise acquiring in the course of trade any such maize from any such producer or otherwise acquired by him, and his obligation to set aside, to hold available for export and to export, in accordance with the provisions of section 8 of this Ordinance, a quantity of maize or maize products in respect of the maize so purchased or otherwise acquired by him shall not be affected by the fact that a similar obligation rests upon or has been discharged by the producer from whom he has purchased or otherwise acquired such maize in respect of the same maize.

Record of dealings to be kept by maize trader.

10. Every maize trader shall record each day in a book kept in a prescribed form :—

(*a*) the name and address of every person from whom he has during that day purchased or otherwise acquired or received any maize or maize products;

(*d*) the name and address of every such person to whom he has during that day disposed of any maize or maize porducts;

(*e*) the quantity of maize and the quantity of each kind of maize products disposed of by him during that day to every such person :

Provided that if the quantity of maize or the quantity of maize products acquired or disposed of to any person by the maize trader during any one day does not exceed, in the case of maize, one bag, or in the case of maize products, that quantity of maize products which in terms of the Rules made under paragraph (*e*) of section 14 of this Ordinance, is, for the purposes of this Ordinance, deemed to be the equivalent of one bag of maize, a maize trader shall be deemed to comply sufficiently with the requirements of this section, in so far as his transactions with that person during that day are concerned, if he records in such book—

(i) the total quantity of maize and the total quantity of each kind of maize products purchased or otherwise acquired or received by him during that day from such persons who are producers;

(2) No person shall obstruct any person in the performance of any duty or the exercise of any power under this section, or shall wilfully fail or refuse to make any statement or give any explanation demanded thereunder, or knowingly make or cause to be made a false statement on or explanation of any matter referred to in sub-section (1) of this section.

(3) Whenever any person is convicted of an offence under paragraph (*d*) of sub-section (1), the court convicting him shall inquire into and estimate the amount of the profit made by him in consequence of his having failed to comply with any provision of section 8 of this Ordinance, and shall, in addition to any sentence which it may impose under sub-section (1), impose on the person so convicted a fine equal to the amount of the profit which the court so estimates he made in consequence of his having failed to comply with any such provision.

(4) Notwithstanding anything contained in any other law, subordinate courts of the first or second class shall have jurisdiction to impose any penalty prescribed by this Ordinance.

14. The Governor in Council may make Rules—

(*b*) for the giving effect to the provisions of section 8 of this Ordinance in respect of the holding available for export and the export of maize and maize products;

(*c*) for the form and manner in which information to be furnished under this Ordinance by maize traders shall be rendered, and for the transmission of such information to the Director;

(*d*) for determining what quantity (the quantity may be expressed in weight or volume or otherwise) of a particular maize product shall for the purposes of this Ordinance be deemed to be equivalent of a bag of maize;

(*e*) for prescribing in what quantities and for what purposes maize or maize products may be purchased without the authority of a maize trader's licence;

(*f*) for exempting any person other than a maize trader, but including a co-operative society registered under the Co-operative Societies (Registration) Ordinance, 1931, from the liabilities imposed by sub-sections (2) and (3) of section 8 of this Ordinance in respect

No. 24 of 1931.

of maize or maize products purchased or otherwise acquired by him in a prescribed quantity and for a prescribed purpose stated, and similarly exempting persons purchasing maize for consumption by themselves and their households and bona fide farmers purchasing maize for the feeding of live stock;

(*g*) for prescribing any forms required under this Ordinance;

(*h*) for any purpose or object for which by this Ordinance it is provided Rules may be made; and

(*i*) for generally giving effect to the objects and purposes of this Ordinance.

Suspension of the Ordinance.

15. The Governor in Council, by proclamation in the Gazette, may from time to time suspend the operation of all or any of the provisions of this Ordinance for such period as may be fixed in such proclamation.

OBJECTS AND REASONS.

