GENERAL NOTICE No 124

THE CROWN LANDS ORDINANCE
(Chapter 140 of the Revised Edition)

NAIROBI BUSINESS PLOTS

NOTICE

NOTICE is hereby given that grants in respect of the plots at Nairobi specified in the Schedule hereto, will be sold by auction at the office of the District Commissioner, Nairobi, on Friday the 20th March, 1936, commencing at 11 a.m.

Plans of the plots may be seen at the Public Map Office attached to the Survey and Registration Division, Nairobi, and at the office of the District Commissioner at Nairobi, or may be had on application to the Surveyor General on payment of Sh 3 post free.

The right to withdraw any plot from the auction is reserved to the Commissioner of Lands.

CONDITIONS OF SALE

- 1 Each plot will be auctioned separately.
- 2 The amount of the advance of each bid will be regulated by the auctioneer, and no bidding shall be retracted.
- 3 The highest bidder will be the purchaser, but if any dispute arise as to any bid, the plot will be reoffered at the last undisputed bid.
- 4 Each purchaser shall pay to the auctioneer immediately on the fall of the hammer, a deposit of 25 per cent of the purchase money. In default of such payment, the plot may be immediately reoffered for sale, and any subsequent bid by the person who has made default may be ignored or refused.
- 5 Each purchaser shall on paying the deposit inform the auctioneer of the name or names of the person or persons on whose behalf the plot is purchased. The grant will be issued in accordance with this information.
- 6 The balance of the purchase money and the rent due to the 31st December, 1936, shall be paid to the District Commissioner, Nairobi, within seven days of the sale.

Provided that the balance of the purchase money shall not be payable within the period stated or thereafter unless and until the Commissioner of Lands can present to the purchaser the grant of the plot duly executed.

And further provided that, if the purchaser so elects, the balance of purchase money may be paid in three equal annual instalments, subject to interest at the rate of 5 per centum per annum on the outstanding balance, the first of such instalments to be paid, together with the interest that shall have accrued due, on the 1st April, 1937, and thereafter instalments and interest to be paid on the 1st April in each year.

The survey fees (Sh 70), the fees payable for the preparation and registration of the grant (Sh 120), and the stamp duty payable in respect of the grant (approximately 2 per cent on the stand premium and on the rent) shall be payable to the Surveyor General, Box 89, Nairobi, these amounts to be paid within seven days of a request therefor.

7 Subject to the provisos contained in condition No 6, if the amounts mentioned are not paid as therein specified, the Commissioner of Lands may order the deposit made by the purchaser to be forfeited, and the purchaser shall have no further claim to a grant of the plot.

Upon these payments being duly made, the purchaser shall, subject to the provisions of the Crown Lands Ordinance (Chapter 140, Revised Edition), and to the conditions of sale having been complied with, be entitled to a grant of the plot, which grant shall be presented to him as soon as conveniently may be.

8 Grants will be issued under the Registration of Titles Ordinance. The term of the grants will be 99 years from the 1st April, 1936.

9 Each grantee shall within two years of the commencement of his grant erect buildings which shall conform in architectural design to the amenities of the neighbourhood. The buildings shall be of stone, burnt brick or concrete, on proper foundations, and must be of not less than two stories in height, and of a value of not less than cents 70 per cubic foot of building content.

10 Within twelve months of the commencement of his grant, the grantee shall submit to the Town Clerk, Nairobi, a plan of the building it is proposed to erect, and shall state in writing the period within which the proposed building shall be completely erected, such period to be within a maximum of two years from the commencement of the grant.

11 The Commissioner of Lands, or such other person as he may appoint for the purpose, shall within one month of the approval of the plan by the Nairobi Municipal Council, notify the grantee of his approval or otherwise of the plans, and shall also notify the date by which such buildings shall be erected.

If the erection of the buildings in accordance with the approved plans and specifications be not completed by the prescribed date, the said Commissioner may, on good and reasonable cause being shown, grant such extension as he may deem sufficient, subject to such conditions as he may prescribe.

Provided that if the grantee shall receive no intimation from the Commissioner within one month of the date on which the plans have been approved by the Nairobi Municipal Council he may proceed with the erection of the building in accordance with the plans submitted, and the Commissioner shall not have the power to cause to be made any alteration or variation in the plan or the date.

12 Subject to the proviso contained in clause 11 hereof, no building shall be erected on the plot unless plans (including a block plan showing the position of the buildings), drawings, elevations and specifications thereof shall have been previously approved by the Commissioner of Lands or such other person as he may appoint. Such plans, etc., shall be submitted in triplicate to the Town Clerk, Nairobi, for necessary action.

13 The grantee may at any time during the currency of the grant redeem up to one half of the rent of the plot on the basis of twenty years purchase.

14 The grantee shall not at any time subdivide the plot or assign any such subdivision without the consent in writing of the Governor

15 At no time during the term of the grant shall the plot or any portion thereof or any building erected on the plot be used for the purpose of carrying on any trade or business which has been or may be declared to be dangerous or offensive by notice in the Official Gazette

16 Verandas may be erected within a road reserve with the previous consent of the Municipal Council and must conform to a building line decided upon by the said Council

17 Under the provisions of section 60 (b) of the Crown Lands Ordinance the grantee will be re-

quired to pay Municipal rates upon the whole of the rateable interest and Government's contribution in lieu of rates assessed on the plot. A clause will therefore be embodied in the grant providing for the necessary adjustment between the grantee and Government

18 The cost of the construction of tar grouted macadam roads, appurtenant drains, murrum sidewalks, and main sewers to the Municipal Council's specification is included in the upset prices of those plots that are not served by constructed roads, and these will be constructed without additional charge to the grantees, when in the opinion of the Municipal Council necessity exists. Upon completion of construction maintenance will be undertaken by the Municipal Council