It is generally considered that the maize industry is essential to the well being of Kenya Colony and this Bill is designed to facilitate the placing of the maize industry of the Colony on a sounder basis by (i) ensuring that all maize surplus to the internal requirements of the Colony is exported, (ii) dividing the burden of exporting the surplus production amongst all classes of maize producers, and (iii) maintaining the internal price for maize at rather a higher level than is the case when there is operative a depressing effect due to the dead weight of the unexported and stagnant surplus of maize within the Colony.

2. At present the internal price for maize is depressed periodically by the natives throwing a large amount of maize on the local market at one time. A large portion of the native crop is often held until it becomes impossible to make arrangements to export it, even when there is little hope of a profitable local sale, while considerable losses are caused by weevil; with regard to (ii) above, it will be remembered that the evidence given before the Sub-Committee of the Maize Enquiry Committee showed that about 800,000 bags

of native maize are sold locally, but relatively little native maize is at present exported; on the other hand only about 250,000 bags of European maize are sold locally, while 350,000 to 700,000 bags are exported.

3. All maize traders will be forced by the Ordinance to hold a Maize Trader's Licence and to export or cause to be exported a percentage quota of maize purchased by them. The quota will be determined by the Director of Agriculture, having regard to the internal requirements and total maize production of the Colony. It is not intended to bring the very small native trader within the scope of the Ordinance, nor will the producer be directly affected by the requirements of the Ordinance, which has directly to do only with the person who buys maize for sale or re-sale.

4. Licensed maize traders will be obliged by the Ordinance to keep their books in good order and to return certain forms to the Director of Agriculture with reference to maize purchased, maize sold locally, and maize exported.

5. If this Bill becomes law, it is anticipated that the revenue from licences will cover the cost of operating the Ordinance.

The Bill makes provision for a system of Short Term Agricultural Relief in the Colony and follows, to a very limited extent, the procedure adopted in New Zealand.

If the Bill becomes law it is anticipated that it will be necessary for the Land Bank to set aside a sum of approximately £200,000 to give effect to the scheme.

OBJECTS AND REASONS.

The objects of this Bill may be summarized as follows :—

(2) To provide facilities on special terms for advances for the purpose of combating soil erosion.

(3) To provide for any reduction in interest charge which may be possible at any future date being applicable to the balance of existing mortgage debts and not only to fresh advances.

(4) To provide for prompt action by the Land Bank being authorized in cases where (*a*) with the consent of the mortgagor or (*b*) the mortgaged property has been abandoned, it is necessary for the Bank to expend further moneys and exercise personal supervision of a property subject to an otherwise rapid deterioration of any of the permanent improvements, e.g. coffee trees.

(5) To provide for minor alterations in the administrative work which experience has shown to be desirable.

No expenditure of public moneys will be involved if the provisions of this Bill become law.

(6) Save as is provided in sub-section (2) of this section, any person who, without the written consent of the Director, carries on within a prohibited area any service of ferry boats, or who plies for hire or reward any ferry boat within a prohibited area, shall be liable on conviction to a fine not exceeding one hundred pounds or to imprisonment for a period not exceeding six months, and, in addition, to a fine not exceeding ten pounds in respect of each and every day upon which he contravenes the provisions of this section.

4. The Governor in Council may make rules for regulating ferry boats, for fixing the amount of the licence fees to be paid, the charges or fares whether by distance or by time, for regulating and controlling the conduct of persons using ferry boats, and the embarkation and disembarkation of persons, animals, goods and vehicles, and for regulating or prohibiting the use of the landing places, approaches and ramps maintained in connection with any service of ferry boats. Rules.

OBJECTS AND REASONS.

During the year 1935 an amendment was made to the Local Government (Municipalities) Ordinance, 1928, to provide that the Mombasa Board might acquire ferry services, and either run such services themselves or enter into an agreement with some other person or corporation to run them. Power was also given to the Board to make by-laws dealing with the regulation, etc., of the ferry services. The Board has declined to take over the ferry services at Mombasa, the operation of which has been given up by the Harbours Administration.

This Bill empowers the Director of Public Works, subject to the approval of the Governor, to enter into an agreement with any person for the carrying on of a ferry-boat service, and to prohibit any person, without the consent of the Director of Public Works, carrying on a ferry-boat service within such area or areas as may be prescribed by the Director of Public Works.

No expenditure of public moneys will be involved if the provisions of this Bill become law.

7. (1) The Commander shall be in charge of any internment camp established in accordance with the provisions of the last preceding section and shall be responsible for the discipline of internees. **Control of internment camps.**

(2) The Commander may, with the approval of the Governor, appoint a Commandant to be in charge of an internment camp, and may detail such other persons as may be necessary to ensure proper control of internment camps to serve under such Commandant.

8. Save in the case of internees suffering from mental or physical disability, internees of the same rank shall be accorded equality of treatment. **Equal treatment of all internees.**

9. An internment camp, whether consisting of buildings, huts, or tents, shall be established with due regard to hygiene, sanitation and cleanliness. **Standard of internment camp buildings.**

WELFARE OF INTERNEES.

10. All internees shall be supplied with an adequate amount of clothing, and with a ration of drinking water and food corresponding in quantity and quality to that supplied to regular troops of equivalent rank in the Colony. **Supply of clothing, water and food.**

11. (1) All internees shall be provided with sufficient water for bodily cleanliness and shall have for their use day and night conveniences which conform to the rules of hygiene and are maintained in a constant state of cleanliness. **Provision for bodily cleanliness, night conveniences and physical exercise.**

(2) Adequate facilities for engaging in physical exercises shall be afforded to all internees.

12. A medical officer shall from time to time made a medical inspection of such camp and of all internees. **Medical inspection of internment camps.**

(3) A statement of the facts constituting the act of insubordination or the offence against discipline shall be drawn up in writing without delay by the officer inquiring into such offence.

Internees may be proceeded against in the ordinary way.

21. Nothing in section 18 or section 19 contained shall be construed to exempt an internee from being proceeded against for any offence by the ordinary course of law.

Arrest and use of force when internees attempt to escape.

22. (1) Any internee attempting to escape from an internment camp may be arrested.

(2) If such internee refuses to surrender when called upon it shall be lawful for an officer to use or to order any person or persons under his command to use such degree of force as may be necessary in the circumstances of each case to ensure his surrender :

Provided that resort shall not be had to the use of force unless such officer has reasonable ground to believe that he cannot otherwise prevent the escape.

MISCELLANEOUS PROVISIONS.

Power to make Rules.

23. The Governor may from time to time make Rules providing for all or any purposes whether general or to meet particular cases that may be convenient for the administration of this Ordinance or that may be necessary or expedient for carrying out the objects or purposes of this Ordinance, and where there may be in this Ordinance no provision or no sufficient provision in respect of any matter or thing necessary or expedient for giving full effect to this Ordinance providing for or supplying such omission or insufficiency and, without prejudice to the foregoing powers, providing for all or any of the matters following—

KENYA PROCLAMATIONS, RULES AND REGULATIONS

(No. 20)

Colony and Protectorate of Kenya

GOVERNMENT NOTICE No. 322

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council

R. W. BAKER-BEALL,
Acting Clerk of the Legislative Council.

A Bill to Amend the Police Ordinance, 1930.

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows :—

1. This Ordinance may be cited as the Police (Amendment) Ordinance, 1936, and shall be read as one with the Police Ordinance, 1930, hereinafter referred to as the Principal Ordinance. Short title. No. 64 of 1930.

2. Sub-section (1) of section 37 of the Principal Ordinance, as amended by the Police (Amendment) Ordinance, 1934, is hereby repealed and the following sub-section is substituted therefor :— Amendment of section 37 of the Principal Ordinance. No. 44 of 1934.

"(1) Any magistrate, justice of the peace or police officer of or above the rank of assistant sub-inspector may take or cause to be taken in his presence, for the purposes of record and identification, finger prints of any person in lawful custody. The Governor may by notice specify the form upon which such finger prints shall be taken, and the magistrate, justice of the peace, or police officer as aforesaid who takes or causes to be taken such finger prints shall certify on such form that such finger prints have been taken by him or caused to be taken in his presence as the case may be in accordance with the directions contained in such form and that the particulars entered on such form are to the best of his knowledge and belief accurate and true :

Provided that if the finger prints are taken of a person who has not previously been convicted of crime, and such person is discharged or acquitted by a court, all such finger prints and the photographs, if any, both negatives and copies, of such finger prints shall be forthwith destroyed or handed over to such person."

OBJECTS AND REASONS.

At present only police officers are authorized to take finger prints of persons in lawful custody. It is considered necessary to make provision for the taking of finger prints in Native Reserves where the regular police do not operate. Accordingly this Bill has been prepared with the object of empowering administrative officers and justices of the peace to take or cause finger prints to be taken in their presence.

No expenditure of public moneys will be involved if the provisions of this Bill become law.

"judgments given in the superior courts of the Colony" means judgments given in the Supreme Court, and includes judgments given in any courts on appeals against any judgments so given;

"original court" in relation to any judgment means the court by which the judgment was given;

"prescribed" means prescribed by Rules under this Ordinance;

"registration" means registration under Part I of this Ordinance, and the expressions "register" and "registered" shall be construed accordingly;

"registering court" in relation to any judgment means the court to which an application to register the judgment is made.

(2) For the purposes of this Ordinance, the expression "action in personam" shall not be deemed to include any matrimonial cause or any proceedings in connection with any of the following matters, that is to say, matrimonial matters, administration of the estates of deceased persons, bankruptcy, winding up of companies, lunacy, or guardianship of infants.

PART I.

Registration of Foreign Judgments.

Power to extend Part I of Ordinance to foreign countries giving reciprocal treatment.

3. (1) The Governor, if he is satisfied that in the event of the benefits conferred by this Part of this Ordinance being extended to judgments given in superior courts of any foreign country substantial reciprocity of treatment will be assured as respects the enforcement in that foreign country of judgments given in the superior courts of the Colony, may by Proclamation direct—

(*a*) that this Part of this Ordinance shall extend to that foreign country; and

(*b*) that such courts of that foreign country as are specified in the Proclamation shall be deemed to be superior courts of that country for the purposes of this Part of this Ordinance.

(2) Any judgment of a superior court of a foreign country to which this Part of this Ordinance extends, other than a judgment of such a court given on appeal from a court which is not a superior court, shall be a judgment to which this Part of this Ordinance applies, if—

(*a*) it is final and conclusive as between the parties thereto; and

Provided that execution shall not issue on the judgment so long as, under this Part of this Ordinance and the Rules made thereunder, it is competent for any party to make an application to have the registration of the judgment set aside, or, where such an application is made, until after the application has been finally determined.

(3) Where the sum payable under a judgment which is to be registered is expressed in a currency other than the currency of the Colony, the judgment shall be registered as if it were a judgment for such sum in the currency of the Colony as, on the basis of the rate of exchange prevailing at the date of the judgment of the original court, is equivalent to the sum so payable.

(4) If, at the date of the application for registration, the judgment of the original court has been partly satisfied, the judgment shall not be registered in respect of the whole sum payable under the judgment of the original court, but only in respect of the balance remaining payable at that date.

(5) If, on an application for the registration of a judgment, it appears to the registering court that the judgment is in respect of different matters and that some, but not all, of the provisions of the judgment are such that if those provisions had been contained in separate judgments those judgments could properly have been registered, the judgment may be registered in respect of the provisions aforesaid but not in respect of any other provisions contained therein.

(6) In addition to the sum of money payable under the judgment of the original court, including any interest which by the law of the country of the original court becomes due under the judgment up to the time of registration, the judgment shall be registered for the reasonable costs of and incidental to registration including the costs of obtaining a certified copy of the judgment from the original court.

Rules.

5. (1) The power to make Rules under section 83 of the Civil Procedure Ordinance, 1924, shall, subject to the provisions of this section, include power to make Rules for the following purposes—

(*a*) for making provision with respect to the giving of security for costs by persons applying for the registration of judgments;

(*b*) for prescribing the matters to be proved on an application for the registration of a judgment and for regulating the mode of proving those matters;

(v) that the enforcement of the judgment would be contrary to public policy in the country of the registering court; or

(vi) that the rights under the judgment are not vested in the person by whom the application for registration was made;

(*b*) may be set aside if the registering court is satisfied that the matter in dispute in the proceedings in the original court had previously to the date of the judgment in the original court been the subject of a final and conclusive judgment by a court having jurisdiction in the matter.

(2) For the purposes of this section the courts of the country of the original court shall, subject to the provisions of sub-section (3) of this section, be deemed to have had jurisdiction—

(*a*) in the case of a judgment given in an action in personam—

(i) if the judgment-debtor, being a defendant in the original court, submitted to the jurisdiction of that court by voluntarily appearing in the proceedings otherwise than for the purpose of protecting, or obtaining the release of, property seized, or threatened with seizure, in the proceedings or of contesting the jurisdiction of that court; or

(ii) if the judgment-debtor was plaintiff in, or counter-claimed in, the proceedings in the original court; or

(iii) if the judgment-debtor, being a defendant in the original court, had before the commencement of the proceedings agreed, in respect of the subject-matter of the proceedings, to submit to the jurisdiction of that court or of the courts of the country of that court; or

(iv) if the judgment-debtor, being a defendant in the original court, was at the time when the proceedings were instituted resident in, or being a body corporate had its principal place of business in, the country of that court; or

(v) if the judgment-debtor, being a defendant in the original court, had an office or place of business in the country of that court and the

(2) Where the registration of a judgment is set aside under the last foreging sub-section, or solely for the reason that the judgment was not at the date of the application for registration enforceable by execution in the country of the original court, the setting aside of the registration shall not prejudice a further application to register the judgment when the appeal has been disposed of or if and when the judgment becomes enforceable by execution in that country, as the case may be.

(3) Where the registration of a judgment is set aside solely for the reason that the judgment, notwithstanding that it had at the date of the application for registration being partly satisfied, was registered for the whole sum payable thereunder, the registering court shall, on the application of the judgment-creditor, order judgment to be registered for the balance remaining payable at that date.

Foreign judgments which can be registered not to be enforceable otherwise.

8. No proceedings for the recovery of a sum payable under a foreign judgment, being a judgment to which this Part of this Ordinance applies, other than proceedings by way of registration of the judgment, shall be entertained by any court in the Colony.

Power to apply Part I of Ordinance to British dominions, protectorates and mandated territories.

9. (1) The Governor may by Proclamation direct that this Part of this Ordinance shall apply to His Majesty's dominions outside the Colony and to judgments obtained in the courts of the said dominions as it applies to foreign countries and judgments obtained in the courts of foreign countries, and, in the event of the Governor so directing, this Ordinance shall have effect accordingly and Part I of the Extension and Reciprocal Enforcement of Judgments Ordinance shall cease to have effect except in relation to those parts of the said dominions to which it extends at the date of the Proclamation.

Cap. 16.

(2) If at any time after the Governor has directed as aforesaid a Proclamation is made under section 3 of this Ordinance extending Part I of this Ordinance to any part of His Majesty's dominions outside the Colony to which the said Part I of the Extension and Reciprocal Enforcement of Judgments Ordinance extends as aforesaid, the said Part I of the Extension and Reciprocal Enforcement of Judgments Ordinance shall cease to have effect in relation to that part of His Majesty's dominions except as regards judgments obtained before the date of the Proclamation.

Cap. 16.

11. (1) If it appears to the Governor that the treatment in respect of recognition and enforcement accorded by the courts of any foreign country to judgments given in the superior courts of the Colony is substantially less favourable than that accorded by the courts of the Colony to judgments of the superior courts of that country, the Governor may by Proclamation apply this section to that country.

Power to make foreign judgments unenforceable in the Colony if no reciprocity.

(2) Except in so far as the Governor may by Proclamation under this section otherwise direct, no proceedings shall be entertained in any court in the Colony for the recovery of any sum alleged to be payable under a judgment given in a court of a country to which this section applies.

(3) The Governor may, by a subsequent Proclamation, vary or revoke any Proclamation previously made under this section.

12. Where a judgment under which a sum of money is payable, not being a sum payable in respect of taxes or other charges of a like nature or in respect of a fine or other penalty, has been entered in the Supreme Court against any person and the judgment-creditor is desirous of enforcing the judgment in a country or territory to which Part I of this Ordinance applies, the court shall, on an application made by the judgment-creditor and on payment of such fee as may be prescribed for the purposes of this section issue to the judgment-creditor a certified copy of the judgment, together with a certificate containing such particulars with respect to the action, including the causes of action, and the rate of interest, if any, payable on the sum payable under the judgment, as may be prescribed :

Issue of certificates of judgments obtained in the Colony.

Provided that, where execution of a judgment is stayed for any period pending an appeal or for any other reason, an application shall not be made under this section with respect to the judgment until the expiration of that period.

OBJECTS AND REASONS.

The object of this Bill is to provide for the enforcement in the Colony of judgments given in foreign countries which accord reciprocal treatment to judgments given in the Colony, and for facilitating the enforcement in foreign countries of judgments given in the Colony.

Provision is made in clause 9 of the Bill for the application of Part I of the Bill to dominions, colonies, protectorates and mandated territories, and to judgments obtained in courts of those territories, in the same manner as that Part applies to foreign countries and to judgments obtained in the courts of those countries.

The Bill follows closely the provisions of the Foreign Judgments (Reciprocal Enforcement) Act, 1933, of the Imperial Parliament which was passed to give effect to the recommendations of a Committee which was appointed by the Lord Chancellor in 1931.

No expenditure of public moneys will be involved if the provisions of this Bill become law.

Acting Clerk of the Legislative Council.

A Bill to Amend the Roads Protection Ordinance, 1924.

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows :—

Short title.

1. This Ordinance may be cited as the Roads Protection (Amendment) Ordinance, 1936, and shall be read as one with the Roads Protection Ordinance, 1924, hereinafter referred to as the Principal Ordinance.

No. 16 of 1924.

Amendment of section 3 of the Principal Ordinance.

2. Section 3 of the Principal Ordinance is hereby amended by deleting the words "The Governor may, with the concurrence of the District Road Board or other local authority concerned" and by substituting therefor the following words—

"The Director of Public Works may, with the concurrence of the District Road Board or the Provincial Commissioner concerned".

Amendment of section 4 of the Principal Ordinance.

3. Section 4 of the Principal Ordinance is hereby amended by inserting therein, between the word "Works" and the word "may" in the first line thereof, the words "or any person whom he may authorize in that behalf by writing under his hand".

OBJECTS AND REASONS.

No expenditure of public moneys will be involved if the provisions of this Bill become law.

GOVERNMENT NOTICE No. 359

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

R. W. BAKER-BEALL,
Acting Clerk of the Legislative Council.

A Bill to Amend the Registration of Domestic Servants Ordinance, 1928.

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows :—

Short title.

1. This Ordinance may be cited as the Registration of Domestic Servants (Amendment) Ordinance, 1936, and shall be read as one with the Registration of Domestic Servants Ordinance, 1928, hereinafter referred to as the Principal Ordinance.

No. 11 of 1929.

Amendment of section 9 of the Principal Ordinance.

2. Section 9 of the Principal Ordinance is hereby amended by the addition thereto of the following as sub-section (3) :—

" (3) No person shall seek or accept employment as a servant in any registration district unless and until he has been registered by the Registrar in accordance with the provisions of this section, and unless he is in possession of a valid pocket register issued under sub-section (2) of this section."

Repeal and replacement of section 14 of the Principal Ordinance.

3. Section 14 of the Principal Ordinance is hereby repealed and the following section is substituted therefor :—

Particulars to be entered in pocket register on cessation of employment.

"14. (1) An employer, whether resident in a registration district or not, shall, on the cessation of the engagement of a registered servant, enter in the pocket register of such servant the date of the cessation of the engagement, and shall furnish to the Registrar for the

district in which such servant is registered a copy of such entry, and the particulars of such entry shall be inserted by the Registrar in the general register.

(2) Any such employer when making such entry may, if he so desires, further enter in the pocket register the cause of the cessation of such engagement, together with particulars as to the character of the servant and, in cases where the servant has been dismissed, the reasons for such dismissal. A copy of any particulars so entered in accordance with this sub-section shall be furnished to the Registrar and shall be inserted by the Registrar in the general register in like manner as is provided in regard to the particulars under sub-section (1) of this section, unless the Registrar intends to take action under section 18 of this Ordinance.

(3) Any particulars entered in a pocket register by an employer in accordance with sub-section (2) of this section shall be subject to the provisions of section 18 of this Ordinance.

(4) If an employer is unable to enter the particulars respectively required and permitted to be entered under sub-sections (1) and (2) of this section owing to the loss or destruction of the pocket register, he shall report the fact to the Registrar and shall furnish him with the particulars so required or permitted to be entered in the pocket register. The Registrar shall thereupon, at the expense of the employer, issue to the servant a duplicate pocket register in which shall be entered the particulars aforesaid."

Amendment of section 15 of the Principal Ordinance.

4. Section 15 of the Principal Ordinance is hereby amended by the addition thereto of the following as sub-section (3) :—

" (3) No person whose registration has been cancelled shall after such cancellation seek or accept employment as a servant in any registration district unless and until his pocket register has been re-issued to him and he has been permitted to re-register in accordance with the provisions of sub-section (2) of this section."

5. Section 18 of the Principal Ordinance is hereby amended by the insertion of the words "on conviction" after the word "liable" in the seventh line thereof.

Amendment of section 18 of the Principal Ordinance.

6. Section 19 of the Principal Ordinance is hereby amended— Amendment of section 19 of the Principal Ordinance.

(1) by the insertion of the words "on conviction" after the word "liable" in each of the following cases :—

(*a*) in the third line of sub-section (1) thereof, and

(*b*) in the fourth line of sub-section (2) thereof ;

(2) by the deletion of the words "of either description" from the fourth and fifth lines of sub-section (1) thereof.

7. Section 20 of the Principal Ordinance is hereby amended by the deletion therefrom of the words— Amendment of section 20 of the Principal Ordinance.

"shall be liable to a fine not exceeding two hundred shillings or to imprisonment for a period not exceeding one year or to both such fine and imprisonment.",

and by the substitution therefor of the words—

" shall be liable on conviction to a fine not exceeding two hundred shillings or to imprisonment for a period not exceeding one year or to both such fine and imprisonment."

OBJECTS AND REASONS.

By the provisions of this amending Bill the granting of a character by an employer to a servant becomes permissive instead of mandatory, as is the case under the Principal Ordinance.

The Bill further makes it an offence for an unregistered person to seek or accept employment in a registration district.

The opportunity has been taken to amend the Principal Ordinance in certain minor respects.

No expenditure of public moneys will be involved if the provisions of this Bill become law.
